President's Message

It gives me great pleasure to present the 1985 Australian Team and Officials.

Enclosed in this Handbook, for the information of one and all, are the details of each member of the 1985 Australian Team, including the Team Manageress — Beris Johnson and Coach — Noel Smith.

The Australian Women's Lacrosse Council congratulates each of these players upon their selection and wish them every success.

The Team is to play a Five Test Series against Great Britain beginning in Melbourne, and followed by Tests in Hobart, Adelaide and finally two Tests in Perth.

The Australian Women's Lacrosse Council also welcomes to Australia the Touring Party from Great Britain and hope that they not only find the competition intense and of the highest standard, but also that the hospitality extended toward them to be the warmest as well as the friendships to be found life-long.
