Crows Lacrosse Club	David Fox

## VOLUNTEERS

Commissioners	Wiebke Billows, Bob Carter
Auditor	John Swann
Historian	Luke Oswald
Patron	Matt Cowdrey
Deputy Patron	Kathy Bengner

## EXECUTIVE OFFICER'S REPORT

The 2020 season started looking grim and I was wondering if we were going to get Lacrosse off the ground. The onset of COVID-19 across the globe saw great challenges to us all and forced a change to the way we collectively conduct our sport.

Having spoken to many Clubs throughout the pandemic, it seemed most were exhausted before the season even looked like commencing. I can certainly sympathise with the many volunteers who manage our Clubs for the enjoyment of Lacrosse who still have their own personal priorities, this season was incredibly difficult with the restrictions that were put in place to protect South Australians and the rest of the country with an enormous responsibility placed on all Clubs and members to stay safe but to still keep Lacrosse alive.

In 2015 a group consisting of current and past Presidents and other interested persons was formed to review the Constitution to align to the Good Governance Principles provided by the Office for Recreation, Sport and Racing and the best practices from Sport Australia. I believe this document was first put forward to the Board in 2016 and has sat idly ever since, therefore the document needed to once again be amended to conform to recent changes. The input provided by this group was tremendous, it's great to see this out for review and whilst the new Constitution has not yet been adopted, changes to the By-Laws will be required to reflect the changes to the Constitution if adopted.

It is still evident that the Association needs to continue to work to put structures in place to improve some of the time pressures through communication and sound structure. For those that have ever served time on Club Committees, keeping on top of administrative requirements is always demanding, dealing with due dates, and the fulfilment of administrative responsibilities is challenging at the best of times. Jarrod and I have been working on a few procedures that will hopefully assist Clubs and volunteers to achieve this next year.

Over the years, I have been asked several times about access to player statistics and past scoresheets, so while we were in an indeterminate state the office was busy cleaning out the shed and scanning every scoresheet available, not a single box was left untouched. I am pleased to say these scoresheets have now been uploaded to our website and located on the South Australian History page. We also have a shed that we can walk into without having to move anything to get to something out! A special thank you to Judy Thurgood and Jess Evans for removing all the staples and sorting through everything, Jarrod Brimble for scanning thousands of scoresheets and Jonathon Kiploks for continuously dropping in and climbing the ladder to put everything back neatly.

I would like to acknowledge the SA players who were selected in the Under 18 State Teams who did not end up travelling this year, some of whom were in their last year, some in their first:

### BOYS

Jayke Baxter	Sturt	Oliver North	Eagles
Harry Edwards	Brighton	Braedon O'Brien	Brighton
Dylan Gray	North Adelaide	William Pike	Woodville
Noah Haskett	Glenelg	Zac Semmler	Glenelg
Aaron Hill	Sturt	Justin Steele	ETP
Arlen Lim	Brighton	Jackson Stock	Brighton
Connor Magee	Brighton	Jayden Taylor	Brighton
Lachlan McNab	Brighton	Jack Waller	Eagles
Benjamin Newman	Glenelg	Bob Carter	Head Coach
Jacob Newman	Sturt	Sam Kilford	Assistant Coach

### GIRLS

Ella Drury	Glenelg	Makayla Ritchie	Sturt
Hannah Gough	Wilderness	Eloise Rowe	Brighton
Nikki Haines	Glenelg	Aaliyah Starkey	Woodville
Isabelle Leunig	Burnside	Abby Thorne	Brighton
Caitriona Lightbody	Burnside	Taylah Voysey	Brighton
Lindsay Looker	Burnside	Indyah Williams	Brighton
Tayla Mangan	Brighton	Grace Zada-Boatwright	Brighton
Kelly McDonald	Brighton	Adden Cunningham	Coach
Tahlia Pfitzner	Glenelg	Melissa Williams	Coach

This was a challenging season for all Clubs, volunteers, officials, referees and players, they all lived up to the spirit of Lacrosse, produced some outstanding contributions and strengthened our game. On behalf of the Board, I thank you all and congratulate you on continuing to build SA into a strong and vibrant Lacrosse Community. Along with Club Committee members, I am extremely grateful to everyone who contributes at our Clubs week after week, including the coaches, managers, trainers, line markers, canteen and bar staff — the entire Club team. You are the essence of our sport.

**GIULIA MARION, EXECUTIVE OFFICER**

On behalf of the Lacrosse South Australia Association Board it is my pleasure to present the 2020 Annual Report and this Presidents Report.

2020 has certainly proved to be a very difficult year for all Australians as the Covid 19 pandemic impacted on all our lives. I want to convey my sincerest thanks to the association members of Lacrosse South Australia for the support that they have provided.

At the start of the year when we were all trying to come to terms with what we were dealing with, particular the daily changes that were being communicated and the possibility of not having a season and how that would impact the association financially, it was the club presidents that came forward with options and opportunities that could be pursued. In the same manner that the association was facing considerable uncertainty about its financial future the association member clubs were also faced with significant financial challenges. As the pandemic progressed and we were able to start navigating a course to how and what a season might be achievable, it was our Officials who stepped up and put forward options of how they could contribute to support a competition and not adversely impact the associations clubs.

During this period the Lacrosse SA board and Lacrosse SA staff were resolute in their resolve to not let the pandemic overwhelm them, to seek out every opportunity and to maintain a positive outlook that we would get through this and be stronger for the experience.

Ultimately, after considerable hard work by all South Australians and many long hours by the board, staff and members of the association we were able to conduct a season. Fortunately due to ongoing efforts of all the seasons was not interrupted and concluded with two full rounds of regular games and a traditional finals series. This is an outstanding outcome and you should all be justifiably proud of that achievement.

Unfortunately, one of the impacts of the pandemic was that there were no Australian Lacrosse Association (ALA) tournaments or championships held in 2020 as ALA made the difficult decision to cancel all events in 2020. This also cascaded to the world stage where the impact of COVID-19 was also felt with the postponement of the U19 World Championships. World lacrosse have looked to have the tournament played in 2021 as an Under 20 tournament which will allow the players selected the opportunity to compete after they have trained so hard to represent their country and be successful. There will also be a significant knock on effect to the Senior Women's program.

While it may feel at times like we have not been able to make inroads and changes to the way in which the sport is growing I would point members to the amazing work the Trish Adams has undertaken. In the last quarter of 2019 and the first quarter of 2020 the foundations for the successful development of several school-based teams had been laid. This was reflected in the positive engagement that occurred once the Covid 19 restriction started to lift and schools were making contact with the LSA office to see how they could become involved. I encourage all of our members who are clubs to engage closely with Trish in the development of juniors.

Another positive to come from this year has been the level of engagement and communication between Lacrosse SA, ALA and the other member associations. This started with the ALA planning meeting but with the advent of border closures and restrictions ALA commenced hosting regular monthly meetings. The sharing of knowledge and experience has been high and appreciated by the entire Lacrosse community in Australia.

Finally, I would like to address the change in the Lacrosse SA Constitution. This has been an item that Lacrosse SA has been seeking to change for almost 5 years. We have had involvement and input over this time from a variety of interested persons. At the time of writing this report the vote will not have been undertaken but I hope that all members will see the benefits of updating our Constitution.

In closing I would like to express my gratitude to the board members and staff for their time and contributions in 2020, despite the challenges we have collectively risen to the challenge and prevailed.

**MICHAEL HOOD, PRESIDENT (ACTING)**

## NOTES TO THE FINANCE REPORT

Rent: The invoice for rent payments was provided in the previous financial year, GLACC provided a 3 month rebate to the Association. The negative amount is due to the Association's accounting by accrual mode.

Under 15 State Teams: Refunds were issued to some teams for clothing items that were purchased and not received or not satisfactory from the 2018/2019 financial year. Most payments were made post event, falling into the 2019/2020 financial year.

Under 18 State Teams: Players were provided with refunds for the Under 18 National Championship that was cancelled due to COVID-19. The Association had already booked and paid for many items and were unable to receive a refund on airfares and part vehicle hire. A credit note has been provided by the vehicle hire company and we are still waiting on Virgin Australia, however believe this will most likely end-up a loss to the Association. Players paid for clothing only.

Government Grants: The Office for Recreation, Sport and Racing are reviewing their Grant structures and whilst we received a payment this financial year, it is unlikely that we will receive this grant in the 2020/2021 financial year. This is a \$40,000 loss that the Association will need to find elsewhere. Other grant funding was through the JobKeeper Program for businesses.

Development Expenses: The increase includes purchases of lacrosse sticks and other equipment for the School Program.

Officials: ALRA SA liaised and negotiated with Clubs for officials' payments this year, men and women (including juniors).

**GIULIA MARION, EXECUTIVE OFFICER**

In 2020 Lacrosse South Australia was presented with many challenges as the world was fighting a global pandemic. For a while it seemed as though we would not have a competition and that the season would be a write off when it came to formal games. After long hours on zoom as a board and feedback supplied by the lacrosse community it was clear that most wanted a traditional season when it was deemed safe for sport to resume. Whilst trying to keep connected as the Women's Competition Committee virtually we discussed the difficulties that 2020 would present without the ability of having any import players and the ripple effect this would have on the clubs which have relied on this in the past. There was much discussion around clubs potentially having to merge in order to field a full side- in State League it was proposed that Sturt/Woodville would merge while in Division 1, Eagles/NALC would continue as a combined side. This was discussed as the LSA board and whilst it meant one less side in the competition it presented as the best option for both the state and the sport in such an unprecedented year. In a year that seemed that no traditional lacrosse would be played just weeks out from the annual ANZAC day Grand Final rematch, we as a sport and state were able to pull through and field a 2-round competition with usual finals rounds. While many across the world will write off 2020 as a challenging year, I believe that we as a state were able to pull through and should be proud of the efforts we made in order to play a sport that we all love so much.

Through these extraordinary times the Women's Competition Committee was unfortunately able to get together as a group to discuss the normal topics. The group continued to stay connected virtually and we had many check ins and I was very open with the group to allow for discussion when needed if issues arose.

Areas that the WCC believe allowed for a smooth competition:

- Friday Night State League Games
  - Alleviated umpires of too many duties on one day
  - Set up/Take down roster for competing teams

Areas we have tabled for further discussion:

- Rearranging time of Junior games on a Saturday to allow for U15/U18 players more time to get to a Senior game

It is very prevalent that with the continued dedicated Women's Competition Committee, 2021 will prove to be another successful and competitive season.

Thanks to:

Trish Adams for her thorough handover in the WCC Role and her never ending support in fixtures, rules, and general help that came while I learned a new role in a difficult year.

Tammy Varga and the umpires for their support in rostering, training new umpires and overall safety throughout the season.

LSA Board and staff for their patience and understanding while I learned my way through this role. I would especially like to acknowledge the board for the efforts made to get this season up and running,

**ADDEN CUNNINGHAM, DIRECTOR OF WOMEN'S COMPETITION (ACTING)**

# MEN'S COMPETITION COMMITTEE REPORT

The Men's Competition Committee met (physically/virtually) from December 2019 to November 2020 with the main topics of discussion being:

- Super League/Mad March
- State League, Division 1 and Division 2 schedules
  - Do 'whatever it takes' to have a competition...everyone just wants to play this Lacrosse
- Open communication between ALRA & MCC
- Partnership with Cascade/Maverik
- Support SA Indoor Lacrosse League
  - LSA owned asset
  - Increase marketing/awareness
  - Administrational & financial support as required

Year in review:

In my 3<sup>rd</sup> year as MC Director I have to say I was back to learning phase, where I was only just starting to feel more comfortable after my 2<sup>nd</sup> year, COVID-19 really back flipped that. With the ever changing COVID-19 environment, I probably was not as open with my communication/actions with the MC Committee as I should have, something I have prided myself on in the past, and will again going forward.

MCC on socials - Getting more engagement with the MCC, we continue on with the Facebook page and messenger group. This allows us to communicate more regularly, reducing the need for face to face meetings, as most items could be discussed & voted on via these platforms.

SAILL — The 2019/20 season continued to see a 5-team competition, continuing to increase media presence, spectator entertainment and live streaming via LSATV. The finals series saw some of the best Lacrosse I've watched in a long time.

Super League/Mad March - The reintroduction of Super League, but unsuccessful Mad March in 2019 saw the 2020 Super League be a club-based competition, split into north/south brackets that would then meet in a Mad March final weekend to play out the final round and finals. With the inclusion of the u18s we had a great uptake of support for the 2020 preseason format. Unfortunately, after round 1, all sporting activities were put on hold, as COVID-19 made its dramatic entrance.

For 2021 we will be looking at incorporating the World Lacrosse 6 v 6 format.

Field season - Specific thanks to the entire community for rolling with the COVID-19 punches and making the general decision that any Lacrosse is better than no Lacrosse. After a delayed start and many fixture changes (majority of them negative as player numbers overall dropped) we saw all divisions get going, but slightly tweaked. The hardest this year, seeing ETP MSL need to withdraw, after a good showing in Rnd1 of Super League. We saw night games for SL move to Saturday evenings, endorsed by the playing group, with the exciting new addition of Brighton LC Lights. We adopted all FIL rule changes, which now included the reduced game length to 15 min qtrs., in line with the other states, for SL & MD1.

Looking forward:

I'm excited for 2021. To continue the hard work that was done by the LSA & the MCC. Continue to tweak the current beliefs, structures and backbone of our game to refresh and accelerate the sport into what I think is a positive looking future.

Special mentions:

The LSA Office - administratively one of the hardest conditions to work under this year, while trying to deliver our sport for our community. Our Men's Committee — they have a genuine interest in developing and improving our sport as a whole. ALRA & Club secretary/ reps — for helping me work through scheduling issues week in and week out, all premiership teams and pending award recipients.

Thanks to all other board members of Lacrosse SA for their support during the year.

**STEPHEN MORTIMER, DIRECTOR OF MEN'S COMPETITION**

This certainly was a difficult year and congratulations to all involved in our sport for dealing with the challenges and meeting the many requirements, so that we could have the best lacrosse season we possibly could, under extremely demanding circumstances. There is still a bit to finalise, but essentially to achieve so much more than initially thought, in a very testing situation, is a credit to everyone at our clubs and association.

The restrictions implemented by the State Government and Office for Recreation, Sport & Racing, in the interests of health and safety, impacted heavily on our development, particularly with limited access into schools and the subsequent cancellation of Quick Stix sessions, school clinics and carnivals throughout the year, and even as late as last month with the Catholic Schools Carnival, which was our biggest carnival last year. These opportunities to demonstrate and expose new children to the game, is vital to our growth and recruiting and our development team of Trish and Marilyn are fully aware and committed to working with clubs next year to help you achieve the best results for your club and our sport. We cannot live off the success or growth of lacrosse around the world and expect that it will happen here eventually, nor do we have to be restricted by what happens elsewhere overseas, or even in Australia and if we are prepared to look at alternative ideas and options, do the hard work and make growth our main focus, then I think we can expect that we will get results and everything else will fall into place.

Indoor lacrosse, both contact and no contact did escape much of the disruption and have only just recently been exposed to the new community sport rules and have ceased temporarily, awaiting a restart. It is pleasing from a growth and development perspective that Soft (or I-lax) is played at 3 venues, south at Westminster School, centrally at City West Campus and in the north at The Lights Community & Sports Centre, as well as a North Adelaide competition at Salisbury, while Box (on indoor) is played at Blackwood Recreation Centre, with some games in the new year scheduled for AFL Max near the airport, which along with Lightsview and City West, give lacrosse exposure in multi-sport complexes. I would like to make special mention of Luke Oswald for all of his voluntary work involved with the I-Lax competitions at City West and The Lights, as well as other endeavours.

Thanks to the board members, plus Giulia and Jarrod in the office for all their work in a very trying year and hope that 2021 is a much smoother year to navigate a lacrosse season through.

**TIM DICKSON, DIRECTOR OF DEVELOPMENT**

## DEVELOPMENT COORDINATOR REPORT

2020 Was an interrupted year for development in Lacrosse but we still managed to run School clinics — Sports days and some Carnivals -This includes:

- Western School Carnival at Glenelg LC 320 students, 39 teams from 5 schools.
- Southern School Carnival at Brighton LC, 250 students, 35 teams from 4 schools.

These events are significant in promoting lacrosse to a broad school base building on clinic work and encouraging participation. Unfortunately the Sturt and Northern carnival's were cancelled and not able to be rescheduled.

### Catholic Schools Carnivals

The Catholic carnival was originally postponed from term 2 to term 4 but recent Covid cases caused this Carnival to be Cancelled, but it is still on the Calendar for term 2 2021. Luckily the Catholic Sports Expo will go ahead on the 4<sup>th</sup> of December this is for the children heading into Catholic Middle schools.

### Other

- ACHPER PE week Carnivals - we managed to run with reduced numbers but we still had 8 schools Involved and all feedback was that Lacrosse was the best sport on offer. These days are paramount for building relationships with PE teachers and follow up with clinics.
- Tea Tree Gully SAPSASA sporting carnival Unfortunately this Carnival was cancelled also due to Covid.

On the whole I still managed to run school clinics and sports days etc so Lacrosse still Featured in our schools in 2020.

An after school comp was offered to all clubs with only Brighton able to run one This competition has 53 school kids playing on a Wednesday after school. Out of those 53 kids only 6 of them are current Lacrosse players so this was a huge success even though we couldn't run it on 18<sup>th</sup> and 25<sup>th</sup> November due to Covid.

Lets hope 2021 is more of a normal year for Lacrosse

**MARILYN FUSS, DEVELOPMENT COORDINATOR**

### LSA TV Promotions Report 2020

2020 has been an exceptionally challenging year on multiple fronts with COVID and heaps of new projects to grow the game while we have been in lockdown and limited participation.

### Sponsorship

It was great to have continued support from Living Choice and Traditional Group this year as ongoing sponsors especially given the uncertainty around the season. Their ongoing support has enabled the ongoing paid position of the Development Administrator role that Trish Adams to develop and grow the game at junior level along with the ongoing costs of running LSA TV. The COVID outbreak made it difficult to source new sponsors given that we could not guarantee appropriate levels of

On behalf of the lacrosse community we sincerely thank you for your ongoing support.

### In The Crease

In the Crease was a brand new series that aimed to bring you behind the scenes and into the minds of our SA lacrosse players looking at a club, state and national level. This was the brainchild of Tony and Craig who hosted it throughout the year. We also want to thank Aussielaxgear.com.au for coming on board with the donation of new sticks.

The Last episode will be coming soon with an LSA Awards night special given the recent challenges of COVID.

### LSA TV

Once again LSA TV was a major cog in our promotions machine with over 20 games being broadcasted across the 13 week season plus 7 games in the 19/20 SAILL. Our viewership was up dramatically this year with many more viewers watching across Facebook. We also thank the many players that took time out after their game to be interviewed as a part of the Living choice player of the game.

I want to specifically thank the LSA TV Crew who tirelessly worked to bring you the game thankyou especially:

Producers: Marty Baker and Scott Gill

Camera Crew: Brayden Munn, Christian LeRay, Michal Hood, Clayton Burke

Commentators: Tony Watts, Lynton Arscott, Craig Schicker, Hannah Gough, Stephan Guerin, Jesse Whinnen, Luke Roberts, Dave Gal and many other special guest commentators.

### Upcoming projects

We are already looking forward to 2021 with plenty of new projects planned, including a new video series with the newly formed SALO to develop a new library of educational videos for officials and coaches to improve their game. We are also looking to bring a range of supporters gear to grow our game, stay tuned for the start of next season for this one.

**MARTIN BAKER, DIRECTOR OF PROMOTIONS**

## SENIOR MEN'S INDOOR REPRESENTATIVES

### STATE TEAM REPRESENTATIVES

#### 2019 MEN'S INDOOR — MELBOURNE (FEB 2020)
