the outstanding team in the C Section, playing excel-
lent Lacrosse in every match. The stick work of this team was an object lesson to the others in the
Section, and proved once more what an advantage a side with clever stick work possesses in premiership
games. Having won the Spooner Cup on two previous occasions, Caulfield now permanently possess
the Cup.

We are pleased to once again report the success of Melbourne High School, who this season carried
off the D Section premiership. Amongst the players in this young team are some boys who should go
far in the game, their form in the final match being most impressive.

The E Section was also won by Y.M.C.A., and, like their B team, this side showed great tenacity
and determination, particularly in the finals, when they, on two occasions, defeated the powerful William-
town team, which, until then, had not met with a reverse. Y.M.C.A. deserve great credit for their
meritorious feat.
