## 2004 Annual Report

### Executive Officer's Report

I have now been with Lacrosse SA for nine months and I'd like to thank the Board and the lacrosse community for making me feel so welcome. My time so far has been interesting, challenging and very busy.

Major management initiatives that have been introduced during the period covered by this report include

- A new web site, incorporating a new method of gathering and recording player information and registrations, programming matches and gathering match and player statistics
- A more structured approach to sponsorship which saw the budgeted income figure exceeded
- A new format "handbook" which came out quite late, but which has set the foundations for future, similar publications
- A new venue and format for the end of season presentation dinner

None of these came about easily or were entirely of my own doing and I am grateful for the support of the Board and the Clubs for helping make these things happen. I think they are a real step forward for lacrosse. I look forward to further developing these initiatives and others during the next few months, when hopefully the pace is a little slower.

There are a number of areas which I think need addressing, the management of State Teams – finances, uniforms etc. being one of them. A State Team Management Handbook is just about completed and I am hoping the guidelines will make everyone's job easier, and more efficient. I also think the review of the by-laws, which commenced during 2004 is a very positive move. I think we will all benefit from this evaluation and update.

As the number of competitions and tournaments expands and the administrative demands inevitably become greater I believe we need to continually review all our activities and procedures to ensure that our core activities remain well managed and that any new initiatives are well planned to ensure their viability.

Congratulations to all players who represented the State at any level and thank-you to those Coaches, Managers, Trainers, Parents who supported them. Particular congratulations to the Senior State Women who came home victorious yet again. The passion and willingness of lacrosse people to get involved at their own expense is outstanding.

Well done to the Clubs which won premierships, and to those individuals who picked up personal awards.

Annual Reports are inevitably full of thank-yous, and there are a number of people I must thank –

- Eric Freeman – always happy to answer queries and a great MC for our presentation night
- Helen Keane – her enthusiasm and passion for the Association and the game knows no bounds
- All Board Members – their support has always been encouraging and reassuring. In particular to Bob Hewitson for his advice and regular Thursday contribution to the Office, including the supply of chocolate donuts, and to Alan Carr for managing to make sense of my accounting processes
- Margaret Pallant and Helen Hansford as women's and men's registrars
- Tiff Smith – our trainee, who has been a real asset to the office
- Trish Adams – a valuable sounding board and very enthusiastic Development Officer
- Our Commissioners—we are fortunate to have Henry Rusak and Ross Pollard, who approach this thankless task very conscientiously
- Those who have kept me on my toes with particularly incisive emails

I thank all our sponsors—both "old" and new. Their financial contributions and in-kind support is invaluable and much appreciated. They appear on the back of this report and on our web site—please give them your support whenever possible.

I wish everybody a relaxing and enjoyable "off –season" and look forward to the challenges of the next twelve months, as I continue to learn more about the role.

**Helen Lewis**

## 2004 Annual Report

### President's Report

As I come to the end of my term as President I look back to 4 years of enjoyment. We are on top nationally in some of the grades, and we are recognised by the 'powers that be' as a very efficient sporting body. I don't think I achieved everything I set out to do, but there has been enough to give me a great sense of satisfaction. Many thanks to the Directors and others in Lacrosse that I have worked with over the past 4 years. I feel I am handing over a well run Association and wish the best to the next President and will always be there to assist if needed.

Thanks to the people who looked after all our State and Tournament teams. It is a tremendous job and requires dedication, time and expense. There is now an unprecedented number of National Championships / Tournaments. I can remember when men and women only had Seniors and U16's conducted in alternate years. Now every year we have men's Seniors – U17 – U15 (and from next year U19) and the women have Seniors – U21 – U17 – U15. Whether all these levels are sustainable is up to us. Do we have the juniors coming through the ranks to fill the teams? Do we have the coaches, managers and officials willing to make the commitment? Conducting these National events has also meant a big effort from clubs to host them. It is an opportunity to make some money as well as the fun of meeting lacrosse friends. South Australia has a reputation for doing an excellent job, and we have gone from strength to strength.

The senior men this year will have the new concept of playing in three different places on weekends. Will that work? Once again it's up to us to make it work by supporting our team when they play. Make sure you catch our lacrosse on television.

This year we hosted 10 teams in the inaugural Asia Pacific Lacrosse Tournament at the Glenelg Lacrosse Club. This was great fun and so successful it is now going to be a permanent part of the International Lacrosse Federation calendar. The only reason we were allowed to conduct this event was because we had the experience, know how and enthusiasm to get it up and running. The Committee and so many other people worked very hard and Lacrosse S.A. and the clubs were able to make some money, which makes the effort worthwhile. Thank you to the committee, Glenelg club and volunteers.

This time last year we were saying farewell to Eric Freeman as Executive Officer and knew we had to find someone special to fill the position. I really believe Helen Lewis is special, and has come to us at the right time to do what we needed to lift our sport. Eric and many of us agreed we needed to hire someone with high computer skills to take us the next step in electronic communication. I know some things took a while to establish, but on the whole it has worked out as we wanted. Helen has worked hard and has been on a very fast learning curve, but at the same time she has brought in some ideas of her own which has helped us. Thank you Helen.

Those of you who attended the Presentation Night will agree that we enjoyed a very up to the minute presentation. I doubt if there are many minor sports that can conduct something as professional as that event.

It's good to see Eric taking time out from his retirement to help. He assisted us with the ASPAC, the Fellows Dinner and the Presentation Dinner. Thanks Eric.

It has been a good year for the Board, and I sincerely thank all the committee members I have worked with this year and in fact in the past four years. We had all positions filled this year and the casual vacancy of Secretary was filled early in the year. They have all done an excellent job. The meetings are sometimes a bit fiery, but more often than not are very cooperative, with some fun thrown in. Their reports will give you more details but I would like to make a brief mention of what they have been doing. Don't forget, some of them also worked on the ASPAC committee.

Bob Hewitson has taken on more and more jobs, and is currently running the Non-Contact Lacrosse at Underdale. He is at the office every Thursday helping Helen. Alan Carr still manages to keep our books under control. Vicki Nielsen is a newcomer who started out not knowing anything about men's lacrosse and only a little about women's, but she has learnt fast. I think the publicity this past year has been the best for a long time. Michael Gaspari ran the men's competition without too many problems for most of the year. Steve Smith has worked out by now what he has to do to make the programme run smoothly. David Fox as Junior Competition Director has done a good job and will be passing the baton to someone to continue the good work. Alan, David and Geoff Hallion have set up the system for the Development Officer so her work runs smoothly. Geoff produced the excellent Strategic Plan and the Operations Plan for us and now we can see exactly where we are heading. He also has been working on the upgrading of the Coaches and Managers Manual for National Championships/Tournaments, and various other activities including the National Unification Committee. Glen Revell has worked hard to get Coaches for State and Tournament teams and at this stage most of the Coaches have been appointed for 2005. He has also been working on accreditation for Coaches. We don't have enough interested people to conduct our own course so some were able to attend a General Principles course conducted by the

## 2004 Annual Report

S.A. Office of Recreation and Sport. They still need to do the Sport Specific section. Glen also ran a Level 0 Course for 15 people. Dennis Marsden is a conduit to the A.L.R.A. and S.A.W.L.U.A. and helps us to understand what is required. Rod Greenhalgh has been interstate for some of the year, but has still managed to contribute quite a lot. Last to get a mention, and although she is not a Director, gets the biggest welcome at the meetings is our Minute Secretary Pam Nayda. Everyone is relieved to see her arrive, as without her someone else might have to take the minutes! The muffins are also very well received.

Trish Adams has done a marvellous job as Development officer and has gone out to so many schools that my head spins. I look forward to seeing her report. Thanks Trish.

I must thank people like the commissioners, auditor, registrars, solicitor, sponsors, Crows club, the many club people and others who make up the complex fabric of our sport. Without you we couldn't exist. Clubs have the game in their hands and the better they are, the better the sport is. Keep up the good work.

I know you will join with me in thanking the Umpires and Referees for another good season. You will be aware that there have been some tough penalties as a result of reports. We hope that the message is getting through to all members that we will not tolerate bad behaviour on or off the field. I am pleased to say the abuse of Officials seems to have decreased so players and spectators appear to be getting the message on that, but the rough play continues. If people can't come out and enjoy their game we will soon see numbers diminish.

A special mention and thank you to the clubs that hosted the Finals this year. Grounds were well set up and lots of club members worked hard to make sure everything went well. They were spectacular events. The finals gave us some close games and I don't think I can remember a better series. Congratulations to the teams who played, and congratulations to the clubs that hosted all the Major rounds.

There is a certain sadness to be stepping down but I really believe that 4 years is long enough in the hot seat. I have had a wonderful time and have made and renewed many friendships, which I hope will continue.

What will I be doing after I leave here? I will continue with some activities which I have started, in particular the Masters Games at Brighton in October 2005, so you will still see me around. I am continuing as Secretary for Lacrosse Australia, so I'm not really retiring from lacrosse, just slowing down.

### Helen Keane

#### Deputy President

The South Australian Lacrosse fraternity again led the way when we presented a new concept in international lacrosse by hosting an Asia Pacific tournament where representative teams were invited to play in a tournament consisting of Lacrosse playing nations in the Pacific Rim.

This was a huge success and all of the South Australian clubs who got behind this event were rewarded financially as well as culturally and deserve to be congratulated.

Our President Helen Keane worked tirelessly on this event to make it an extremely successful one.

As Helen Keane bows out after this AGM I would like to thank her for all of the time and energy she has put into the job. History will show Helen did advance lacrosse in South Australia during her four years as President. Well done Helen and thank you.

This year saw Helen Lewis become the new Lacrosse SA Executive Officer, Helen has very quickly stamped her distinctively individual personality on the position and is fast becoming a huge lacrosse asset. The EO position will be tested after this evening's meeting as all of the major committee directors may be changed and the new directors will be looking to the office for guidance. I have no doubt Helen will take this all in her stride and in her normal professional manner.

I am still of the opinion the Men's match committee must look at programming in night matches and Sunday games, to advance the spectator appeal of our game. It has been shown over and over again that whenever a game is played outside of the normal Saturday afternoon times there are many more spectators attending, and clubs can benefit by catering accordingly.

The Women's rules are still constantly changing (or evolving). While some are of the opinion it is for the betterment of the women's game, (all the senior players I have spoken to are of this opinion), I still ask the question "are these new rules attracting new players to the sport?"

## 2004 Annual Report

Our U17 boys competition is currently a shambles with most clubs being forced to combine with other clubs so that their juniors can play in their correct age group, and the coaching and playing standard is not good. I would like to make a plea to all clubs to put in a concerted effort into this grade as they are the "next" senior players, and are very important to the future of the game.

To all of the outgoing board members, I take this opportunity to wish you luck in your future activities and thank you for your service to lacrosse and your friendship whilst on the Board.

**Bob Hewitson**

### Secretary's Report

Although only taking on this role in February, and then having to work interstate for the best part of the next three months, I have enjoyed my initial experiences as a member of the Lacrosse South Australia Board. We have had some lively discussions at Board meetings on a diverse range of issues, but at all times the Directors conducted these discussions while showing respect for their fellow Directors. I would like to thank the Board for their patience with my lack of input during the initial portion of the season.

I take this opportunity to congratulate the players, coaches, managers and officials who have participated in National Championships over this season, and make particular mention of the Senior Women's team who, once again, brought the trophy home. Commiserations to the Women's Under 17 team who lost the final by a single goal and to the Western Reds Under 15 boys in losing their final by 2 goals. I know from personal experience the heartache of losing finals in these tournaments. With respect to the WLA Under 15 tournament, the Board has asked WLA to produce guidelines with respect to team selection and uniform colours along the same lines as with the LA Under 15 tournament to ensure that all States are participating under the same rules. At the time of writing the Senior Men have not begun their campaign for a fourth straight title, but I wish them well in their endeavours.

During 2004, the Glenelg Lacrosse Club hosted the inaugural Asia Pacific Lacrosse Tournament (ASPAC) at Barratt Reserve, West Beach. The event was conducted by Lacrosse South Australia, assisted by all clubs, with participating clubs sharing in the profits. As you will see this event was financially beneficial to not only Lacrosse SA, but also to the clubs. On the field, we had 12 teams participating in two divisions with teams from Australia, Japan, Korea and USA. The victorious teams were the A23's in Pool 1 and Wookiee, from Western Australia, in Pool 2. Officials came from Australia, Canada, England, Japan, Korea and USA. The next event scheduled for Japan in 2005 should be even bigger. At the same time as the ASPAC tournament, the final Men's Under 17 Championship was also held at Barratt Reserve. Six teams participated, with Western Australia defeating Victoria in the final by a single goal. Lacrosse SA thanks all volunteers who assisted in making these events a success.

Congratulations to all winners of awards at the Presentation Dinner, once again organized so well by Helen Keane, Helen Lewis and Margaret Pallant. The visual presentation given on the evening was excellent. It was great to see Eric Freeman maintain his contact with the game. While taking nothing away from the winners of the Lacrosse SA Awards to be presented later this evening, it is extremely disappointing that so few clubs submitted nominations. Does this mean that the other clubs have no-one they feel worthy of nomination? I cannot believe that this is the case. All clubs should have a procedure for selecting nominees for each of these awards which should be passed along from Secretary to Secretary. I offer my assistance to clubs to assist in developing these procedures.

The following By Laws were amended during the year

By Law 23.1.2 - Number of games permitted per round (seniors)

By Law 31 - State Team eligibility

I am currently in the process of conducting a review of the By Laws and all clubs have been invited to participate. I have a small group who are assisting with this process, and there have been submissions made by others. This review will take quite a few months, but has already recommended that a) the By Laws cover ALL forms of lacrosse in SA and b) there needs to be some separation into By Laws, Rules and Guidelines. These recommendations have been accepted by the Board. Our aim is to simplify the By Laws so that there is less room for mis-interpretation while allowing for some diversity for the different competitions. Look out for further news over the coming months.

Finally, I would like to congratulate Helen Lewis for her induction into our sport. She has at times worked

## **2004 Annual Report**

long hours on some very 'hot' issues, taking flak on behalf of the Board. I sincerely hope that the lacrosse public does not "shoot the messenger" when discussing issues with Helen. The new web site is a credit to Helen's vision and perseverance, showing Lacrosse South Australia in a very professional light. It is up to the clubs to embrace the web site as a tool for information flow from the association to the clubs to the members. This requires that each club accept responsibility for some of the information on the site, in particular the game results and player statistics. Most clubs have nominated one or two people to update their results, remember, it does not have to be the Club Secretary!

The 2005 season kicks off in March with the Senior Women's Championships to be held in SA, closely followed by the Women's Under 21 and Under 17 tournaments in April. These may be preceded by a new Women's pre-season tournament scheduled for January- February with pooled player participation.

Best wishes to all for the festive season and 2005.

**Rod Greenhalgh**

## 2004 Annual Report

### Women's Competition

This year, once again I would like to thank the clubs, committee members and other individuals for their support.

Congratulations to all Players especially to those who were able to be winners of Grand Finals. This year there has been an increase in participation at Club level.

I think the hard work by all the participants and officials this year has been the factor that has made the competitions at SACA a great success.

Unfortunately we have seen a rise in the issues that have arisen in respect of politics within the sport. We must remember that whilst it seems to be ever increasing, we must remain focused on the participation aspect of the sport over the politics.

I would also thank the members of the clubs who volunteered as Women's Competition Committee members. Whilst it appears to be a non-rewarding, thankless task I can assure you without your assistance we could not have made the year the success it was.

We had various visiting teams from overseas and some very successful and entertaining matches. These visits are continuing with an up coming visit at the end of the year.

It is pleasing that the League have formed a committee to oversee the future changes in their sport.

This year Brighton was successful at the Senior level. I would like to thank Graham Hobbs and Roger Attenborough for their support for the STX 2004 season. Already developments are under way for a pre season summer series are being formulated.

Our junior and senior state teams have represented our state with pride and with the introduction of the U15 tournament teams, S.A. still is a force to be reckoned with. The enthusiasm seen by these players is a good preparation to our future. Congratulations to our future Australian representatives also.

In closing I would like to thank the members of the Board and Helen Lewis for their support. I wish Helen Keane sincere thanks for her help throughout the season and wish her all the best.

**Steve Smith, Women's Competition Director**

---

### Men's Competition

We have had a very good season both on the field and with the weather this year.

Congratulations to all clubs who held finals this year.

Congratulations to all who made the All Stars Team and who won trophies at the Lacrosse SA awards night.

I thank you for the chance to have been Director of Men's Match Committee for the past few years but unfortunately due to a particular club and one person from this club I had no other choice but to resign from my position on the board.

I still will not apologise for my decision as requested by the President of Lacrosse SA. No one from the board and that particular club has shown me in either the Lacrosse SA constitution or the by-laws that my decision was wrong.

I would like to thank Bob Hewitson, Alan Carr, Dennis Marsden, David Fox, Steve Smith, Rod Geenhalgh and Pam Nayda for the muffins and the good times we have had over the past couple of years.

Please show your full support for Helen Lewis who is doing a fantastic job of taking Lacrosse SA into the wonderful world of computers and modern technology.

I over the past years have given my all for lacrosse in this state but I can assure you that this AGM will be my last for Lacrosse.

**Michael Gaspari, Men's Competition Director**

### Junior Competition

## 2004 Annual Report

I have pleasure in tabling my second and final report as Junior Competition Director. As I no longer have children competing in the junior ranks I notified my intention to move on several months ago and am pleased to see that there have been two nominations as my successor. To the successful person, I wish you well in the position.

Junior Competition is the nursery of Lacrosse and a strong and balanced competition is essential for our future. It may be that in the future we develop away from a traditional club competition, but it is essential to have a strong depth of Juniors who learn their lacrosse skills in a safe and fun filled environment.

The Junior Competition Committee met on a regular monthly basis with delegates from most clubs represented at most meetings. I have appreciated greatly the input and support of all the club delegates to the workings of the Junior Competition Committee and I say particular thanks to Gwyn Elson for capably handling the task of minute secretary to the Committee during the year, and to Trish Adams the Development Officer.

2004 JCC Members were:-

<b>Development</b>	<b>Trish Adams</b>	<b>Brighton</b>	<b>Gwyn Elson</b>
<b>Burnside</b>	<b>Dave Campbell</b>	<b>East Torrens</b>	<b>Lee Vickery</b>
<b>Glenelg</b>	<b>Kaye Roden</b>	<b>North Adel</b>	<b>David Swaine</b>
<b>Sturt</b>	<b>Cassie Tuck</b>	<b>West Torrens</b>	<b>Jim Herron</b>
<b>Wilderness</b>	<b>Dean Davies</b>	<b>Woodville</b>	<b>Brett Forrest</b>

On the occasions when the nominated representatives could not attend in most instances clubs found a replacement and this was also greatly appreciated and I thank those people as well as the regular delegates.

Meetings were conducted in an atmosphere of co-operative sharing and discussion and the JCC continues to speak with a unified voice.

Minor rule changes were requested for the U11s to maximise the time that the ball was in play, and there are a few modifications on the wish list for the new committee to consider and recommend to the Board.

During the year there was close consultation with the JCC and the Development Officer Trish Adams. There is a prime focus to maximise the conversion rate of those participating in school clinics into regular lacrosse players.

In the Under 11 Competition North Adelaide were the most successful Boy's club with Burnside taking out the Girl's. Brighton made a clean sweep of the premierships in the remaining under age Boys' and Girls' competitions and we must congratulate them on this great achievement. This is in no small way a direct result of the time and effort that Brighton has put in to Junior development in prior years.

2004 saw an increase of hybrid teams which was necessary because of low participant numbers. I trust that this is only a temporary move and that clubs redouble their efforts to get their numbers back up and so they are able to field teams in their own right as soon as possible.

The success of our Junior Teams interstate has been commented upon elsewhere, and I add my congratulations to all those who competed at the Interstate level during the year. Also thanks to those who coached, managed and supported our Interstate Juniors.

Special mention must be made of the Under 15 Girl's development squad which trained under the watchful eyes of Gwyn Elson and Anne Arnfield. I am sure that all girls benefited from the experience, and hopefully Lacrosse will see the benefits in the years ahead even if it is the Under 19 Team in 2011. The opportunities for interstate and overseas representation have never been as great or as easy to access and development of an International Lacrosse career has never been so close at hand.

Special thanks are again extended to the Board of Lacrosse SA and in particular to Helen Lewis our new Executive Officer for their ongoing support of Junior Lacrosse.

To the club volunteers, the parents, the coaches and the Umpires and Referees, those that supplied the transport, set the grounds up and came and supported thank you all for your contribution to Junior Lacrosse.

### **David W Fox, Junior Competition Director** **Development**

The position of Development Director was a new portfolio for Lacrosse SA in 2003. This concludes the two year term of the Development Director.

The following activities formed part of the work undertaken during the year.

## 2004 Annual Report

**1. Strategic Plan.** Work commenced in 2003 to develop a long-term strategic plan that was completed before the commencement of the 2004 season. The document was approved and signed by the Board on 19<sup>th</sup> April 2004.

The Executive Office and Development Director with the assistance of the Board then prepared an Operational Plan for the 12 month period from July 2004 to June 2005.

The Strategic Plan and particularly the Operational plan provides a basis for submissions for government funds and a working plan for the year for the Board.

An ongoing task for Directors is preparing policy and procedure documents to support the plan. The Strategic Plan and the Operational plan will be reviewed before the start of each season with a major review every 3 years. It may be beneficial for the lacrosse community to place the revised documents (strategic & operational plans and policies and procedures) on the Lacrosse SA website.

**2. By-laws and policies.** During the season the Development Director has given a high priority to pursuing justice and equity for all involved in the Lacrosse SA community. At the June meeting the Board agreed to:

- Attend as a matter of urgency, to review existing and develop new by-laws and procedures in line with the strategic plan,
- Abide by the by-laws and procedures approved from time to time,
- Ensure that all other committees, groups, clubs and individuals involved in lacrosse in SA abide by the by-laws and approved procedures.

**3. Merger of Lacrosse Australia (LA) and Women's Lacrosse Australia (WLA).** These bodies have been advised that federal funding would no longer be available unless there was one national body. SA has a single entity but most other states do not, and separate bodies administer lacrosse on a national level. A committee was formed last year to investigate a merger or similar process. WLA and Lacrosse SA appointed the Development Director to that committee. Unfortunately after a promising start, a discussion paper on the amalgamation process for the unification of Women's Lacrosse Australia and Lacrosse Australia has been stalled. The discussion paper completion is well beyond its due date and the delay could result in no government funds being made available to either national bodies in 2005. The total merger process was to be completed by 1 Jan 2005. This appears to be an impossible time line when phase 1 (Reaching Agreement in Principle) of 3 phases has not been achieved in 18 months!

**4. Development Officer** The work of the Development Officer has been monitored and reviewed in an ongoing basis this year.

The method of billing schools and payment for people undertaking clinics were reviewed and procedures documented. This has resulted in regular receipt of money from schools and payment for instructors.

There were several issues relating to school clinics and how clubs benefited from the clinics. A review was undertaken and a proposal was approved by the Board to operate from term 4, 2004. The way that the Development Officer will work with clubs will change to give clubs the opportunity to be more involved with the clinics. The Development Officer will be available to support clubs in preparing people to undertake the clinics (training & mentoring), arrange the clinics for the clubs if required, prepare training packages and preparing brochures.

The change should result in:

- School clinics usually being conducted by club personnel
- Clubs being able to provide their own promotion/contact material or use that provided by Lacrosse SA
- Club personnel promoting their club at school clinics.

**5. Other involvement.** During the year the Development Director has been involved in a variety of events and activities including:

- Senior Men's Championships Now called Australian Lacrosse League (Adelaide)
- Attending U15 Boys & Girls Tournament (Melbourne)
- LA & WLA merger meeting (Melbourne)

## 2004 Annual Report

- Lacrosse SA planning committee for the ASPAC games
- Reviewing and updating the Managers & Coaches Guide: State Team Handbook
- Supporting and reviewing the Development Officers role and activities
- Participating in the Club Development Network conducted by the Australian Sports Commission.

I extend my thanks to Board and Club members who have provided support in this development. I particularly thank Helen Lewis, while new to the role of Executive Officer this year has provided enormous support in all activities undertaken.

**Geoff Hallion, Director of Development**

### Development Officer

#### Events

- Adelaide's Biggest Health Kick – Mix 102.3
- Royal Adelaide Show – Be Active Promotion
- School Clinics
- High School Lacrosse Championship
- Primary School Lacrosse Championship
- Riverland Country Expo – Conducted by visiting US players.
- Warooka Primary School – Conducted by Rebecca Hakendorf
- D-Net meetings – Development Network meetings run by ORS.
- Women's Lacrosse Australia – Development Officers meeting in Melbourne
- PE Week – Two stations at both the middle and high school sports expos.
- Disability Expo – giving school aged students with various disabilities the opportunity to try lacrosse.

#### School Clinics

##### Jan 2004 – Nov 2004. Number of Students : 9,570

West Beach PS, Prescott Southern PS, Elizabeth Vale PS, Heritage College, St. Andrew's School, Pooraka PS, Prospect PS, Aldinga PS, Fulham Gardens PS, Flagstaff Hill OSHC, Flagstaff PS, Belair PS, Virginia PS, Paradise PS, Kellor Rd PS, Surrey Downs PS, Modbury PS, St Fran Assisi PS, Braeview PS, St Leonards PS, North Haven PS, St Josephs Hindmarsh, Calvary Lutheran PS, Glenelg PS, Tanunda Lutheran, Greenwith PS, Aldgate PS, Holy Family Catholic School, Norton Summit PS, Reynella East PS, Mawson Lakes PS, East Adelaide PS, Rose Park PS, Cardinia College, Salisbury PS (SAPSASA Expo), Henley High, Unley PS, Highgate PS.

#### Coaches

Rebecca Hakendorf, Courtney Hobbs, Amy Hallion, Trish Adams, Pete Inge, Tim Dickson, Daren Potts, Sophie L.Anderson. Many visiting US players were also involved in the coaching clinics.

All clubs are invited to come and hand out promotional material at clinics run by Lacrosse SA. Information about clinic bookings is distributed at the JMC meetings at the beginning of each term.

#### Primary and High School Lacrosse Championships

Thankyou to the following people that helped with umpiring/admin/recruitment on these days. Craig Schicker, Pete Inge, Courtney Hobbs, Sonia Judd, Bec Hakendorf, Amy Hallion, Gwyn Elson, Tiff Smith, Julie Shank, Anson Carter, Emma Hart, Anne Marshall, Dave Campbell, Kaye Roden, Megan McLeod, Tess McLeod. Thankyou to those clubs that lent equipment (Sturt, North Adelaide, Brighton and West Torrens). Thankyou to the Glenelg Lacrosse Club for supplying the venue and Raylene Sutton for running the canteen at the Primary School event.

Primary and High Schools involved in carnival. No of Students : 504 from 56 teams

Loretto, Henley HS, Adelaide HS, Brighton HS, Seaview HS, Norwood Morialta HS, Westminster, Chris-

## 2004 Annual Report

ties Beach HS, Our Lady of Sacred Heart, West Beach PS, Star of the Sea, Braeview PS, Glenelg PS, Plympton PS, Willunga PS, Tanunda Lutheran PS, Allenby Gardens PS, Our Lady of the Manger, Hawthorndene PS. Total 56 teams.

### Projects for 2005

**Clinics** - combine Lacrosse SA and club recruitment endeavours to provide a more professional and unified approach. Development Officer to be more heavily involved in the booking of clinics for clubs, while striving to help clubs improve the exposure to registration ratio.

**SAPSASA** – look at introducing lacrosse as a school sport & investigate our options with this organisation more thoroughly

**Lightening Carnival** – After discussion with the JCC we have decided to try the event pre-season in 2005.

**Coaching course (for clinic coaches)** - providing clubs with an opportunity to ensure their coaches are well prepared for coaching in a school environment. Methods of recruitment and lesson plans will also be provided.

Thankyou to everyone who has supported me throughout the year. Especially the JCC members, Geoff Hallion and Helen Lewis. I look forward to the coming year as I am now familiar with the Development Officer's role and excited about the prospect of working more closely with the clubs to improve recruitment in SA.

**Trish Adams, Development Officer**

### Coaching Report

I would like to start this report by congratulating all our state coaches and staff on a great job in the last twelve months. It is encouraging to see many South Australians involved in coaching Australian teams in Men's and Women's Lacrosse.

This year I concentrated on Level 0 coaching courses, we had fifteen people attend and many thanks to Trish Adams for her presentation. All of the attendees were presented with a book on Junior Coaching.

Next year's aims are to run more Level 0 course and progress these coaches onto Level 1 via the Office of Sport and Recreations and add the Lacrosse specific section afterwards.

Our state coaching positions for 2005 have nearly all been filled and I thank all the volunteers through out the year for their devoted efforts.

Many thanks to all the board members for their guidance and I look forward to my challenges in season 2005.

**Glen Revell, Director of Coaching**

### Officiating

This year has been exciting one for both Lacrosse SA and ALRA (SA), highlighted with the inaugural Asia Pacific Tournament.

Once again the season started off with the ALRA (SA) allocation committee struggling to field a full compliment of referees. This once again was due to clubs not fulfilling their commitment in nominating a referee with each senior team nominated. It is my view that clubs during the off-season should be looking around for retired players to fulfil club requirements.

I would like to congratulate all referees and umpires who officiated in the home and away games, the final series and also the Asia Pacific Tournament.

During the season Rob Mollison one of our most senior referees has had to retire due to work commitments and injury problems. Rob has been refereeing for 16 years. The commitment Rob put into his duties as a referee, a committee member, a mentor to junior referees and a referee training co-ordinator is a credit to himself. I wish him all the best for the future and hope he will return to refereeing in the near future.

To all ALRA (SA) referee's and SAWLUA umpires I once again congratulate you on all of your seasons achievements.

## 2004 Annual Report

I wish all officials and players all the best in the coming seasons.

**Denis Marsden, Director of Officiating.**

### Promotion

This year has been a busy one for this portfolio, given all of the events that have been staged and the marketing required for them.

My goal this year has been to raise the profile of the sport in the community, ultimately to interest potential sponsors in being involved with Lacrosse. There is still much to do in this area – but we have made good start!

I have also been determined to improve awareness of what is happening throughout the lacrosse community, through the **Stop Press** email communication, which contains information about up and coming events and noteworthy achievements. I hope that these emails have been forwarded to many others, so that everyone can stay in touch with current events. I can only write news in **Stop Press** if I hear about it – so I urge all members of the lacrosse community to email or call me with their contributions, no matter how small.

**Stop Press** is linked closely to the new website, and refers people to that site for all the current information in more detail. The website has been a major advance for Lacrosse in SA, and Helen Lewis has been instrumental in its inception and ongoing maintenance.

As I look back, I can honestly say that I have enjoyed this somewhat frantic year! I have met many new people on various committees and teams, and enjoyed seeing the enthusiasm which keeps this sport alive. I have also enjoyed learning a little more about men's lacrosse during some of the events that have been staged.

To illustrate what has been achieved this year, I include a list of some of the media attention that has been associated with the events which have happened this season.

#### **March - Under 19 Australian Women's Lacrosse Team**

The team was a finalist in the Australian Sport Awards. A paragraph appeared in the Messenger.

#### **May – Senior Women's Trials**

An article and photo appeared in Six Pack regarding the trial games between the State teams from NSW and SA held in May at Park 25.

#### **July - Senior Women's Nationals**

The Nationals were held in Sydney this year and as team manager I was well placed to saturate the press back in Adelaide with results and match reports every night. We did achieve two articles in the Advertiser regarding results and this also enabled the website to be updated with scores quickly.

The Advertiser ran a feature article with a large colour photo, on Casey Magor and Hannah Nielsen during the week following the nationals. Thanks to Tim Dickson, Steve Magor and Brad Pallant for their enthusiasm in writing the reports and providing team performance details.

#### **July - Asia Pacific Tournament**

This event involved much work and many meetings for a large number of people. Many hours were spent preparing the Tournament program. Good coverage was given to the event by the Advertiser with both photos and articles.

#### **July - Under 17 Men's Tournament.**

This event was also well covered with some great shots and articles appearing in both the Advertiser and Messenger.

#### **July - Allstars Game**

I edited and printed the programs for this event, and publicised it through **STOP PRESS**.

#### **August - Senior Women's STX League Grand Final**

All media contacts were notified of the event both before and after the game. A small paragraph on the results appeared in the late mail section of the Sunday Mail.

#### **September - Lacrosse SA Presentation night**

Information was sent to all media contacts regarding this event and the major medal winners. It was a busy time in sport, and we managed to secure an article in the Advertiser which showcased some of the highlights of the night.

#### **September - Juniors**

## 2004 Annual Report

An article appeared in the Messenger regarding the success of Brighton Lacrosse Club in winning all Junior Premierships

### **September - Senior Men's Finals**

We obtained significant press for the final series games with weekly articles appearing in "Six Pack" in the Sunday Mail. There was also an article and photo in the Advertiser Friday September 16<sup>th</sup> as a lead up to the men's grand final.

This level of coverage involves significant work behind the scenes, as match reports need to be emailed and telephone contact made. I thank John McKay from Brighton for his assistance in writing the match reports and ensuring that they were emailed on time immediately after the game.

### **September - Secondary Schools Lightning Carnival**

A photo and article appeared in the Messenger after this event. Trish Adams assisted with the press in this instance.

### **October - Australian Lacrosse League**

We supported the ALL Media Officer Jason Marochi to achieve some great results, alerting him to media contacts that he didn't have and assisting him with **Stop Press** updates and information on players.

The games and results were mentioned on 5AA on Friday and Saturday.

The results were aired in the ABC on Saturday and Sunday – with a film clip on the Sunday night. It looked very impressive on the screen!

An article appeared in the Advertiser on Saturday morning and a photo in six pack on Sunday.

An article and photo appeared in the Advertiser on the following Monday.

### **General Interest Stories**

#### **Jen Adams**

A story on Jen and her career to date appeared with a photograph in January in both the advertiser and the Messenger.

#### **McLeod's Daughters Feature**

The Messenger has picked up on some information contained in a **Stop Press** email regarding the McLeod girls. They are conducted a photo shoot and an article appeared in the Messenger.

### **Conclusion**

Many thanks to Helen Lewis for her timely backup with articles and information for the media.

We have made a great start to getting more exposure for the game - there are lots more stories out there!! I encourage all clubs and individuals to keep an eye out for newsworthy events or wonderful achievements and drop me a line.

I consistently barrage the media with a range of information. I can only send them what I have provided to me.

Let's aim for bigger and better in 2005!

**Vicki Nielsen, Director of Promotions**
