NOTE:

At a special meeting Friday evening June 29th the V.L.A. suspended the Adult Deaf & Dumb Club for two Saturdays (June 30th and July 7th) for reasons as set out in report. See also News Cuttings. Page 47 this book.

NOTE:

With reference to Williamstown v. Coburg on Thurs. Aug. 16th 1928 at Coburg match, the Committee declared the match was stopped by the Referee - Mr. Hyatt at 3/4 time owing to rough play and disabled one of Williamstown team. Special Investigation Committee suspended G. Savers (Williamstown) until the 30th June 1929 (meeting Aug. 10th 28)

(Cont'd)

and at a further meeting on Thurs. Aug. 16th 1928 the Committee declared NO GAME but that it should be replayed in the event of such game affecting the Premier ship

NOTES ON THE GAMES.

By Iroquois.

M.C.C.'s SECOND DEFEAT.

M.C.C.'s defeat by Brighton (11 goals to 9) was an unexpected result. Brighton has shown great improvement in team work this season, and it was believed that if this improvement were maintained, with regular attention to practice, the team would not be far behind when the averages were made up. But that the eastern layabouts were equal to lowering the colours of Melbourne at the present stage was not conceded. M.C.C. was undoubtedly handicapped by the absence of Toller and Taylor in the first quarter, and on the back line, and evidently had not sufficient pressure to overcome these defections. S. Wilson was in good form in the net, and spent many efforts to score. There was little difference in the teams' efforts, and none in the results, up to three-quarter time. Before the teams changed ends for the final struggle the scores were level, 6 goals each. In the last quarter Brighton assumed aggressive tactics, and had a succession of successful shots before M.C.C. could get past the vigilant Wilson. Henry, Leigh, Courtney, and P. and S. Wilson all played with brilliancy. M.C.C.'s best players were (1) goals, Hands (2), and Lawson. Mr. Spooner was the referee.

Malvern, which is now in a strong position, with a lead of two matches, at the head of the premiership list, had an easy victory over Williamstown. Malvern was again well served by its young forwards, and Henry was also in good form. In addition, the back line was well up to its strength, particularly in goalkeeping. The final ball Malvern had 17 goals to Williamstown's 2. Edwards (6 goals), W. Harrison (4), H. Bentley (3), Knowles (2), Hickey (2), with Ellis, Unkelstein, and Healy (who threw a goal), were all conspicuously good. Webb met with an injury to his knee before half time, and had to retire from the game, taking Head (the Williamstown forward) off with him. Head played well for the home team, and scored two goals. Jenkins, Jones, and Claffin were the other best players. Mr. Flood was the referee.

The mainly state of the Blackburn Park ground made goal keeping impossible in the match. Adult Deaf and Dumb v. University. The students were two men short, and did not have many chances for scoring. They netted three goals, while Deaf and Dumb compiled 12. Henry headed the home team's list of goals with seven successful shots. Ashby netted two, Pudby, Dorman, and Jamieson one each. Nelson (two goals) and Humble scored for University, and McCarr and L. Macdonald played well. Mr. Lewis was the referee.

Camberwell, with the advantage of an odd man up to half time, was too strong for Coburg, netting 15 goals to 2. Coburg failed to score before half time, but when the sides changed, played better. A Camberwell man playing at substitute, played better. Auld (transferred from Williamstown) made his first appearance with Coburg, well, and with Dutton, Smith, Grant, May, and McCarr, all rendered good service. Coburg's best players were G. and H. Marshall, and Thompson. Mr. Robertson was the referee.

Caulfield, on its own ground, was too good for Hawthorn, and had the large tally of 20 goals to 4 at the final bell. Hawthorn was weakened by the absence of Hickey, Worcester, and P. and S. Harrison, and (excepting in the first quarter, when the game was fairly even) was outplayed. Henry's good goalkeeping was not enough. Paddy O'Connell, defender, and Murrewood's back play were also excellent. Bruce (4) promoted it section players acquitted himself well. In Kershaw's defence, Trainer was conspicuously good. The winners' goals were contributed by Pollard (3), C. Kershaw (2), Taylor (2), G. and H. Marshall, and Dorman. Hawthorn's best players were Kershaw, Dorman, Ferguson, 2. Latham, Barra, and Green. Mr. Gibson was the referee.

In the Junior A section Camberwell gave Malvern its first defeat for the season (10 goals to 7). Deaf and Dumb defeated Caulfield (10 goals to 3), and Melbourne defeated Williamstown (10 goals to 3), and Melbourne High School Old Boys (10 goals to 2) against Ararat.

After a practice match on June 4, the selectors chose the following to represent Victoria in the interstate matches in Sydney—Deaf (goal), Auld, Goss, Hickey, (goal and pass), Unkelstein (third man), McCarr, and W. Harrison. Defence—Pollard, Edwards (centre), Reed and D. Marshall (halfbacks), Douglas (third home), Wilson (second home), Kershaw (first home), Brown, Spence, and Dorman.

A Camberwell team made a weekend trip to Ballarat and played a match against a local team on Monday (Knox). Camberwell won by 15 goals to 5 goals. Caulfield—Caulfield v. Deaf and Dumb (10 goals to 3). Deaf and Dumb (10 goals to 3). Deaf and Dumb (10 goals to 3). Deaf and Dumb (10 goals to 3).

ADELAIDE MATCHES.

Strung in the first team in West, Torrens was too good for it on June 2, netting 11 goals to 4. Up to half-time West Torrens had most of the play, though scoring in the two first quarters was even. In the third quarter the ultimate winners gave a very fine display of lacrosse. Tamlin was conspicuous in forward play, netting three goals. In the final quarter Tamlin was outplayed. The winners' best players were Tamlin, Thickett, Edge, Thomas, and Jones. Tamlin's best were A. Martin, Brown, and Kershaw. The goalkeepers for West Torrens were Tamlin (10), Thomas (10), and Thickett (2).

Goodwood netted 15 goals to 2 against Port Adelaide. Goodwood ran away with the game from the commencement, having goals to 11 at quarter time, and ran out easy winners. W. Phillips, Ralph, Bennett, Grandy, and McKenzie distinguished themselves for the winners. Port Adelaide's best players were Glover, Kild, Morgan, Spencer, Sullivan, and Martin. The goalkeepers were—Goodwood—W. Phillips, Cocke, Ralston, Thorne, and Kershaw (2 goals each). Port Adelaide—Kild (2) and Morgan.

In B grade West defeated West Torrens (22 goals to 2). Deaf and Dumb defeated Port Adelaide (11 goals to 2). East Torrens defeated Goodwood (11 goals to 2).

North Adelaide played a match at Merry Bridge on Saturday and defeated the bridge team by 15 goals to 5.

Premiership Matches.

Caulfield defeated Adult Deaf and Dumb at Caulfield Cricket-ground by 15 goals to 11 after a fast, close, and interesting game. The match ended with some even play, in which attacks and defence wings of both teams were much engaged for a short time. Caulfield proved an attack home and C. Kershaw scored. Deaf and Dumb's attack was quickly repulsed. L. Kershaw scored twice in a few minutes before Deaf and Dumb showed signs of improvement. Deaf and Dumb's attack was quickly repulsed. L. Kershaw scored twice in a few minutes before Deaf and Dumb showed signs of improvement. Deaf and Dumb's attack was quickly repulsed. L. Kershaw scored twice in a few minutes before Deaf and Dumb showed signs of improvement.

Williamstown, on its home ground, defeated Brighton by 9 goals to 0. Up to half-time Brighton had the majority of the play as the home team, and had a lead of 5 goals to 4 at the interval. Just before half-time an injury to Claffin, who was goalkeeping, caused Williamstown to turn to good account. The western layabouts netted 4 goals to nil in the third quarter. In the final quarter the scoring was even—1 goal each, Jenkins (4 goals), and Phillips and Sayre, scored for the winning team. Brighton's goalkeepers were E. Wilson (2), Johnson, Holdsworth, and Hainbow. Brighton threw 11 goals to 4 against University. Webster (6 goals), Auld (3), Chambers, and Grant, scored for Camberwell, and Davis (2), Nelson, and Grant for the students. Mr. Halmer was the referee.

M.C.C., without the services of Toller, who was again an absentee through illness, was too strong for Coburg, winning with 10 goals to 5. Hands for the winning goal, throwing ball with 5 goals, Towler and Wilson netted 2 each, Reilly, Douglas, and Diggle 1 each. Coburg's goals were scored by Pearce (2), Playd (2), C. Marshall, and Jeffrey. Mr. Spooner was the referee.

General regret was expressed at the unfortunate accident to Claffin, who was selected as third home in the interstate team to go to Sydney, was goalkeeping for Williamstown when he collided heavily with a player of his own team, and was so severely injured that he had to be taken to the Williamstown Hospital. His injuries, however, proved to be not so serious as was at first thought, and he will go to Sydney.

On Monday evening, the interstate team met at the M.C.C. ground, and elected Vincent Healy manager and captain of the team.

NOTES ON THE GAMES.

By Iroquois.

Caulfield was extended to its utmost to win the match against Adult Deaf and Dumb at the Caulfield Cricket-ground, and it was only by a supreme effort in the final quarter that victory was achieved by a bare goal—12 to 11. Trunlor netted 4 goals; C. Kershaw 3, L. Kershaw 2, Pollard 2, and Hickey 1. Deaf and Dumb goalkeepers were Ashby (2), Pudby (2), Henry (2), and Gorman. Mr. Flood was the referee.

A surprising result of the match at St. James's Park, Hawthorn was the drawn game, Hawthorn v. Malvern (5 goals each). A remarkable feature of the game was that Malvern was saved defeat by two of its defence players (Healy and Unkelstein), who, when the forwards failed, came through and netted. This is the first check that the run-up of last season have had in the game, and Hawthorn is proud of its achievement. Malvern is still a game and a half ahead in the premiership list, and other teams are encouraged in the attempt to reduce the gap. Albion (2 goals), Ferguson, Malbuit, and Kirkwood scored for Hawthorn, and Healy (2 goals), Edwards, Hickey, and Unkelstein for Malvern. Mr. Lewis was the referee.

Williamstown, on its home ground, defeated Brighton by 9 goals to 0. Up to half-time Brighton had the majority of the play as the home team, and had a lead of 5 goals to 4 at the interval. Just before half-time an injury to Claffin, who was goalkeeping, caused Williamstown to turn to good account. The western layabouts netted 4 goals to nil in the third quarter. In the final quarter the scoring was even—1 goal each, Jenkins (4 goals), and Phillips and Sayre, scored for the winning team. Brighton's goalkeepers were E. Wilson (2), Johnson, Holdsworth, and Hainbow. Brighton threw 11 goals to 4 against University. Webster (6 goals), Auld (3), Chambers, and Grant, scored for Camberwell, and Davis (2), Nelson, and Grant for the students. Mr. Halmer was the referee.

M.C.C., without the services of Toller, who was again an absentee through illness, was too strong for Coburg, winning with 10 goals to 5. Hands for the winning goal, throwing ball with 5 goals, Towler and Wilson netted 2 each, Reilly, Douglas, and Diggle 1 each. Coburg's goals were scored by Pearce (2), Playd (2), C. Marshall, and Jeffrey. Mr. Spooner was the referee.

General regret was expressed at the unfortunate accident to Claffin, who was selected as third home in the interstate team to go to Sydney, was goalkeeping for Williamstown when he collided heavily with a player of his own team, and was so severely injured that he had to be taken to the Williamstown Hospital. His injuries, however, proved to be not so serious as was at first thought, and he will go to Sydney.

SYDNEY NOTES.

A field day was held in the Domain on Saturday, in conjunction with the final interstate practice game. The practice match result was—No. 1 team, 7 goals; No. 2 team, 3 goals; Hamilton (2 goals), Hickey (2), W. Heine, McChie, and Graham scored for No. 1 team, and Cherrill for No. 2.

A match between the grade teams ended in a win for the Reds by 3 goals to nil. The teams' race was won by Richmond, mainly running second, and Eastern Suburbs. The 100 yards championship was won by H. Harris (Richmond), with T. Harris (Richmond) second, and T.atham (Richmond) third. H. Whiter (Richmond) was the longest distance thrower.

Interstate matches, in which Victoria, New South Wales, and Queensland will take part, will be played at Sydney on Wednesday afternoon. The first match, New South Wales v. Queensland, will commence at half-past 1 p.m., to be followed, at 2 p.m., by the engagement of the Victorian against the New South Wales team. On Monday, June 18, Victoria will play Queensland. The interstate teams will be given a trip to Bull Pass on Sunday. A theatre party has been arranged for Monday evening, and Tuesday afternoon will be a trip to Taronga Park. A match, Victoria v. a second New South Wales team has been arranged for Wednesday, June 20.

ADELAIDE MATCHES.

North Adelaide defeated Goodwood (10 goals to 3). Suberland and Flavel each scored 6 goals for the winners, and Waddy, Hyde, Suberland, and Flavel were their best players. Goodwood's best were Brauner, McKenzie, Grindy, and Phillips. Brauner netted 3 goals, Kinnear, and Phillips 1 each.

Port Adelaide defeated East Torrens (7 goals to 4). Port's goalkeepers were Kild (2), Nelson, (2), Morgan and Coo. Turner, Martin, Spencer, Suberland, Kild, and Cannon all played well. For East Torrens, Pearce, Tillman, Clarke, Campbell, and West were the best, and the goalkeepers were Pearce (2), Thomson, and West.

Sturt threw 8 goals (Hill 6 and McCormack 2) to University's 3 (Dunk 2, Lawrence, Muckey, and Davie). The winners were best served by Kestell, Hill, Hoken, Martin, Dunlop, and Thomas. University's best were Davie, Watson, Rollison, Dawkins, and Muckey.

West Torrens visited Murray Bridge, and defeated the home team by 10 goals to 7. Thomas (2 goals), Perkins (2), Wilson, Bath, and Tamlin netted for West Torrens, and Holt (2), Sharratt (2), Wolbecht (2), and Jauch for Murray Bridge.

LACROSSE.

Malvern Defeated.

Malvern suffered its first defeat this season, going down to Adult Deaf and Dumb (11 goals to 10) on the Malvern Cricket-ground. The visitors took control in the first quarter, netting four goals (Ashby and Pudby two each) to nil. Malvern's best were general, but they were poor efforts. From the first quarter, in the second quarter Glenn scored Malvern's first goal. An unpleasant and regrettable incident then occurred. J. Hebble, who had announced his intention to act as third man for Malvern, but had not been very conspicuous in the first quarter, came into the centre of the ground after Glenn's goal, and was immediately mugged by some of Deaf and Dumb's supporters, who threw him to the ground. After a general melee, in which the players showed commendable restraint, the referee called a time-out. From the field, and the referee again got control of the game, which thereafter was clean, fair, and at times brilliant. At half-time Deaf and Dumb still had a lead of four goals (seven to three). In the third quarter the scores were five goals to three in Malvern's favour. The last quarter provided a stirring finish. Deaf and Dumb's lead of two goals was reduced to one by H. Hebble. But Pudby, who had the advantage, and the visitors resorted to the expedient of retaining possession with fine play. Malvern brought all its strength into the play, but could only get within a goal of the visiting team's score before the whistle blew. The goalkeepers were—Deaf and Dumb—Ashby (2), Pudby (2), and H. Hebble (2). Malvern—Hickey (2), W. Harrison (2), G. Ward, H. Hebble, and D. Harrison. Mr. Lewis was the referee.

Caulfield and Williamstown played a drawn game—eight goals each—at the Garfield Reserve, Williamstown. Caulfield acted as goalkeeper in place of Henry, who filled that position for the interstate team. Williamstown's best players were Chambers, Deacon, Jones, Dixon, and Jenkins. The goalkeepers were—Caulfield—Murrewood (2), H. Goss (2), C. Kershaw v. Williamstown, and Pollard v. Williamstown—Jenkins (3), Dixon (2), Hickey (2), and Jones (2). Mr. Halmer was the referee.

M.C.C. defeated University (15 goals to seven), each side being weak. The students made a good commencement, netting three goals before M.C.C. settled down to team play. The visitors attacked strongly, and won down the stadium defence by good forward play and accurate ball. A very good first quarter ended with the scores level—three goals each. In the second quarter M.C.C.'s good combination and strength in attack prevailed, and four goals were added, while University netted only one. In the third quarter both teams gave a fine display of lacrosse, and the game was more even. M.C.C. scored three goals, while University scored two. In the final quarter M.C.C.'s superior tactics again gave the team a strong advantage. The winners' best players were Fremantle, Robinson, and Clements. University's best were Kurl, Nelson, Jarrett, and Jacobs. The goalkeepers were—M.C.C.—McCarr, Freeman (4), Toller (2), Davis (2), Jarrett (2), Hands, and Clements. University—Davis (3), Jarrett, Seales, Nelson, and Grant. Mr. Hall was the referee.

Camberwell is keeping up its improved form. On the Canterbury Cricket-ground the team defeated Hawthorn by 11 goals to five. Camberwell had much the best of the game in the first three quarters, netting four goals to one in the opening quarter, three to one in the second, and three to one in the third quarter. In the final term Hawthorn scored two goals to Camberwell's one. May, McCook, Goss, Smith, Grant, and Hainbow all played well for Camberwell. Hawthorn's best were Green, Wool, Kirkwood, Dibbon, Kishin, and Burns. The goalkeepers were—Camberwell—May (4), Chambers (2), Smith, Marshall, Berthon, Dickman, and Auld. Hawthorn—Kishin (2), Burns, and Auld. Hawthorn's best players were Green, Wool, Kirkwood, Dibbon, Kishin, and Burns. The goalkeepers were—Camberwell—May (4), Chambers (2), Smith, Marshall, Berthon, Dickman, and Auld. Hawthorn—Kishin (2), Burns, and Auld.

Richmond defeated Coburg by 14 goals to three. In the 10 minutes' play was unexciting. The ball travelling up and down the ground. Johnson scored from a richman attack and shot goal. There was no danger for the Coburg goalkeeper (M. Thompson), who got the full force of it on his eye and had to retire. This took the richman goalkeeper (S. Wilson) out of the game. The first quarter's scores were two goals to one in Richmond's favour, and after two minutes of even play in the second quarter Brighton led at the half-time interval by eight goals to two. The third quarter was very even, with defending well. Brighton netted the only goal. In the final quarter the baylards added two goals to one, while Malvern made his appearance in the Brighton team after two years' absence, and with Johnson, Swan, and Malbuit, and with Malbuit and Johnson. The goalkeepers were—Coburg—Miller, Flavel, and Jeffrey. Mr. Hutton was the referee.

Melbourne High School Old Boys defeated North Fitzroy (three goals to two). It was a very even game. There was only one goal scored in the first half. Melbourne's best players were Old Boys netting in the second quarter. Albert, Clark, and Kishin scored for North Fitzroy. The goalkeepers were—Melbourne—Clark, Kishin, and Albert. North Fitzroy—Clark, Kishin, and Albert.

Williamstown defeated Malvern (seven goals to nil). Malvern was weakened by the absence of Hill and Goldsmith, who played for the senior team. Fowler scored three goals. Malvern's goals were thrown by H. Hebble, H. Hebble, and H. Hebble. The goalkeepers were—Williamstown—Clark, Kishin, and Albert. Malvern—H. Hebble, H. Hebble, and H. Hebble.

B, C, and D Sections.

The results in the junior sections were as follows: B Section—Traralgon v. Brighton (9 goals to 4). Malvern v. North Fitzroy (10 goals to 3). Melbourne High School Old Boys v. Coburg (10 goals to 2). Camberwell v. North Fitzroy (10 goals to 2). Camberwell v. North Fitzroy (10 goals to 2).

ROW AT LACROSSE MATCH

Adult Deaf Men Object To Acting Captain

MALVERN with a weak team, received its first defeat of the lacrosse season from Adult Deaf on Saturday. Healy Unkenstein, and Edwards were in Sydney with the interstate team, and Watt was unable to play.

At the interval Malvern was well behind, but the second half produced easily the finest lacrosse of the season. Malvern fought with determination.

Only a goal separated the teams a few minutes before time. Adult Deaf proved steady and clever in the final stages, and deserved the victory. Praise is due to Malvern for its great uplight.

The game was marred by an incident in the second quarter. Jack Beattie, in the absence of Malvern captain in Sydney, acted as field captain. Some of the Adult Deaf did not agree with his presence on the field, and went on to the ground to force his removal. In the excitement one Adult Deaf player lost his temper and, as a result, was sent to face the Investigation Committee. The referee is understood to have reported him.

The Adult Deaf supporters were in the wrong as Beattie was entitled to act as captain, although he was not playing.

Veteran Plays Well

M.C.C. was without Lampard, Reid, Wilson, Douglas and Wright. As a result, Bert Clements, the old interstate player, was pressed into service and was one of the finest players against University. M.C.C. won.

Brighton had an interesting game against Coburg. Thornton, the Coburg keeper, received a knock in the eye from the ball and was absent from the field most of the game. This resulted in Syd Wilson, Brighton's keeper, having to play with him. A welcome respite for Brighton was Calverton, who a few years ago was the finest player for the seagulls.

Hawthorn was weak, Worcester and Ferguson being absent. Camberwell won easily. May (Camberwell) got four goals.

Ended in Tie

Caulfield and Williamstown finished with honors even after a great game. The juniors on each side filled the vacancies with credit. For Caulfield, Geo. Brown, a keeper of pre-war days, took Dendy's place and did some fine work.

It was a day of surprises in D section. Box Hill fell to Malvern. Up to Saturday Box Hill had an unbeaten record. In O section, Essendon indicated on Y.M.C.A. its first defeat of the season. Results:—In Sydney—Victoria 11 goals, d. N.S.W. 5 goals.

A Section—Williamstown 8 goals, drew with Caulfield 8; Adult Deaf 11, d. Malvern 10; Camberwell 11, d. Hawthorn 5; Brighton 14, d. Coburg 3; M.C.C. 12, d. University 7.

Junior A Section—Camberwell 10, d. Essendon 5; Melb. H.S.O. Boys 3, d. North Fitzroy 2; Williamstown 7, d. Malvern 6; Caulfield 10, d. Artillery 8.

B Section—Camberwell 16, d. Caulfield 12; M.H.S.O. Boys 13, d. Coburg 2; Hawthorn 14, d. University 7; Malvern 10, d. Box Hill 5; Ivanhoe 9, d. Brighton 4.

O Section—Box Hill 12, d. Middle Park 2; Coburg 2, d. M.H.S.O. Boys 4; Essendon 12, d. Y.M.C.A. 10; North Fitzroy 10, d. 1 Section—Williamstown 27, d. Y.M.C.A. 2; Hawthorn 17, d. Coburg 2; University 25, d. Caulfield 2; Camberwell 18, d. Malvern 12.

D 1 Section—Y.M.C.A. 24, d. S.M. Tech. S. 5; Sub. Melbourne Presby. 14, d. Hawthorn 4; Legacy 24, d. Bendigo 3; Williamstown 17, d. Glen Iris 0.

Victoria Defeats N.S.W.

SYDNEY, Sunday.—Playing with excellent combination, particularly in defence, the Vic. lacrosse team defeated N.S.W. yesterday, 11 to 5. The visitors were much superior.

The goal-thrivers for Victoria were: Marshall (3) R. Reid (3), Wilson (2) Claringbould, Douglas and Edwards. Outstanding players were J. Wilson, C. Douglas, J. Reid and Understella.

The second N.S.W. team was defeated by Queensland 13 to 4.

TWO MEN SENT OFF THE GROUND

Victoria Beats Queensland At Lacrosse

SYDNEY, Monday.—Overstrenuous checking resulted in Marshall (Vic.) and Farquhar (Qld.) being sent off during the interstate lacrosse match on the Cricket Ground today.

Superior combination and splendid passing on a heavy ground gave Vic. a winning margin of 11 goals, the final scores being 16-4. The goal-thrivers for Vic. were: Reid (5), Wilson (4) and Sawyer, Edwards, and Douglas.

VICTORIA DEFEATS QUEENSLAND.

SYDNEY, Monday.—Combination and speed were the prime factors in the decisive defeat of Queensland lacrosse team by Victoria at Sydney cricket ground today by 13 goals to 4.

The Victorians dominated play from start to finish, and only a few brilliant saves by the goalie (Trotter) they would have increased their score considerably. Of the visitors' 13 goals, Reid was credited with 5, and E. Wilson 4. Sawyer, Edwards and Douglas were the other scorers. Queensland could not stop the repeated onslaughts made from centre. A "spare man" was worked all the while by Victoria, and it was noticeable that a player kept moving up and down the field, either to assist in the attack or defend as the play warranted. The loose players played as good as their opponents allowed them, with Hubbard and N. Wilson the shining lights. Queensland scored 3 goals in each half. The marcos were perhaps unfortunate not to have increased their score, but a slushy footpath near the goal mouth, coupled with erratic goal throwing, ruined their hopes. Having beaten the New South Wales team and Queensland, Victoria do not look like losing this year's triangular rubber.

N.S.W. LACROSSE AT LOW EBB

VISITORS ARE MASTERS OF THE GAME

VIC. IS STRONG

THAT N.S.W. lacrosse is at a low ebb, was fully demonstrated by the overwhelming defeats inflicted by the Victorian and Queensland teams at last Saturday's interstate carnival.

Teamwork of the Victorians was a treat to watch and playing the "free man" was applied in expert manner. Every time the southerners had possession of the ball they took full advantage, and if the goal mouth was crowded the wing men created openings.

Their stickwork was clean, and the catching flawless. The home centre, Hamilton, was weak. His vis-a-vis frequently eluded him and made openings for scoring movements.

Final rally by N.S.W. in the last quarter, in which both teams scored three goals, was the brightest patch of

the game. Helme, in the attack, and Woods and Oliver, in the defence, were N.S.W.'s best.

Against Queensland, N.S.W. Seconds failed miserably, and in the second half could not penetrate the strong defence. Wilson, Farquhar, and Hubbard scored 11 out of the visitors' 13 goals, to N.S.W. Seconds' four.

Wallace and Maling excelled for the losers, and on their play deserve a place in the senior team for Wednesday's match.

Principal fixture set down for this afternoon's programme is Victoria versus Queensland, on the Cricket Ground No. 2.

NEW SOUTH WALES BEATEN.

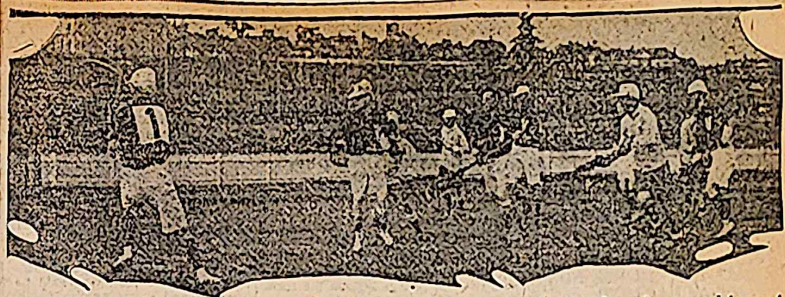

Teams representing New South Wales, Victoria, and Queensland were engaged in the opening matches of the interstate lacrosse carnival, at Sydney Cricket Ground, No. 2, on Saturday.

In the principal match, Victoria, 11 goals (Marshall 5, Reid 3, Wilson 2, Claringbould, Douglas, and Edwards) beat New South Wales, 5 (V. Helme 2, Williams, Tatham, and McBride). The game was fast and interesting in the early stages, with Victoria first to score, and leading 4-2 at half-time. In the second half the visitors' play surpassed that of the local players.

Queensland, 13 (Hubbard 4, Tealby 4, N. Wilson 2, Ridd, and Deane), had an easy task against New South Wales No. 2 team, for whom Morrow scored three goals, and Maling one. The northern team led throughout.

TO-DAY'S MATCHES.

Victoria will meet Queensland in the principal match at Sydney Cricket Ground, No. 2, at 3.15 p.m. The early game starting at 2 o'clock will be "Red v. Blues."

COULDN'T GET FAST THE GOALIE.—N.S.W. lacrosse team had many attempts to pierce the strong defence of the Victorians at the Sydney Cricket Ground No. 2 on Saturday, but they always bumped a snag in Victoria's goalkeeper. He is seen repulsing a Blue attack on the goal.

LACROSSE THE GAME'S HISTORY

INTERSTATE MATCHES

The games of lacrosse which will engage the attention of Sydney followers during the coming visit of Queensland and Victorian teams to meet New South Wales on Saturday next, and on June 18 and 20, at the Sydney Cricket Ground No. 2, should once again demonstrate the pace, skill, and scientific movements of this old-established winter sport.

Originally played by the "braves" of Indian tribes of Canada with a crose consisting of a forked stick holding a leather-cased ball stuffed with grass or feathers, rival villages would engage in contests decided on long stretches of country, and in many instances these games would continue for several days. The early French settlers in Canada became interested in this native game, which they named "La Crosse."

From early records the French-Canadians played on a field of about the present-day length, 110 yards, using a bent stick with a net attached, in which the ball was caught and transferred up and down the field by the players, the goal being merely marked by two upright poles placed in the ground about six feet apart. In Australia lacrosse was played in Adelaide as far back as 1859, and within a few years clubs were formed in both Melbourne and Sydney. The game did not gain great popularity in Australia until the early part of the present century, when numerous teams sprang up in all the capital cities, and in 1903 the game was strong enough to invite a representative Canadian team to tour Australia.

In the opening game the Australians were beaten, mainly on account of the visitors using a loose, baggy net on their request, in which the ball rested, whereas the local players' crosses were tightly netted after the style of a tennis racket, from which the ball was easily dislodged, and which did not allow the player the same latitude for dodging, feinting and quick handling while retaining the ball in the racket. The Australians, however, won two of the later games after having adopted the visitors' loose racket play.

GAME BOOMS

This visit gave the game a great boom, and all the States took it up in earnest, resulting in the first All-Australian carnival being held in Adelaide in 1910, the various teams competing for the Garland-McClurg Cup, presented by Mr. Garland, a Canadian, and Mr. McClurg, both residents of Melbourne. South Australia won the honors at this meeting, but in 1912, Melbourne, the Victorians were successful.

When the carnival games were resumed after the war, in 1920, in Sydney, South Australia narrowly won the final from Victoria by 6 goals to 3, and in Brisbane, in 1923 by 4 goals to 2. They once more defeated the Victorians in the final. At the last carnival, held in Adelaide, the South Australians were again on top, beating Victoria by 12 goals to 7.

The next carnival series will be decided in Perth in 1929. In addition to the all-Australian, regular interstate games are held between the neighboring States. Lacrosse is played extensively in northern England, Manchester being the chief centre, and also at both Oxford and Cambridge Universities. In the inter-collegiate sports competition, and both the U.S.A. Naval and Military Academies held teams. The Syracuse University team, one of the leading teams of the U.S.A. on its last tour of England, played the U.S.A. both Oxford and Cambridge, games against both Oxford and Cambridge, North and South of England, and five of the leading colleges.

LACROSSE TEAMS BEATEN

Home State's Bad Day

The State lacrosse players met with two reverses on Saturday, the second side going down to Queensland by 13 to 4, and the first team to Victoria by 11 to 5.

Queensland outplayed the local side, and their stick-work was far superior. In the first team's match the Victorians had things pretty well their own way until near the end, when the home side made a good effort. They were, however, too far behind to have any chance of winning, the visitors being too clever and speedy for them.

Referee Faints

The games were often held up, owing to casualties, and on one occasion the referee fainted and caused a stoppage.

Scorers were:—Marshall 3, Douglas and Wilson each 2, Claringbould, Reid, and Edwards, for Victoria; and M'Phee and Tatham each 2, and Helme, for New South Wales.

In the early match Hubbard and Tealby, each 4, Wilson 2, Dean, and Drow, for Queensland, and Morrow (3) and Maling, for New South Wales.

INTERSTATE LACROSSE

VICTORIA BEATS NEW SOUTH WALES.

SYDNEY, Wednesday.—The interstate lacrosse carnival concluded today. Victoria easily beat New South Wales No. 2 team by 11 to 2. The Victorians were far too strong for the local men. Reid, Farquhar, Marshall, J. Reid and Denby all scored for the visitors.

END OF THE FIRST ROUND.

The first round of home-and-home matches was concluded on Saturday, and a review of the positions of the teams on the premiership list shows a very interesting situation in all sections. This season it is more difficult to forecast the composition of the final four.

In the Senior A section Malvern, with one lost game and a draw, is at the head of the list, with M.C.C. (two points less, lost). Then come Williamstown (26 points), Caulfield and Brighton (27 points each), Camberwell (28 points), and Deaf and Dumb (15 points). Hawthorn has no far gained only 10 points, Colong 4, and University has not won a match.

In Junior A section Melbourne High School Old Boys by defeating Camberwell last Saturday gained the leading position with 22 points. Camberwell and Malvern are equal (25 points). Caulfield and Tasmanian each has scored 20 points. North Fitzroy has 15 points to its credit, Williamstown 8, and Artillery none.

Malvern is at the head of B section, with 31 points, followed by Frankston (22), Box Hill (20), Colong (10), Camberwell, Caulfield, and Hawthorn (10 points each). Melbourne High School Old Boys have only 12 points, and Brighton and University are at the bottom of the list with 4 points each.

In C section V.M.C.A. is two games ahead of Colong, Frankston, and Middle Park. Then follow Box Hill (4 points), North Fitzroy and Melbourne High School Old Boys (6 points each).

The four leading teams in the first division of D section are Williamstown, Hawthorn, Camberwell, and Malvern, and in the second division South Melbourne Presbyterian, V.M.C.A., Williamstown, and Leary Club.

At the monthly meeting of the Victorian Lacrosse Association it was decided that the qualification to participate in the semi-final and final matches this season shall be that the players have engaged in at least six of the home-and-home matches, with the proviso that if a player can give a reasonable excuse for his failure to fulfil this requirement he may be permitted to play.

An important alteration was made in the rules governing the playing of a grand final. This year

if the challengers fail to win outright and the match ends, as it has done, in a draw, the premiership is to be awarded to the team which won the final. This is a sensible decision. In past seasons the team with the right to challenge has had two chances to prove its superiority, and the season has been unnecessarily prolonged.

Caulfield tried hard to lower Malvern's colours, and, with Ellis absent for the first quarter, had

This is a serious loss to M.C.C. In addition, Henry Wright is absent wintering at Cairns, Queensland, and the services of Roy Fremantle, Langford, E. Turnbull, and Wright are not available. Realising that in the circumstances offensive play was good tactics, the Melbourne team attacked strongly in each quarter and kept the Hawthorn back line busy. The result was a win for M.C.C. by nine goals to seven. Totton, Ro-

an excellent chance to use the old man and gain an early advantage. At quarter-time the scores were two goals to one in Caulfield's favour, but for the next two quarters all the efforts of the team were futile. At the beginning of the final quarter Malvern had seven goals to two. Then Caulfield, with better contribution, made a good recovery, netting four times after Malvern had completed its tally of eight goals. It was a good fight to a fine game. Dentry's goal keeping was an outstanding feature. Pollard, G. Newman, and Taitler were the other conspicuously good players on the losing side. For Malvern Ellis, Realy, Brierley, and Harrison played well. Mr. Palmer was the referee.

M.C.C. had to ask permission of the Hawthorn captain to play two substitutes to make up the team in the match on the Albert Cricket ground. A. McIndoe's injury will probably keep him out of the game for the remainder of the season.

son, Hands, and Reid battled hard and well for M.C.C. Hawthorn's best were Kirkwood, Green, Wood, Ferguson, Lilburn, and Dikhan. Mr. Spooner was the referee.

Williamstown, by defeating Deaf and Dumb (12 goals to 0), gained third place on the list. Carlingford (5 goals), Seabrook, Jones, Drayton, and Seaton were the best players for the losers. Deaf and Dumb's best were O'Brien, Danahy, Anderson, and Edwards. Mr. Floss was the referee.

The match between Camberwell and Brighton was a struggle for good position on the premiership list, and a goal game was anticipated. This was not realised, for the stick work of both teams was poor, and the match was one-sided in forward play. Brighton dominated the game in the attack and winning by 6 goals to 1. The scores very fairly indicate the merits of the teams. In defence Camberwell showed better form. The

goal keeper (McCallum) especially was in fine form, stopping many hot shots. Smith and Herbert were other conspicuously good players. For Brighton, Leach, Gouley, Johnson, Callister, Swab, Le, and N. Wilson, and Jack all played well. Mr. Gibb was the referee.

SYDNEY MATCHES.

The premiership matches, which were interrupted by the interstate games, were resumed on Saturday, June 2.

Eastern Suburbs maintained its undefeated record, gaining the victory over Dulwich Hill by 12 goals to 2. The game was fast, and Eastern Suburbs dominated the play with persistent and well-maintained attacks. The winners' goals were thrown by Sharrett (4), Butler (2), Tunstall (2), Fletcher (2), and Tatham. Blackburn (2) and McGhee scored for Dulwich Hill.

Mosman had an easy win against Petersham (12 goals to 2). Petersham was weakened by the absence of Graham and Emerson owing to injuries. Mosman set a fast pace, and maintained it. The goal throwers for the winners were Harrison (4), Warr (4), Dineen (4), Vining (2), and Hardiman. For Petersham, Limburg scored 2 goals, Simpson, Carruthers, and V. Hume 1 each.

In B grade, Balmain defeated Eastern Suburbs (7 goals to nil).

MATCHES IN ADELAIDE.

Port Adelaide played a drawn game (7 goals each) against West Torrens. The game was very even, and after the first quarter the pace was fast. At half-time West Torrens had a lead with 5 goals to 4, and as each side netted once in the third quarter, maintained the advantage till the final change of ends. When the scores were 6 all there was an exciting contest for the winning goal, but the fallow were again level at the final bell. Thomas (3 goals), Tinkles, and Taitler scored for West Torrens. Port Adelaide's goal-throwers were Turner (2), Nicholson (2), Reid, Glover, and Morgan.

Sturt defeated East Torrens (9 goals to 6). East Torrens was weakened by the absence of Thompson (injured on the previous Saturday). E. Smith made a reputation for Sturt. The win-

ners had a lead of 4 goals to 1 at quarter-time, but East Torrens made a good recovery, and the scores were 6 goals to 4 in Sturt's favour at half-time. Kestel, Stubbs, Bell, Grange, A. Martin, Daniels, and Hosken played well for Sturt. The losers' best were Thiemann, Campbell, West, Pearce, Hall, and Davis.

North Adelaide scored 17 goals to 2 against University. The winners' goals were thrown by Flavel (7), Sutherland (4), Saintry (4), Lawrence, and Kestel, and the best players were Flavel, Sutherland, Pyke, Peake, and Waddy. Balloun, Cook, Cernish, and Walton were the students' best, and the goal-throwers were Cook (2) and Davis.

In B grade, North Adelaide beat Sturt (23 goals to 2). East Torrens beat West Torrens (22 goals to nil). Adair Deaf beat Port Adelaide (11 goals to 1). Goodwood and University drew (8 goals each).

ADULT DEAF TEAM SUSPENDED

Out of Lacrosse Matches For Two Weeks

SATURDAY GAMES

TUE V.L.A. on Friday night suspended the Adult Deaf club for two Saturdays, because of the actions of the team's supporters at the match against Malvern the previous Saturday week.

One of the finest exhibitions of goal-keeping seen for a long time was that of McCorkhill (Camberwell) in the game against Malvern on Saturday. His stopping was magnificent. Malvern won by two goals. The winners deserved the victory, but will need to do better next Saturday to beat M.C.C. Knowles, Healy, Unkenstein, Harrison, and Ellis were good for Malvern, while Aud McCorkhill, Webster, and Dickinson were prominent for Camberwell.

As a result of the suspension of Adult Deaf, M.C.C. had a day off.

Caulfield Too Strong

Caulfield proved much too strong for Colong, but it was a good game, with many bright patches. Corbett, in his first game for some weeks, got Caulfield's first three goals. Trainer got five goals. Pennefather was back in the Caulfield side, and the defence was consequently strengthened. Jeffrey got both Colong's goals, while Thorne (goalkeeper), Watson, and D. Marshall as the best players.

Williamstown had no difficulty in defeating University, but found the students always playing hard. Williamstown's goals were scored by Sayers (2), Clarinbold (3), Jones (4), Jenkins (2), and Dixon. Sayers scored two for University, while Jarrett got three.

Brighton was in wonderful form, and was far too strong for Hawthorn. Bourlay was out of Brighton side, but Collister and Wilson, in goal, played well. Brighton's chances for the premiership now look bright. Results of Saturday's matches are:

LACROSSE.

Pennant Matches.

Owing to the disqualifications for two Saturdays of the Adult Deaf and Dumb club M.C.C. had a bye in the senior A section. The lacrosse was not up to the standard, the playing at times being despatchy too. Malvern was strengthened by the inclusion of J. Beattie (who made his first appearance this season) and Watt. D. Harrison was absent. M.C.C. was again without the services of Wilson, Freeman, and Lampard, but A. McIndoe reappeared for Melbourne, and although not fully recovered played a fine game. M.C.C. secured from the first half-off and Melbourne made a long pass to Hands which went into the net. Beattie's shot for Malvern was wide of the mark, and Reid cleared well. In his next attempt Beattie scored from a good pass by Knowles, and again from Edwards's good passing. W. Harrison netted third goal from a pass by Bricker. M.C.C. was attacking at the quarter-time bell. Malvern opened the second quarter with a brisk attack and Knowles shot, but G. McIndoe stopped well. Douglas with a pass from Hands netted M.C.C.'s second goal. A shot by Lee, a result from a junior team, was well stopped by Ellis. Healy scored Malvern's fourth goal, and a goal was scored by Beattie in the fifth. Malvern kept up the pressure, and Beattie scored again. Malvern's attack was a pass from behind the net. In attempting to clear the goal-line Jarry slipped and hit the ball into the net. M.C.C. was then led by Reid to two at half-time. M.C.C. secured first in the third quarter, and Hands followed with another goal. Beattie was faster as M.C.C. strove to make up the way. Douglas, from behind the net, passed to Hands, who scored. Then Beattie and Edwards, playing well together, with nice passes each scored. Lee netted for M.C.C. just before the quarter-time bell. The scores then were nine goals to five in Malvern's favour. The Melbourne-Beattie combination also worked well, and the last named scored. With the score eleven goals to five against them, M.C.C. made a splendid rally, and, played in the interval, and dashing up all goals had most of the interval and nearly all the success. Towler led off with a good backhand shot, and Hands followed with another goal. Bricker, dodging, netted Malvern's twelfth goal. Then Douglas, who was a good shot, scored M.C.C.'s defence. It was a good result to a good game played in excellent spirit. The finest play was by Beattie, Edwards, and Bricker. Wells, Watt, Healey, and Glenn. M.C.C. had a very good defence. Hands, Hilda, Reid, Waters, Jarrett, and G. McIndoe. Mr. Leary was the referee.

Brighton netted 22 goals to 2 against University, dominating the game. The forwards were far too good for the students' defence with one notable exception, McCar doing his best valiantly but with little success. At quarter-time Brighton had four goals to one, and at half-time ten goals to four. Leigh scored eight goals for the winners. J. Johnson 2, Malby 4, E. Wilson 3, and Jack 2. Seales and Macdonald netted for University. The fine pace and splendid attacks were the outstanding feature in an otherwise evenly matched contest. In defence Gordon was most conspicuous, and next to him in effectiveness were Callister and Jarrett. St. Wilson, in the net, did not do it well. McCar and Macdonald were the best players for University, and Jarrett was at times conspicuous. Mr. Spooner was the referee. Caulfield's defence was weakened by the absence of Smith and Jones, and McCorkhill, the goalkeeper, with most of the burden of defence on his shoulders, was not up to his usual form in the net. Caulfield led by two goals to one at quarter-time, and at half-time the score was three goals to one. In the second quarter Malvern played on both sides was good in the second quarter. Caulfield scored 2 goals to nil. In the third quarter the play was even, but Malvern did most of the attacking, but at three-quarter time Caulfield led 11 goals to 5. In the final quarter Caulfield finished stronger and played with more system than Malvern. The winners' goals were scored by Colong 2, Corbett 3, Trainer 2, and Beattie 1. Malvern's goals were scored by Harrison 2, Knowles 1, and Watt 1. The referee was Mr. Leary.

Williamstown defeated Hawthorn 15 goals to 21 at St. James's Park, Hawthorn. The game was a close one, with both sides showing a desire to excel in their attacks and put two of the winning players on the sidelines. The Hawthorn side attacked first, and after 10 minutes even play followed. Then, after a return pass from Beattie, evened the score. In the second quarter Williamstown had the best of the game. Smith, leading the defence, was very effective. Beattie scored a goal for Hawthorn. In a very close third quarter only one shot found the net. Beattie scored. Williamstown then had a very good three-quarter time. The final quarter was well played. Williamstown's attack was led by Reid, Hilda, and Danton. Hawthorn's best were Worcester, Peters, Wood, Leary, Ferguson, and Mabbitt. Mr. G. Gibb was the referee.

Junior A Section.

Malvern d. Caulfield 12 goals to 4. It was a good even game, with fine attack and sound defence on both sides. At quarter-time Malvern had 5 goals to 1, and at half-time 4 to 2. The scores were level at three-quarter time. Malvern winning in the final term by netting 2 goals to nil. (Hawthorn 13 goals, Armstrong, Colong, and Waring scored for the winners. Caulfield's goalkeepers were Murrewood (2), Church, and Jarrett.)

North Fitzroy d. Williamstown (10 goals to 4). At the end of an even half the scores were 2 all. North Fitzroy gained the lead in the third quarter and held it to the end. Beattie in goal. A. Hudson, Elker, and Lake were the winners' goalkeepers. For Williamstown Collins, Compton, and Armstrong played well. The goalkeepers were North Fitzroy-Hudson (2), Elker (1), Collins, and Beattie. Williamstown's goals were scored by (2), Church, and Jarrett.)

North Fitzroy d. Hawthorn (11 goals to 4). Beattie (1), Harrison (1), and D. Harrison (1) scored for Hawthorn. North Fitzroy's goals were scored by (2), Kinsler, Price, and Simpson scored for the winners. Kinsler, Price, and Simpson were the winners' goalkeepers. North Fitzroy's goals were scored by (2), Kinsler, Price, and Simpson scored for the winners. Kinsler, Price, and Simpson were the winners' goalkeepers.

Caulfield drew 22 goals to 2 against Artillery. Caulfield's goalkeepers were D. Harrison (2), Seales (3), Jarry (1), Beattie (1), D. Harrison (2), D. Harrison (2), and Jarry (1). Artillery's goals were scored by (2), Kinsler, Price, and Simpson scored for the winners. Kinsler, Price, and Simpson were the winners' goalkeepers.

Premiership Matches.

M.C.C. was defeated for the second time this season by Malvern, but it was a narrow victory—13 goals to 10. The honours at the close of the game were fairly even. The lacrosse was not up to the standard, the playing at times being despatchy too. Malvern was strengthened by the inclusion of J. Beattie (who made his first appearance this season) and Watt. D. North Fitzroy's goals were scored by (2), Kinsler, Price, and Simpson scored for the winners. Kinsler, Price, and Simpson were the winners' goalkeepers.

ADELAIDE MATCHES.

Sturt defeated West Torrens (2 goals to 1). Thickett and Thomas were absent from the West Torrens team, but McGregor reappeared, and gave a fine performance in his old position of goal-keeper. Bell scored a goal for Sturt soon after the beginning of the match, and there was no further score until McCormack netted just before quarter-time. In the second term Tamlin scored for West Torrens. That ended the success in shooting, for the second half was resultless. The winners' best players were Kestel, the Martins, Daniels, and Thomas. For West Torrens, McGregor, Heston, Tamlin, and Jones played well.

A good game between East Torrens and University ended in a win for the first-named by 8 goals to 5. Lance Parsons reappeared for East Torrens, and Murray Thomson, recovered from an injury, was also in the team. The scores at half-time were 6 goals to 2 in favour of East Torrens, who increased the advantage in the third quarter. In the final term the students had more of the play. For the winners, Pearce (6 goals), Hall, and Tillman scored, and for University, Cook, Davis, Muscoe, Rowan, and Lawrence.

Goodwood scored 31 goals to 2 against Port Adelaide, who played a substitute to make up the 12. Goodwood had 8 goals to 1 at half-time. The third quarter was fairly even, when Ports made some alterations of positions, but Goodwood dominated again in the final quarter. Martin (6 goals), W. Phillips (2), Cooke, E. Phillips, and Harter scored for Goodwood, and Martin and Heston for the losers.

LACROSSE.

Pennant Matches.

The most interesting result of Saturday's matches in the senior section was the victory of M.C.C. over Caulfield. This places M.C.C. in the leading four, and as Caulfield has yet to meet Malvern and Williamstown, while M.C.C. is drawn against weaker teams, it is unlikely that there will be any change when the game enters on the semi-final stage.

Junior A, C, and D sections completed the second round of home-and-home matches on Saturday. In Junior A section Melbourne High School Old Boys, Malvern, Camberwell, and Caulfield are the final four, the first-named having the right of challenge. The C section semi-finalists are Y.M.C.A., Essendon, Middle Park, and Coburg. In D section the first division four are Williamstown, Hawthorn, Camberwell, and Malvern, and in the second division South Melbourne, Presbyterian, Williamstown, Y.M.C.A., and Leazes Club.

M.C.C. two points behind Caulfield for fourth place on the preliminary list, took no risks on the Caulfield Cricket-ground. Writson broke his holiday to take his place in the team, and Lampard and H. Freeman also played. M.C.C. won with 20 goals to 5. Caulfield quickly scored, but did not get in again until M.C.C. had netted 4 goals. The score at quarter-time was 4 goals to 2 in M.C.C.'s favour, and at half-time the visitors had 11 goals to 4. The only even display was in the third quarter, when each side netted two goals. In the final term M.C.C. added seven goals to two, being too experienced for the young Caulfield team. Writson, Lampard, G. McInnes, Reid, Douglas, and Hester were the victors. M.C.C. players, Caulfield's best were Munro, Ferns, Henry, Corbet, N. Gibbs, and Trainor. The goal-throver was M.C.C. Lampard (6), Writson (4), Douglas (4), Totton (2), A. McInnes, Freeman, Hester, and Foster; Caulfield—Trainor (4), Pollard (2), and Corbet (2). Mr. Flood was the referee.

Hawthorn and Coburg played a drawn game (4 goals each). Green, Douglas, Darke, J. Lilburn, and Spooner were Hawthorn's absentees. Abbott scored first goal for Hawthorn with the assistance of Wood and Worcester. Marshall, coming through from the back line, recovered for Coburg. Coburg's relief isolated a series of passes to Corbet to H. Watson to Pearce, who placed Coburg in the lead. Coburg kept up the pressure, but Davey's substitute, acting as goalkeeper, stopped well. The quarter-time scores were two goals to one in Coburg's favour. Peters relieved an attack led by Marshall at the beginning of the second quarter, and from this and a good pass by Worcester Kirkwood scored the goal. After some good stopping by the Hawthorn goalkeeper, Flood scored, but by good passing of Lilburn and Worcester, Ferguson netted before half-time, making the score 3 all. In the third quarter Hawthorn completing a chain of passes from Kirkwood through Lilburn and Worcester, gave Hawthorn the advantage (4 goals to 2), and Coburg were led to get on level terms, but failed. In the final quarter Coburg had most of the play. In their desperate efforts to reach their efforts by crowding the goal, Pascoe netted the equalising goal out of a scrimmage a minute before the final bell. D. Marshall, Thornton, and Miller were Coburg's best players. Hawthorn's best were Kirkwood, Davey, Ferguson, Lilburn, Dobbie, and Worcester. Mr. Sullivan was the referee.

Malvern improved its arrears by beating University, scoring 24 goals to 5. University lost the Malvern forwards well in the first quarter, and had only 3 goals to 1 scored against them, but then Malvern dominated the game and led at half-time by 19 goals to 3, and at three-quarter-time by 19 to 3. The winners' best players were Webb, Ellis, Heston, Edwards, and the Harrisons. The students' best were Gamble, Knill, Seaville, and Nelson. The goal-throver was Malvern: W. Harrison (7), D. Harrison (5), Seaville (4), Knowles (2), Edwards, Underhill, Heston, and H. Seaville; University—Jarrett (5), Seaville, Grant, and Davis. Mr. Nathan was the referee.

Brighton had a narrow victory over Adult Deaf and Dumb (7 goals to 6) on the Brighton Grammar School ground. The game was mostly by the rough play of some of the visiting team. At the end of the first quarter the score was even—2 goals each. At half-time Adult Deaf and Dumb had the lead—3 goals to 2. In a hard tussle in the third quarter each side scored once, and the visitors had the advantage of a goal at the final change of ends. In the last quarter Brighton scored two goals to nil. The winners' goals were scored by S. Wilson (6). The winners' goals were scored by S. Wilson (6), and Johnson and S. Wilson; Jack and Seaville were outstandingly good players. For Deaf and Dumb Ashby netted 3 goals, Gorman (2), and McMillan (1); and Dobby, Sutton, Ashby, and McMillan (1) each well. Mr. Spooner was referee.

Williamstown scored 23 goals to 7 against Camberwell, which was worsted by absence. Owing to the sudden illness of the goalkeeper (McCorkell) Camberwell played for the first half with 11 men. Williamstown, with the advantage of the man, threw 13 goals to nil before half-time. With a full complement Camberwell made a better stand in the second half. The three-quarter-time scores were 17 goals to 2 in Williamstown's favour. The winners' large total was contributed by Clarendon (5), Reid (4), Jones (4), Ferris (3), Dixon (2), Jenkins, and Schmidt, and their best players were Clarendon, Salt, Jones, and Omlund. For Camberwell, Marshall, Smith, Herthorn, Auld, Dickinson, and Chambers played well. Chambers netted 2 goals, Webster 2, Auld and Field 1 each. Mr. Balmer was referee.

Junior A Section.

North Fitzroy d. Caulfield (7 goals to 5). The winners gained the lead in the first quarter and held it throughout. McDonald (2 goals), Hutcheson (2), Ellis, McCray, and D. Macneil scored for North Fitzroy; and Armstrong (2), Williamson, Kersh, and Harriott for Caulfield.

Malvern d. Camberwell (7 goals to 3). Garner (2 goals), Horton (2), and Armstrong (2) netted for Malvern; and Webb, Dobbie, and Glennon for Camberwell.

Essendon and Williamstown drew (7 goals each). Essendon played two substitutes. The goal-throver was Essendon—Ker (2), Kenyon (2), Parker, Heriot, and a substitute; Williamstown—Davey (2), Barry (2), Heston, and Foster.

Melbourne High School Old Boys d. Artillery (16 goals to 3). Clarke (8 goals), Wood (2), Abernethy (2), Kinney (2), Dalk, and Price netted for the winners; and A. Young (2) and McNaughton for Artillery.

LACROSSE.

NOTES ON THE GAMES.

By Iroquois.

The leading teams in the senior A section now are Malvern (50 points), Williamstown and Brighton (equal for second place with 42 points each), and M.C.C. (26 points). Caulfield is only two points behind the fourth team, but of the four remaining matches of the home-and-home fixtures has engagements against Malvern and Williamstown, while M.C.C. has comparatively easy matches.

M.C.C. showed its determination to uphold its reputation as the premier team in the match last Saturday against Caulfield. Through the absence of Henry Wilson, in Queensland, the inability of Roy Freeman and H. Lampard to play regularly, and the retirement from the game of E. Turnbull, the Melbourne team has this season been unfortunate. Before the match on the Caulfield Cricket-ground, M.C.C. was in fifth place, two points behind Caulfield. At the end of the match the positions were reversed, and, excepting accidents, the premier team of last season is assured of a place in the final four. Writson, who returned from Queensland last week, and intended going to Tasmania, postponed his trip to help his team, and Freeman and Lampard were also in the team. With this added strength, M.C.C. dominated the game, and scored 20 goals to 5. Brighton had a hard fight to win by 7 goals to 5 against Adult Deaf and Dumb at the Brighton Grammar School Cricket-ground. The visitors had the lead with 6 goals to 4 at half-time, but failed to score in the third term, Brighton drawing level. In the final struggle the home team netted 2 goals to 1. The game was mostly by the rough play of some of the visiting players, and there were several unpleasant incidents, calling for the intervention of the referee (Mr. Spooner), who landed a difficult task on his shoulders.

Williamstown had a total of 20 goals to 7 at the end of the match against Camberwell at the Trinity Grammar School Cricket-ground. For the first half Camberwell played with the sudden illness of the goalkeeper (McCorkell), played one man short, and with May and Grant absent from the attacking force and Hawthorn's defence was hopelessly outclassed. The visitors took full advantage of the old man, and at the long interval the score was 13 goals to nil. In the second half the game was even, each side netting 7 goals. Clarendon headed Williamstown's goal-throwing list with 8 successful shots. Reid scored 4, Jones 2, Ferris 2, Dixon 2, Jenkins and Schmidt 1 each. Chambers (4 goals), Webster (2), Auld, and Field scored for Camberwell.

With Mcay absent University did very well to hold Malvern down to 3 goals to 1 in the opening quarter. The students' defence was unequal to the strain of the Malvern attacks in the succeeding terms, and at the final bell Malvern had a tally of 24 goals to 5. The Harrison brothers scored 13 goals between them, W. Harrison netting 7 and D. Harrison 6. The other goals were contributed by Heston (1), Knowles (2), Edwards, Underhill, Heston, Heston, and H. Seaville. Janet (2), Seaville, Grant, and Davis scored for the students.

Two teams at the bottom of the preliminary list—Hawthorn and Coburg—played a drawn game (4 goals each). Hawthorn had two substitutes to make up a team. The teams were level at half-time with 2 goals each. Hawthorn netted in the third quarter and held the lead until a minute before the final bell. Kirkwood, Davey (in goals), Ferguson, Lilburn, Dobbie, and Worcester were Hawthorn's best players. For Coburg, Marshall, Thornton, and Miller were conspicuously good.

The results of the draw and the grounds for the semi-finals were: Junior A section—Melbourne High School Old Boys v. Malvern, at University Oval; Camberwell v. Caulfield, at Melbourne High School grounds. C section—Y.M.C.A. v. Middle Park, at Central Park; Malvern v. Essendon v. Coburg, at Fitzroy Racecourse. B section—First Division—Williamstown v. Hawthorn, at Parkville Park; South Yarra v. Second Division—South Melbourne Presbyterian v. Williamstown, at Middle Park.

SYDNEY MATCHES.

Eastern Suburbs defeated Dulwich Hill (11 goals to 5). Dulwich Hill missed the services of F. Oliver, and was outclassed by the strong Eastern Suburbs team, which forced the pace at the outset, and had a lead of 7 goals to 2 at the half-time interval. There was a fairly even display in the third quarter, each side adding two goals. In the final term Eastern Suburbs dominated the game, and netted 5 goals to Dulwich Hill's 1. The winners' Morrow scored 4 goals, Sherret 3, Pearce 2, Fletcher, Butler, Tillman, and Turnbull 1 each. Dulwich Hill's goals were netted by McGuire (4) and Clarke.

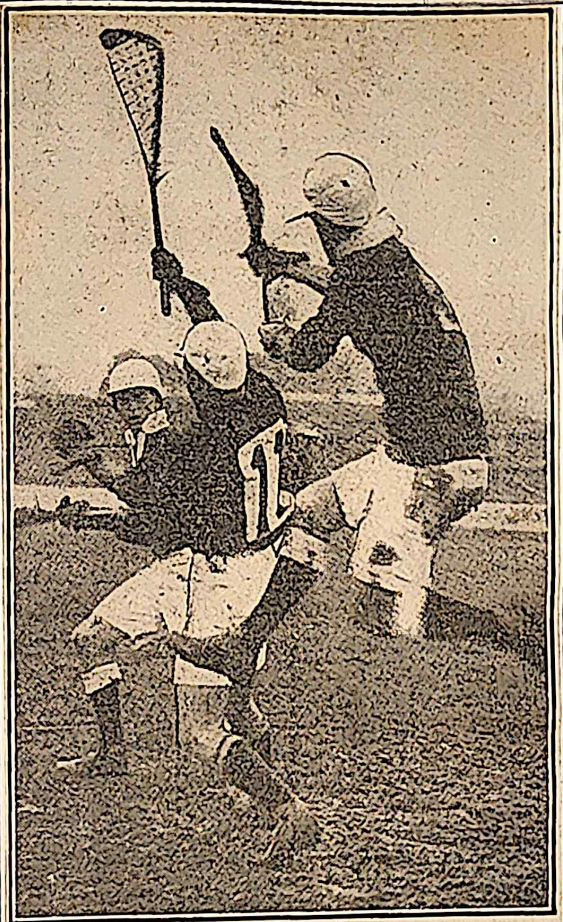

Mogman and Peterham drew (2 goals each) at the Peterham Oval. Peterham had most of the play in the first half, and had a lead of 4 goals to 1 at the long interval. In the second half Mogman made a good recovery. Neither side could gain the advantage in a strenuous battle before (2), Peterham (2), and Wang (2) scored for Mogman, and V. Heston, and V. Heston (2) scored for Wang and Wells for Peterham.

ADELAIDE MATCHES.

The two teams at the head of the preliminary list, North Adelaide and Goodwood, met in the second round on Saturday. North Adelaide maintained its undefeated record, netting 12 goals to 6. North had a lead of 7 goals to 4 at half-time. Flavell (8 goals), Lawrence (2), Watt, and Sully scored for the winners; and Kinsman (2), Banner (2), W. and E. Phillips for Goodwood.

Port Adelaide and East Torrens played a drawn game, each side scoring 3 goals. The half-time scores were 2 all. In the second quarter both teams played a strong defensive game. Kidd (2 goals) and Banner netted for Port Adelaide, and East Torrens' goals were scored by Pearce, Davis, and Moore.

Sturt defeated University by 7 goals to 3. It was an even game until the first quarter, when Sturt, attacking strongly, prevailed. Bell (2 goals), Brooks (2), and Hill (2) scored for Sturt, and Bannin, Davis, and Cook for the students.

NOT WHAT IT SEEMS: Had Farquhar's stick gone amiss in the Interstate Lacrosse match between Victoria and Queensland at the Cricket Ground yesterday, E. Wilson (No. 11) of Victoria, would probably have had vivid memories of Home. There were no accidents, however. Victoria won by 15 goals to four.

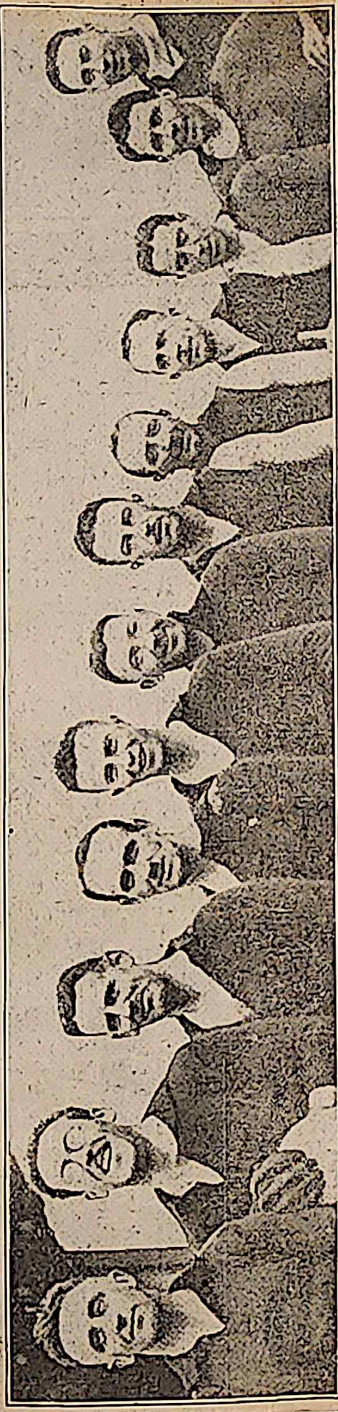

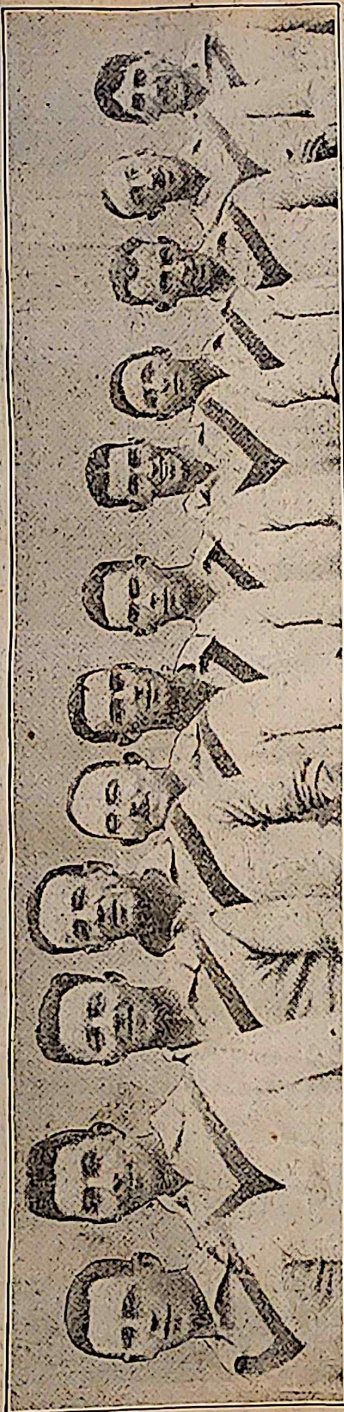

B, C, and D Sections.

The following were the results in the junior sections—

B section—Hawthorn d. Caulfield (18 goals to 5). Tranboon and Malvern drew (7 goals each). Box Hill d. Coburg (13 goals to 2). Brighton d. Camberwell (5 goals to 2).

Premiership Matches.

M.C.C. scored 15 goals to 7 against University at the University Old. Scaries and Grant were absentees from the students' team. In a good game M.C.C.'s experienced play gave it a great advantage. The players of M. McIndoe were satisfied with the result and the M.C.C. players expected goals in quick succession. The University's forwards' efforts to score were spilt by the good keeping of G. McIndoe. In the second quarter the scoring was more even (5 goals to 3), and the students' forwards were again the better. The two veteran players in G. Flood and J. Lally almost, who made up M.C.C. complement, showed that they had lost none of their skill and ability in defence. The third quarter was very even, each team scoring two goals. The reverses of A. J. McIndoe, who retired with a slight injury, were the result of colliding with an opponent. The final quarter was a repetition of the third—two goals each. M.C.C.'s best players were Lampard, Flood, McIndoe, and Scaries. The University's players best were Gamble, H. Davis, I. Macdonald, Jarrett, and McCay. The goal-throats were—M.C.C.—Lampard (6), Douglas (3), Towler (2). Roberts (1), and Totton; University—H. Davis (3), I. Macdonald (2), and Gamble (1).

Williamston defeated Calfield (12 goals to 6). The only one goal was scored in the opening quarter, and keeping it lively (Calfield) and Quinton (Williamston) especially distinguishing himself.

The second game was between Williamston and the Barren (6 goals to 7). In the final quarter each team netted twice. Frank Trainor twisted his knee during the game and was unable to play. He visited the Calfield office with him. This unfortunate accident will probably put Trainor out of the tournament.

On Saturday afternoon the following teams played: Hills Head, Clatskanie, Lowe, and Quinton; Canby, Astoria, Jewell, Pollard, Denton, Munrowood, and S. Gilbert; The Dalles, Astoria, Jewell, and Jenkins (6); Clatskanie (3); Ilwaco, Ferris, and Cannon Beach (2); Clifton (4); J.L. Gibbs, and Nutting; and Palmer was the referee.

Brighton netted 20 goals to 9 against Coburn. The rain prevented the completion of the game.

led 20 goals to 3 against the opposition in the opening quarter.

Matt defeated Albi Deer and Daub (7 goals to 6). Matten established a good lead with 8 goals to 0 by the first quarter, but in the second term Deaf and Daub scored twice each to tie up the game at 9-9. In the third half the Mattens team was far too strong for its opponents. The winners were: D. Harrison (2), Kneibitz (1), Beattie (3), Edwards (3), D. Harrison (2), Kniesley and H. Beattie; for Deaf and Daub Abbie netted three goals and there I here 1 each. Mr. Lyons was the referee.

Junior A Final.
 Canfield defeated Millers in the final match by 9 goals to 7. Kurling netted two goals for Canfield in quick succession, and Armstrong scored Millers' first goal before quarter-time. In the second quarter, Canfield's lead was extended to 10-2 when Kurling, Jarrett, and Kneeb added another. Canfield netted Millers' second goal. Millers made determined efforts to reduce the gap, but Canfield's defense reduced the deficiency to a goal, but Jarrett's Canfield two-goals advantage (6 to 4) before half-time. Canfield was very efficient display in the third quarter, each side scoring a goal. In the fourth quarter, Canfield scored three goals. Kurling, Jarrett, and Armstrong scored for Millers. Canfield, Munrovalov, and Williamson for Canfield. The winners went back to play Millers tomorrow (2), Kurling, Drew, Kneeb, Munrovalov, Kittington, and Melbourne (High School) Old Boys (school having no right of challenge) will meet next Saturday in the

B Section.

The following were the results in the B section matches—Milton 10, Millfield 10, High School 10, Ayr 10 (5 goals to 4), Hill Hall 4, University 12 (goal to 0), Hamilton 12, Colong 11 (5 goals to 3), Hawthorn 10 (5 goals to 3), Albion 6, Cammerlang 12 (2 goals to 5).

C Section Final.

The C section premiership for 1952, which carried with it the possession of the Spioner Cup, was won by Y.M.C.A. against Hawthorn 12 to 6 on Saturday, last, the night of challenge. The two teams met at the head of the list at the end of the home-and-away season, and were the only two to play in these finals met on Saturday. Y.M.C.A. was coached by 12 goals to 6, Mickie, Nathan, Fox, Hillman and Harcourt, and Hawthorn coached by Y.M.C.A. players, the forward as Lennie, O. Progress of Lacrosse Steady Growth in Victoria

By "REFEREE"

During recent years lacrosse has trailed, and it is doubtful if in any made such remarkable progress in other amateur sport are such contests taken so seriously. It is no holiday trip for the players, for they and players indulging in the Canadian national game in Melbourne than in any other capital city of Australia.

So great is the interest in the game in this State that for the first time in the history of Australian lacrosse, Victoria has this season been able to send three Victorian teams to Sydney, and defeated both New South Wales and Queensland, and this afternoon one team base playing against Queensland. When it is mentioned that the team players, it will give some idea of the enthusiasm and keenness of the players.

Interstate games are taken seriously, and there is always keen competition for inclusion in the Victorian teams. South Australia is a keen lacrosse centre, and although fewer in number, has a Victorian team been successful at Adelaide. Yet a victory was gained in 1924 when the Victorian part of the field. The Victorian this season were a wonderfully balanced team, and were led by Jack Storer, and only through ill health was he prevented from playing at Adelaide today.

FOUNDER STILL ACTIVE

Lacrosse was introduced into Melbourne in the '70's, and one of the founders of the game, Mr. Geo. Beech, is still actively connected with the Brighton club, as an efficient boarder. The game has not been regularly played, but from that year Victoria and South Australia have met annually except during the war. In 1910, at Adelaide, a match for was drawn, 6-2.

That these interstate games do a tremendous amount of good to the game is recognised by the controlling bodies of lacrosse throughout Australia.

While it is against South Australia that the Victorian teams have the hardest games, many of the contests against other States have provided some remarkably fine tussles. West Australia, Queensland, New South Wales, although for some unaccountable reason lacrosse in Sydney has slipped back considerably since the war.

Today's game at Brisbane was to assist the northern association further to boost lacrosse. The Queenslanders, who have been playing in the schools and making great headway, and as New South Wales were unable to go to Brisbane, the Victorians made the trip. Perth, a big carnival centre, is to hold as part of the W.A. centennial celebrations at which every State in Australia will hold tri-annually in the various capitals, and produce some magnificent lacrosse. The winning State holds the title coveted by Mr. A. McFarlane and the late Mr. R. Garland, both Melbourne lacrosse enthusiasts.

Victoria has not yet been defeated by any interstate team, but New South Wales in 1919, defeated us in Sydney in the first interstate fixture after the war. The Victorian team has since been defeated by Queensland in 1906 at Brisbane, the Queenslanders defeated Victoria, but since then our players have always proved victorious. Again the same idea will be gained of its strength throughout the Continent, and with the continued growth of the game, the controlling bodies of the Canadian team brought to Australia, as since 1907, no international visits have been made. It can be brought about lacrosse would then rank as one of our major sports, as nothing assists the progress of any sport like international games.

BIG LACROSSE.

Victoria Defeated South Australia.

Game at Unley.

By First Home.

In glorious weather and before a large crowd, the Victorian lacrosse team triumphed over South Australia, by 1 goal at the Unley Oval on Saturday. Brock, South Australian skipper, won the toss, and chose to attack the bowling green and the teams were at published. McCay was placed on Cook, and Unkenstein played on a defence wing.

Kestel won the draw-off, and the ball was sent forward, McCay relieved well, and Victoria attacked strongly. Brock was performing well, and at the other end Pearce (South Australia) was freed, but field relieved the tension by knocking the ball away. Cook, Tamlin, and Sandry were particularly active for South Australia, but Tamlin lost an opportunity for South Australia by missing badly. Victoria attacked hotly and Beattie lost Brock and received a pass from Ted Wilson, his shot, however, went astray. The visitors were continually "first on," and Roy Read dashed in and goal with a perfect length shot. Douglas and Marlin were greatly cheered, and the Victorian battled hard for position, and by him just failed. South Australia now took a hand. Thomson to Cook, but a backhand try went high. Sandry followed, and Pearce had a try; Kestel relieved at the other end, and Sandry again tried Pearce, who was being closely checked by Gourlay. Tamlin came under notice for some brilliant stickwork, and Ted Wilson tried magnificently for Victoria.

Matthews also was under notice for some spectacular interceptions. Victoria would not be shaken off, and a beautiful pass to Roy Read from Douglas, in which the former player broke brilliantly, resulted in a goal. The South Australian "home" were not combining well, and Pearce was inclined to hang to the ball too long. Sandry came through repeatedly, and Tamlin tried a long shot, with Sid Wilson away from the net. Gourlay intercepted, and Matthews did likewise at the other end, and Cook endeavoured to wrest through for South Australia. Sid Wilson was safe in the net, however, and the quarter ended with Victoria leading 2-0.

South Australia Attacks.

South Australia attacked early in the second quarter, but Cook passed badly to Thomson. Edwards came into the light at this stage for Victoria, and he was under notice continually in midfield. Brock and Boyce were now defending grandly, but Ted Wilson was giving Matthews plenty to do. Tamlin raced right, but Sid Wilson saved. Cook was vigorous on Pearce. Sandry was under notice again, with a spectacular dash from midfield, but his shot went wide. South Australia was now pressing hard. Kestel to Cook failed, but Pearce gathered up, and passing three opponents, opened the scoring for South Australia. It was noticed that Kestel got the draw out continually, but Edwards was having the better of the outfield play.

Roy Read dashed in and his shot was stopped by MacKenzie. Pearce and Cook were striving valiantly for the home team, and the former player again got round Gourlay and netted, making the tallies even. J. Reid was proving much too good for Thomson, but Pearce and Cook kept up the pressure. McCay was brilliant for Victoria, and he relieved continually. Tamlin pressed in, but Unkenstein relieved. South Australia, however, were having the best of the play at this stage, and Sandry peppered the goal. Sid Wilson rose to the occasion however, and cleared again and again. Pearce was

freed, and his shot from close in, was deflected by the visitors' goalkeeper, and when Sandry bored in, Wilson again sent the ball out.

Edwards showed some pretty stickwork, and a fine turn of speed, and Unkenstein was in the picture with good relief work. MacKenzie stopped a couple of hot ones, and Boyce and Roy Read had a great encounter coming down the centre. Douglas received, and sent a pass to Edwards, which, however, went too high. Gourlay again gave away a free to Pearce, but nothing resulted. Tillman bustled Sid Wilson behind the net, and after great battling, the East Torrens man secured. Victoria however, closed up, and the ball was again in the home team's territory. There was particularly hot work round the South Australian citadel. Half-time scores showed 2 all.

Fast Play.

Victoria went all out in the third quarter. Their behind the net play was particularly noticeable, and they had the South Australian defenders badly worried. Beattie dashed from behind and goal. South Australia endeavoured to get going, but Unkenstein relieved well, and Douglas sent a great pass to R. Read. The usually reliable attack man missed, however, but Beattie gathered it up, and Ted Wilson and Read bothered the home team behind the net. The former eventually dashed round, and Matthews failed in trying to intercept from Read a goal resulted. Victoria attacked again, and Beattie (behind goal), sent over to Roy Read, and another goal went on the board. Victoria were all over the home team at this stage, the Adelaide back men being unused to "behind goal" play. South Australia now endeavoured to break through. Tamlin secured in midfield, and Sandry dodged in and beat Wilson with his shot. Victoria's passing and stickwork was superb, and they continually harassed the home team. After the home team had lost several opportunities through faulty ground play, Tamlin was freed close in to goal. He raced across the goalmouth, and sent the ball in before going down to a severe blow, which accidentally came from Unkenstein's crosscane. Victoria tried by way of Read and Beattie, but Brock was playing finely, and Ed Martin was sure on Douglas.

Boyce also was vigorous, and hard checking, and a clean relief work sent the ball to Tamlin to try for Western Australia. Half-time scores: South Australia, 3 goals; Western Australia, 1 goal.

Great goalkeeping by Fraser (W.A.) was a feature of the third term. The attacks of both sides were often out of position.

During the third quarter interval both teams were introduced to Mr. J. Humphries (former international player), and the greatest Australian forward of all time, Mr. Humphries was taken in a car to the oval, with his present inmate of the Adelaide Hospital. Three hearty cheers were given for the old start man.

Western Australia played finely in the last quarter, and great play by Cook was mainly responsible for two goals, scored in quick succession. Moncrieff and Enderby were the successful scorers. Sibley and Davis, however, sent the South Australians ahead with further goals, and the game ended, 5 to 3 in South Australia's favour.

Goalthrowers—South Australia—Sibley (2), Gepp, Davis, and Burnley. Western Australia—Enderby (2), Moncrieff.

Best Players: Ted Wilson—Melbourn, Loyomeyer, Boyle, Warner, Western Australia—Cook, Enderby, Fraser, Peacock, Moncrieff.

Trip to Victor Harbour.

Arranged by members of the South Australian Lacrosse Association, the Victorian Western Australian, and South Harbour teams were taken to Victor cars conveyed 80 members of the teams to the town. They were welcomed by the mayor (Mr. D. H. Griffen), and members of the Hotel Victor various toasts were honoured, including "Our Visitors," by to Mr. F. Langford (Griffen), responded captains of the Victorian and Western Australian teams respectively, "Lacrosse," by Mr. A. Bertram Cox, responded to by Mr. Howard Palmer (Vict.) and "The

shot. Victoria now played bravely, and MacKenzie had a hot time. Sandry was being secured in the back line, and running the entire length of the field, evaded all opponents, and beat Wilson with his shot (a great effort). With a goal needed to draw, South Australia surged forward again, but great efforts by Cook and Tamlin were frustrated in the goalmouth, and Victoria won a well-fought contest, final scores being 8 goals to 7 goals.

Goalthrowers—Victoria—R. Read (3), F. Wilson and Edwards (each 2), Beattie, For South Australia—Pearce (3), Sandry (2), Tamlin, and Cook.

Best Players—Winners—Sid Wilson, E. Wilson, Edwards, McCay, R. Read, Unkenstein. Losers—MacKenzie, Brock, Sandry, Martin, Pearce, Tamlin.

After the match K. Brock (captain of the South Australia) visited the Victorians' dressing room, and congratulated them on their victory. He said that the match had been one of the fairest and best he had ever played in. The scoring result was a fair indication of the game, the Victorians were a shade too good, but he had high hopes of lowering their colours in the Perth carnival next season.

Sid Wilson (Victorian skipper) returned the call, and said it had undoubtedly been a great game, played in the true sporting spirit, and he had enjoyed every minute of it.

B GRADE.

PERTH TEAM BEATEN.

The game between South Australia and the Maylands (Perth) team was evenly contested, and the great fight of the Western Australian team was greatly appreciated by the crowd. South Australia had most of the play in the first term, but through holding to the ball too long, they lost numerous opportunities. Sibley (South Australia) goalled from an angle, and half-way through the quarter, this was quickly replied to by Enderby (W.A.), who came from behind the net, and hooked the ball in. South Australia should have been well ahead on the play, but too many players were trying to get goals, and the result was that the Western backs cleared repeatedly. Gepp forced through early in the second quarter and goal for South Australia, and Burnley did likewise a little later. The Gellert brothers were holding too long, and not looking for a man. Cook was playing finely, and for Western Australia. Half-time scores: South Australia, 3 goals; Western Australia, 1 goal.

During the third quarter interval both teams were introduced to Mr. J. Humphries (former international player), and the greatest Australian forward of all time, Mr. Humphries was taken in a car to the oval, with his present inmate of the Adelaide Hospital. Three hearty cheers were given for the old start man.

Western Australia played finely in the last quarter, and great play by Cook was mainly responsible for two goals, scored in quick succession. Moncrieff and Enderby were the successful scorers. Sibley and Davis, however, sent the South Australians ahead with further goals, and the game ended, 5 to 3 in South Australia's favour.

Goalthrowers—South Australia—Sibley (2), Gepp, Davis, and Burnley. Western Australia—Enderby (2), Moncrieff.

Best Players: Ted Wilson—Melbourn, Loyomeyer, Boyle, Warner, Western Australia—Cook, Enderby, Fraser, Peacock, Moncrieff.

Trip to Victor Harbour.

Arranged by members of the South Australian Lacrosse Association, the Victorian Western Australian, and South Harbour teams were taken to Victor cars conveyed 80 members of the teams to the town. They were welcomed by the mayor (Mr. D. H. Griffen), and members of the Hotel Victor various toasts were honoured, including "Our Visitors," by to Mr. F. Langford (Griffen), responded captains of the Victorian and Western Australian teams respectively, "Lacrosse," by Mr. A. Bertram Cox, responded to by Mr. Howard Palmer (Vict.) and "The

Major of Victor Harbour," proposed by Mr. F. Fulton, and responded to by Mr. Griffen. The visitors were shown over the town and Granite Island, and were delighted with the many beauty spots. The Victor Harbour Town Band, under the conductorship of Mr. C. Banford, played selections on the reserve during the afternoon.

LACROSSE.

TWO INTER-STATE GAMES.

VICTORIA DEFEAT SOUTH AUSTRALIA.

The annual lacrosse match between Victoria and South Australia was played on the Unley Oval on Saturday afternoon. There was a fair attendance. These games began in 1888, and have continued fairly regularly ever since, with the exception of from 1914 to 1922. Of the 29 games played, including Saturday's match, South Australia has won 17 and Victoria 11. The 1910 match was drawn, 5 goals all.

Victoria's teams were:—

Victoria—Goal: S. Wilson (captain); point, J. Reid; cover, J. Gourlay; defence, A. R. McCay; defence, O. Unkenstein and L. Webb; centre, W. Edwards; attacks, A. Claringbould and R. Read; forwards, C. Douglas, E. Wilson, and M. Beattie.

South Australia's—Goal: C. MacKenzie; point, K. A. Brock (captain); cover, L. Matthews; third man, A. J. Martin; defence, C. J. Boyce and M. Tillman; centre, R. H. Kestel; attacks, A. Tamlin and R. Sandry; forwards, M. Thomson, R. Cook, and S. Pearce.

South Australia won the toss and decided to take advantage of the sun. From the face-off Kestel secured, but his pass to Thomson was turned aside by Reid. A Victorian centre-field movement, in which Edwards, Claringbould, and Read figured was broken up by Brock. Cook secured possession, and with a clever feint evaded his man, but Wilson, the visiting goalkeeper, cleared, and the ball reached E. Wilson, who was playing immediately behind goal. He had a try, but Martin cleared, and the ball was picked up well out by Read. His shot was a fast one, and caught MacKenzie off his guard, thus opening up the scoring. Tamlin took a high pass cleanly, and passed to Sandry, whose shot went wide. Following his shot through, Sandry cleared to Thomson, who made a well-timed pass to Cook. The latter dodged cleverly, and made an excellent back-hand shot, missing the net. Again the ball was snatched up and retained by the South Australians, Sandry to Pearce being a nice movement, which culminated in Pearce having a shot round his opponent's body. The ball hit the goalkeeper, and Claringbould secured and carried the play forward. His drive was stopped by a fine save by MacKenzie. Up and down play followed, until Wilson cleared to Unkenstein. He sent the ball to Douglas, who put in a nice snappy pass to Read, the last-named breaking through and scoring Victoria's second goal. The local team had not opened their score. Cook was playing a fine position game, but was not receiving the ball often enough. Claringbould received a free as the result of a foul from Boyce. His pass to Beattie was taken by Brock, and Sandry ran into the goal area, but his shot went wide. Thomson received a free in front of goal, but failed to score. A concerted move by the visitors was broken up by Kestel clearing the danger. Pearce had an excellent try just before time. This was cleared by Wilson (goal). Victoria had an advantage of 2 goals to all when the second quarter started. In this term E. Wilson was particularly aggressive, and treated the spectators to a great display of dash and stickwork. He was, however, well held by Brock. Sandry tried a run through, but he was too wide on the wing, and hardly reached shooting distance. Pearce received a well-timed pass over the net, but was closely checked. Holding on to the ball he evaded three men and scored South Australia's first goal. The game became more interesting. Read was awarded a foul, but before he could decide to shoot Boyce forced him out, and he eventually lost the ball to Cook. Pearce came from the wing, and taking a swift pass beat his man and scored his, and South Australia's, second goal. Several excellent shots were turned aside by the visitors' goalkeeper. Pearce and Tamlin were prominent. The latter ran in nicely, but was checked in front. Turning, he essayed a backhand shot, which nearly came off. Webb passed to Beattie, who was right in front of goal, but the latter's shot was turned aside by Boyce. McCay was prominent for Victoria at this stage, making some fine clearances. Pearce and Sandry made determined attempts to break down Wilson's defence, but were unsuccessful. Several shots to Cook were missed by him. Edwards at centre was proving a worthy opponent of Kestel, and on several occasions outpointed him. The half-time scores were 2 goals each, a true indication of the game.

Within a few minutes of resumption of the game Beattie, who is the sixth brother to play inter-state lacrosse, shot straight, thus placing his side in the lead. Unkenstein was solid in defence, and Douglas and Read were having plenty to do, their time play resulting in E. Wilson goal. Beattie received the ball from a scrum, and made a perfect pass to Read, who was running in, and the latter, without checking the movement of his stick, flicked another goal. South Australia's third goal came from Sandry, who was running in with a rare burst of speed, and evaded two men. A free throw to Tamlin when near goal resulted in a nice piece of bodywork by the West Torrens skipper, which put him in front of goal. His shot went straight. South Australia's score was now 3 to 2, and Tamlin tried again, but Gourlay cleared to Read, who, with Beattie, made determined efforts to break through, but Boyce sent the ball to Tamlin, whose pass to Pearce was well timed. Pearce goalled after an exhibition of polished stickwork. Gourlay tried to come in, but his coming on being hit in from a scrumming by Edwards. Pearce failed to shift his stick early enough after being awarded a free in front of goal, and Gourlay snatched his chance. E. Wilson threw Victoria's sixth goal. Tamlin tried again, but Gourlay intercepted. Victoria had a lead of two goals at the beginning of the last quarter. Cook who previously had gone off the field with McCay (injured), reappeared, his opponent appearing none the worse. He signalled his return by almost immediately throwing a goal. Tamlin received a pass over the net, but was unable to turn soon enough, and lost possession. Read made a great try with an open goal, but Matthews cleared well. A smart run by the centre man gave Edwards possession. He outplayed Kestel, and registered the eighth goal for Victoria. Martin was prominent in relief and turned a determined attack by Read aside, Sandry receiving a neat pass. Urged on by the crowd to make a run for it, he showed some speed, and slipped, passed three Victorians in turn and netted. Good centre field play was in evidence throughout the remaining few minutes of the game, but no further scoring took place. The final scores were:—

Victoria, 8 goals.

South Australia, 7 goals.

The winners' goals were thrown by Read (3), E. Wilson (2), Edwards (2), and Beattie, and they were best represented by S. Wilson, Edwards, McCay, R. Read, and Unkenstein. South Australia's best performers were MacKenzie, Pearce, Martin, Tamlin, Sandry, and Brock. Their goals were thrown by Pearce (3), Sandry (2), Cook, and Tamlin.

At the conclusion of the match the South Australian captain (K. A. Brock) visited the Victorians' dressing-room and congratulated them on their win. It was, he said, one of the finest games he had played in. He thought the better team had won. He hoped the next year's match would be a better one. in Perth. S. Wilson, captain of the Victorians, returned the visit, and referred to the fine feeling always existing among the two States. He was looking forward to their next encounter.

The visiting players were entertained at a theatre party in the evening.

A B GRADE MATCH.

As a curtain raiser to the chief match the Maylands (Western Australia) B Grade club met a South Australian team. E. Cook captained the visitors, and L. Boyle the local side. South Australia led off with a determined attack, which the visitors broke up. Sibley (S.A.) was aggressive, and scored with an angle shot. Many opportunities were lost by the South Australian forwards not passing to the man in position. Enderby (Western Australia) received from Harwin, and in avoiding his man, ran behind the net. He came through, however, and scored a nice goal. Soon after the second term started Gepp ran in, taking a pass, added South Australia's second goal. Strouze rushed by the local attackers, gave the Western Australian defence a fine opportunity to shine. This it did, Peacock, showing up particularly with clean stickwork and anticipation. Cook also saved some good shots by Sibley and Gellert. Burnley added South Australia's third goal. Co-

certed drives by South Australia were without result, although some shots missed the net by inches. Fraser (Western Australia) was performing well in goal; Morrison (Western Australia) made a particularly pleasing try, but the ball went to the bar and bounced away. Gellert to Davis, close in on goal, was a nice piece of work, but Fraser cleared magnificently. Morrison (Western Australia) with an open goal, missed a golden opportunity when the ball went over the top, but his manoeuvre for position was well done. Soon afterwards Sibley netted another goal for South Australia. Enderby and McCay (Western Australia) were prominent, and a shot by Enderby nearly came off. He was rewarded later with a goal as the result of similar enterprise. Just prior to this goal Moncrieff scored a pretty one after evading his man. The Maylands team were having most of the play at this juncture, and Ralph and Pym were defending well for South Australia. Attacks by Burnley, Gepp, Gellert, and Sibley were broken up by the solid defence play of Maylands, until Gellert had a try which the goal came out to clear. This gave Davis an opportunity with an open goal, and he picked the ball up and added South Australia's fifth goal. Maylands were attacking strongly at the call of time, when the scores were:—

South Australia, 5 goals.

Maylands, 3 goals.

South Australia's goals were thrown by Sibley (2), Davis, Gepp, and Burnley. Their best players were Loyomeyer, Boyle, Sibley, Melbourn. Maylands (Western Australia) were best represented by Fraser, Cook, Peacock, Morrison, Enderby, and Moncrieff. Their goals were thrown by Enderby (2), and Moncrieff.

VICTORIAN VISIT.

The local association is greatly indebted to the Victorians for coming such a long distance for the purpose of assisting the game in Queensland, by playing interstate matches here. They come here in the interests of the game, and what an impetus will be given to it in this State as the result of this visit. Victoria is the premier lacrosse State in the Commonwealth, and is closely followed by South Australia.

In a State such as Victoria, where there are 65 teams competing in the fixtures, the standard of play is of the highest. The game was on a very sound footing here before the war, and it suffered badly during the lean war period, and since then it has been struggling along. Last season, however, saw interest in the game more pronounced than ever, and the event of an interstate visit of a team from New South Wales assisted tremendously in placing the game on a firmer footing. This season we reaped the harvest from the publicity given to that last season's interstate game. The fact that we commenced the present season with four teams more than last year in the competitions, speaks for itself. One thing we are proud of, and that is that the game has not been allowed to die. No one will be left unmoved to bring the game in this State back to its pre-war footing, nor judging by the progress made recently, and the keenness at present displayed, it is considered that the game will go ahead in leaps and bounds. Next year we confidently hope to see twice the number of teams. A "B" grade seems certain.

In June last, the State sent a fairly representative side to Sydney to participate in the triangular contest there. Queensland was responsible in winning two of the three matches played, being beaten only by Victoria. The Queensland performance was considered very satisfactory, and greatly reflected the standard of play existing in this State. The results of the present interstate matches are keenly awaited, and it is hoped that a true indication will be given by the Queenslanders of the high standard which is being aimed at. We hope to reciprocate

this visit by sending a team to Melbourne at some later date. The States should make one another as far as possible in advancing the game. The weaker States should be assisted by those States where the game is on a solid footing, by the latter sending their best players to play an interstate game there. By sending the team at present in our midst Victoria could not have done more towards assisting the game in Queensland, and the progress of the game generally. To the Southern Association we are extremely grateful.

The visitors arrived on Thursday evening last, and received a right royal welcome at the hands of the Queenslanders. When the New South Wales boys came here last year they were received like brothers, and their stay in this city was one so enjoyable to them that they will always carry memories of their visit to the Northern State.

Queenslanders are out this time to greet the visitors in the same way manner. Already they have established themselves as the finest bunch of boys that have ever visited this State from Victoria. Their open heartedness has greatly appealed to us and no stone will be left unturned to make their stay a most pleasant one. Only by these interstate visits can the players of the various States be linked up, and future interstate visits will follow as a natural course through those players who once visited a State, expressing a desire to again renew the acquaintances made perhaps the year before. I am sure that the Victorians, having once visited this part of Australia, will want to come back again in the near future. I can assure them that we look upon them as brothers, and with such a feeling as the followingship existing a great amount of good must accrue to that grand game that is so dear to us. At the Carlton Hotel a formal welcome was extended to the team by Mr. J. S. Hutcheon, president of the local association, and this was replied to by Mr. G. Flood, manager of the visiting team. By this time, the future of the game in this part of the interstate game will have been played, and all interested will have been able to judge the form of the Victorians as seen from their display at the Exhibition Oval this afternoon.

Details of the play are described elsewhere in this issue.

EX-QUEENSLANDERS WITH THE VICTORIANS.

It will be interesting to many old Queensland lacrosseurs to learn that Percy Murrawood is with the Victorian touring team. Percy is well known to many as a member of the Kia-Ora and old Kallang Club. Percy has been quite a big noise in the South, representing his club, Caulfield, on the Victorian Association, and also has been a worthy representative as a player of that club.

THE VISITING TEAM.

The positions of the players in the Victorian team are as follows:—Goal, P. Dentry; point, P. Murrawood; cover point, A. Deacon (captain); third man, O. Wood; right defence, C. Dyson; left defence, J. Kirkwood; centre, D. Jack (vice-captain); right attack, M. Thornton; left attack, P. Tranter; third home, L. Barrett; second home, K. Lee is another home man; and G. Flood, as manager, and W. H. Rainbow complete the team.

MONDAY'S FIXTURE.

At the time of writing it is extremely hard to forecast what showing the second Queensland team will make against the visitors without seeing the first team in action. Last Saturday's practice game between the two teams gave some idea as to the strength of the States. The results of the present interstate matches are keenly awaited, and it is hoped that a true indication will be given by the Queenslanders of the high standard which is being aimed at. We hope to reciprocate

of followers of the game are expected to witness this game on the main Exhibition oval. This afternoon's match is the main attraction from the general public's point of view, but many followers of the game will be interested in the second team to play on Monday. With M. Brew, E. Parquhar, and Cavanagh on the wings the Victorian defence will have to work hard. Pratten, at centre, can be relied to lead the opposing centre player a dance. I quite expect A. Brown to shine in the wing defence position, as this player has displayed great form of late. N. Clough and Elphinstone are good back-line men, the former being very solid and hard to get past. In the goal, A. Tealby, we have a boy who is on the way to become our representative keeper. Making the trip with the Queensland team to Sydney in June this player gained quite an amount of experience, and this has been shown in his improvement in play in club games. Two members of this second team have been very severely and unfairly criticised in the Press during the season, and it is to these players to show what they are made of, and thus quieten the critics, who have displayed a great amount of animus during the course of their criticisms. The Queensland team for Monday is as follows:—Goal, A. Tealby; point, R. L. Coren; cover point, N. Clough; third man, H. Elphinstone; right defence, A. Brown; left defence, P. L. Deane; centre, R. Pratten; right attack, H. Parquhar; left attack, W. Cavanagh; third home, E. Purcell; second home, P. M. Brew (captain); home, E. Parquhar. Reserves: Jack, K. Radford; defence, J. Buchanan. The three for Monday's game will be Mr. W. Smyth.

INTERSTATE TRIALS.

In previous years the Possibles v. Probables matches played for the purpose of giving the selectors aid in selecting the representative team, have been a regular feature, and this season the old practice was done away with, and more attention given to a definite practice game being played. On this occasion the interstate sides were selected without reference to a final goal, the Victorians having been selected the trial game was played for the purpose of giving the two teams

the necessary practice in team work. At the outset the work of the first team was of a very disjointed nature, it was not until the last part of the game that team work became evident.

The second team played better as a rule in the first half and third quarter, but in the last period the first's combination asserted itself, and the team became a force to be reckoned with. It is hoped that this method will be adopted in future selections.

By such an organised game being played the team work produced by both sides will be more surprising to many who were against the change from the old order of things.

NEXT SATURDAY'S SEMI-FINAL.

After all the excitement in connection with the interstate has been passed over, we come back to earth again, and begin to consider the possibilities of the coming premiership finals. On Saturday next Yeronga and Toombul meet at New Farm Park, and I think the latter will emerge victors on the day's play. Yeronga's hope is to displace the champions, but I do not think that that hope will be realised, they are not the team that they were last year, and the team work of the tri-colours will be too much for them.

Yeronga lacks this combination, and team work in their attacks, and with the ex-Victorian, Simpson, in the home position, even then I do not favour their chances of success.

Toombul home men in Wilson and Hubbard will prove too wily for the Yeronga defence, who will find this human scoring machine too elusive. Chelmer and Kallang will decide the issue at New Farm Park, and on form Chelmer should win. Kallang have done remarkably well this season, but

on each occasion on which they met Chelmer they went under to the Hady Cup winners. Both teams are training hard for this event. In any case, in the event of defeat, Chelmer holds the right to challenge. The final therefore on September 8th looks like being fought out as in former years by the old rivals, Chelmer and Toombul. Chelmer, having won the Hady Cup in the round just completed, will have their eyes on the premiership shield, and I understand arrangements have already been made to have their name as winners inscribed on the 1928 plate. The final game, apart from the interstate game, is expected to draw the largest crowd of spectators to ever witness a lacrosse match in this State. Great is the interest in the game at the present time, and the Toombul-Chelmer match has always attracted large numbers of onlookers. The interest in this final game therefore should eclipse that of previous seasons.

THE JUNIORS.

In the junior ranks the Chelmer and Kallang teams will probably battle for premiership honours. Chelmer had a very decisive victory over Clayfield last Saturday, and on the form displayed they are quite expected to give the undefeated Kallang team a thrashing in the game to be played on September 1st. The present round, apart from the premiership points, will decide the holders for the first time of the handsome Tealby Cup, and Chelmer are all out to be the first holders. Equally determined is Kallang to prevent that happening.

JOHN REID MEMORIAL CUP HANDED TO ASSOCIATION.

At the last association meeting of the Yeronga Club handed over the very handsome cup, which is to perpetuate the memory of the late Jack Reid, a member of that club. This cup is to be competed for in the junior premiership of the lowest grade, and should he won outright. On every occasion of the handing over of the cup one minute's silence is to be observed in memory of that fine player and sportsman in whose memory the cup has been given. The Yeronga Club will supply the engraved shields each year. In no other fitting manner could the Yeronga Club preserve the memory of their late team mate.

INTERESTING RECORDS.

In connection with the present visit of the Victorians, mention of the results of the previous games played with this State since 1910 will be interesting:—

1920, at Sydney carnival, Victoria won by 10 goals to 3.

1921, at Brisbane carnival, Victoria won by the narrow margin of 5 goals to 3.

1926, at Adelaide carnival, Victoria won by 12 goals to 3.

1928, at Sydney, Victoria won by 15 goals to 4 on a muddy ground, which suited the Victorians.

In the Queensland team, N. Wilson, as captain, will mark the fourth occasion on which he has filled this position. He led this State to victory in 1924 in Sydney and 1927 in Brisbane, and piloted the Queensland team to victory on two occasions in Sydney in June last. As vice-captain, P. Berry has filled this position on two occasions, and has represented Queensland on many occasions since 1922. Of the present members of the team, E. Clough and N. Wilson have represented Queensland against Victoria in 1920 and 1923, and in Sydney this year, J. Morton and E. Hubbard first represented this State in the 1926 carnival in Adelaide. The latter also played against New South Wales here last year, and in June last greatly impressed the Victorians with his play in Sydney.

Glendhill, apart from Parquhar, who played against Victoria in Sydney this year, the other members of the team are donning the maroon jersey for the first time against Victoria.

INTERSTATE LACROSSE.

QUEENSLAND v. VICTORIA.

QUEENSLAND WINS 6 TO 3.

The record crowd which witnessed the interstate lacrosse match between Victoria and the pick of Queensland at the Exhibition oval this afternoon was ample demonstration of the returning popularity of this exciting and spectacular winter game.

Owing to the prolongation of the early Rugby League game the teams did not take the ground till after 3.30 p.m. Both teams received an ovation on coming on the ground at 3.35 p.m. The Victorians were preceded by their woolly mascot, "Desmond."

The teams lined up as follows:—

VICTORIA.—Goal, P. Dentry; point, P. Murrawood; cover point, J. Kirkwood; third man, C. Wood; right defence, A. Deacon (captain); left defence, C. Dyson; centre, D. Jack (vice-captain); left attack, L. Barrett; right attack, M. Thornton; third home, P. Nutting; second home, L. D. Rainbow; home, K. Lee.

QUEENSLAND.—Goal, J. O'Reilly; point, P. Berry (vice-captain); cover point, G. Parquhar; third man, R. Glendhill; right defence, A. West; left defence, E. Wilson; centre, E. Clough; left attack, J. Morton; right attack, J. Brew; third home, L. Tealby; second home, N. Wilson; home, E. Hubbard.

The Queensland skipper won the toss and attacked the Machinery Hill goal, the Victorians gaining the disadvantage of the sun in his face. Queensland won the first face-off, and Hubbard sent to Wilson, who was checked by Deacon, who sent the ball up the field to Rainbow, who missed an easy shot at goal. An attack on the Victorian goal was intercepted by Murrawood, but Queensland regained possession. West, from centre, started a movement, which the Victorian defence broke up. Play was now up and down the field, both defences working hard. Jack made a long shot at goal, which O'Reilly collected. Queensland attacked, and Hubbard, receiving from Wilson, shot for goal, but Dentry effected a fine save. This was repeated later, but Queensland got the ball from behind the goal and Brew passed to Hubbard, who gave Wilson the opportunity of scoring first goal after seven minutes' play.

Queensland, 1; Victoria, 0.

Wilson and Hubbard featured in a bright bit of play, which Deacon spoiled, as Hubbard shot for goal. Faulty passing on the Victorians' part lost them the advantage near Queensland's goal. Morton passed to Hubbard, who this was intercepted by Deacon, who came through and passed to Rainbow, whose shot was cleared by O'Reilly. Jack's shot for goal hit the post, and on the Victorians regaining possession Jack received, sent to Dyson, who evened the scores from a close in shot.

The pace off after the resumption was won by Victoria, and a high pass by Nutting was intercepted by Berry. Hard play in front of Victoria's goal was seen up by Murrawood, but Clough affected a fine intercept, and went through until checked by Wood, and passed to Hubbard, who, although closely hampered by two Victorian defenders, netted. Queensland, 3; Victoria, 1.

Victoria now kept the ball in possession, but J. Brew received applause when he beat Thornton for the ball; the Victorians later regained possession. Fine passing was evident between the home forwards, but they were unable to get within shooting distance. On play being in Victoria's favour

INTERSTATE LACROSSE.

QUEENSLAND v. VICTORIA.

QUEENSLAND WINS 6 TO 3.

The Victorians attacked again, and Thornton's pass was intercepted by Parquhar, and from a misc-up in front of goal Rainbow was temporarily injured. West relieved in the defence, and brought the ball down the wing to Brew. The Victorian defence again cleared well, and Jack receiving sent in the ball to a very close nature around the goal. Rainbow threw in, and Morton collected, but the Victorians got it back again. An attack on the Victorian goal, in which Hubbard and Wilson figured, was stopped by Dentry, who sent upfield to Thornton, who sent a long pass to Nutting, which was cleverly intercepted by J. O'Reilly. Morton received and sent to Hubbard, and Tealby, receiving, netted with a fast shot.

Queensland, 2; Victoria, 1.

E. Wilson cleared from a Victorian wide pass to Morton, who went through, and three minutes later regathered and sent a high pass to Hubbard, but Tealby, on receiving was smothered by Murrawood.

Queensland was pressing at the end of the quarter.

First quarter scores:—

Queensland, 2; Victoria, 1.

At this stage Tranter replaced Kirkwood at cover point. Thornton passed wide, and Jack O'Reilly passed to J. Brew, whose wide pass was collected by the Victorian defence.

SLOW PLAY.

West fouled Barratt, who had a back-hand shot at goal, which failed. Jack's pass by Deacon was intercepted by Berry, who sent upfield to Morton, who gave Wilson a bad pass. Deacon intercepted. The ball came to Nutting, who passed high, but Queensland defence cleared. Wilson subsequent shot on goal was thrown short, and Tealby, collecting, was checked by Deacon. Morton, however, collected again, and good defence work by Murrawood gave Victoria the ball again. Queensland regained possession, and Hubbard's fine shot at Dentry's feet was well cleared by the latter. Again N. Wilson, from behind the goal, passed to Hubbard, who could not get the ball. Victoria's successive attacks were being well cleared by Queensland attacks. Morton came through, and gave to Hally, but the angle was too fine. The intense heat was causing the play to be on the slow side. The Victorians were showing visible signs of feeling the heat. A pass by Tealby to Clough was fumbled by the latter, and Don Jack obtained possession; but Queensland defence again cleared well. Rainbow's pass to Lee was intercepted by E. Wilson, but, faultily play, Queensland gave Victoria the ball. Jack came through and sent a high pass to Hubbard, who, although closely hampered by two Victorian defenders, netted. Queensland, 3; Victoria, 1.

SECOND HALF.

The pace off after the resumption was won by Victoria, and a high pass by Nutting was intercepted by Berry. Hard play in front of Victoria's goal was seen up by Murrawood, but Clough affected a fine intercept, and went through until checked by Wood, and passed to Hubbard, who, although closely hampered by two Victorian defenders, netted. Queensland, 3; Victoria, 1.

GINGER GOES TO THE LACROSSE MATCH.

THOUGHT IT WAS A BUTTERFLY CHASE.

DEER Sir,—The chips being light on, I decided to give the races a miss and as Sniffy was the same way we was stuck for somewhere to go yesterday afternoon. But Sniffy knew a bloke on one of the back galls of the Ekker and he was to have a cleep afternoon by givin the lacrosse a burl. I asked him if he knew anything about the game, and he said he didn't but that that didn't matter because he had the blokes who would be with the game up for the papers wouldn't know anything about it, eyother. So I see he got, the I've got me dows wot its ori about.

We got in orlrite, tho a John inside the gait eyed us orl a treet as tho we'd pinched something. There was a footy game on first, between Grammars and Cooperos, but me wasters said that the game is gona orf; there wasn't a decent mush in the whole bizness, tho one bloke was giv a send orf by the ref. But even at that he didn't do much, and in the days of Butcher Oxlade and Strlar Auslin would of been looked on as a cissy boy.

After that, there was a bit of a wall, and then some blokes come out dressed in shorts and caps, and I see to Sniff, "Hullo, there's gona to be a horse race," but he see, "Wake up to yourself, will yer, yer silly mug. There not jockeys. Them's the lacrosse blokes." Then I sor that they was carryin nets, and I thort that maybe they was gona out to look for butterflies, so I asked Sniff if they used butterflies in the game, and when a bloke behind larted I turned round and was gona to do him, but after lookin him over desired he could lart orl the afternoon if he liked, because he was about fifteen stone six, and my fightin weight is ten stone and a bottle in both hands.

Well, arter that another dozen blokes or so come out, and they spred themselves orl over the field like a soccer team. Then the ref. put the ball on the ground, and two blokes lent down and put their rackets side by side and the ref. sed, "Go," and they both scraped at the ball like a rooster does at the ground when he gets ecksighted. Then evry bloke on the field started to run about like hell tho the ball wasn't near 'em, and they was all wavin their sticks about as if they wanted to hipartise the other mob.

Well, they was runnin about a bit, and then orl of a sudden a bloke in red got the ball behind the goal, and he parsed it to another bloke in red while the goalie wasn't lookin, orw to not beln able to look both ways at once without goin cockeyed. And the seckund bloke in red caught it alick and smacked it into the net. The goalie must of been a bit batty, becouse he never even shifted while

they was havin pots at him, but stood there like a mug, and took the charnce of gettin a smack in the stummick any minit. I was wonderin if he got paid for it. Anyway, that meant that Queensland was a goal to the goal, and I giv a couple of cheers, knowin that there was more stickers for the home mob on the hill with me than Victorians, and there was no charnce of me gettin into a brori.

Arter that there was some more up and down play, but the Victorians used to drop passes a lot, there not beln a Scotchman in the team (Scotchmen never drop passes—you ask Harry Sunderland or Stan Phillips, who give out the football passes). However, they kept it up, and arter throwin the ball at the Queensland goalie a few times as tho they had a snout on him, one bloke got it and to make sure of scorin he had a sittin shot about a foot orf the goalie's nose, and of course even a Victorian couldn't miss that.

Queensland got another goal arter that, and then they stopped the game and changed round; lacrosse is divided, like a mandarin, into quarts, and they play it in four halves, not two like the football. The next time they had a rest was at hart time, neither side doin any good, and the score still beln the same when the rest occurred.

The next hart wasn't gona long when Queensland got the pill and started to chuck it about like it was a ping pong ball. It come to a bloke who Sniffy sed was Hubbard, tho how he know I don't know, and when he got it he was in a nest of Victorians; I think the whole blakin team rushed on him and evrybody seemed to be havin a smack at him with their sticks. I was lookin to see if the ambulans was ready to come over and pick up the pieces they was choppin out of him, but he must of had a soot of armor on under his togs, because he took no more notis of the hard knocks than Big Bill McCormack did of the ones he got over Mungana and Chillygo, and he scored a goal in spite of them. Ide like to have him on my side in a brori on a dark nite, espeshully if he brori his racket with him.

Well, Victoria pulled theirselves together and run up a cappel of goals that put them level and the mob started to barrack the Queenslanders. But this bloke Hubbard was a daddy, and him and another cove named Wilson put it orl over the visitors, and put on three more goals, Hubbard gettin two and Wilson one. The final scores was 6 to 3 in favor of Queensland, and there aint no dows about it we're not bad on the old sport fields. We might even win a cricket match if we keep on tryin.

No more from,
Yoras Ireilly,
GINGER JUNIOR.

The Victorian lacrosseurs last played a test match in Brisbane in 1923, when they beat Queensland 5 goals to 3. At the Sydney carnival in 1920 Victoria again won 19-3; at Adelaide, 1926, they gained the verdict 12-3; and earlier this year the Victorians once more beat Queensland 15-4, so that revenge on Saturday was sweet to the maroons. "Dismal Desmond," the spotted dog, carried into the arena by Victoria, proved an unfortunate mascot.

FIRST QUARTER.

The game started 25 minutes later than schedule time, owing to the football and athletic events. Queensland won the toss, and played down from the Ernest Baynes' grandstand, the visitors having the sun in their eyes. The face-off was won by E. Clough from the Victorian vice-captain, D. Jack. Rainbow had the first shot at goal, and missed. Gledhill relieved, and sent to N. Wilson, the Queensland skip transferring to Hubbard, whose shot was intercepted by Murrowood. Olive and take play followed.

Rainbow was checked by Gledhill, who threw to Morton, to Brow, who took the ball down field. Dyson combined well with Nutting, and Victoria looked dangerous, but Jack threw wide, and Gledhill saved the situation. Rainbow sent to Jack, who tried a long-angle shot without result. Almost immediately Hubbard and Wilson got going in front of the Victorian net, but Dontry cleared well, and repeated the save from eight yards in front, when Clough, Brew, Wilson, and Hubbard had co-operated in a good movement. Brow came from behind the goal, sent to Hubbard, who transferred to the Queensland captain. The latter opened the score for his team after seven minutes' play. Queensland 1, Victoria 0.

The pull-off was won by Jack, who gave to Deacon in position, but he made an abortive shot at the net. Hubbard and Wilson were brilliant at this stage. Jack and Rainbow played a high passing game, and Nutting threw wide, the light being against the Victorians for this class of play. West, Morton, and Hubbard got a combination going, but the Victorian skipper intercepted well, and sent to his attacks, Thornton and Barratt. An attack by Rainbow at the net was tempt by O'Reilly, who was making a good defence in goal. The Victorian centre recovered quickly, and hit the goal post with a hard-luck shot, but who the satisfaction a few seconds later of picking up, and sending to Dyson, who netted the first score for his side with a close-in shot. Queensland 1, Victoria 1.

Victoria pressed, and from a melee in front of the Queensland goal Rainbow got a nasty crack on the head, and was temporarily hors de combat. Barratt broke his crosse. Up and down play, with high passing by Victoria, followed, and they were forced to save from the Hubbard-Wilson combination. O'Reilly, in goal, had to rescue Queensland later from a movement instituted by Thornton, who sent a long pass to Nutting at third home. Hubbard gathered from Burrowood, and sent to Tealby, who, with a remarkably fast and clever shot registered the second goal for Queensland. Queensland, 2; Victoria, 1.

The left-defence man cleared for Queensland from another wide pass by Victoria, and the first quarter entered with the home team attacking. Murrowood, the Victorian point, out-generalled Tealby. Kirkwood, in a mix-up, broke his collarbone, and was replaced by Tranter, at cover-point.

INTERSTATE LACROSSE

Queensland Beats Victoria

VISITORS AFFECTED BY HEAT

Solid Play By Maroons

Since the war Victoria and Queensland have met five times to play lacrosse, but it was not until Saturday that Queensland was able to register a win. The game was not spectacular, and the Victorians' method of high passing, together with the heat of the afternoon, went against them. The home team attacks by lower and shorter passes were the main factors in gaining the verdict by 6 goals to 3. The attendance at the Exhibition ground was in the vicinity of 2500 and the gate takings £93.

SECOND QUARTER.

Victoria won the pull-off, and the play became patchy, the visitors very patiently feeling the heat. West fouled Barratt, and a free shot was saved by J. O'Reilly. Jack and Deacon got in some good work at this stage, which was shattered by Berry, who passed to Brow to Morton, the latter throwing wide. Nutting followed his example. E. Wilson, Brew, and Hubbard combined and sent to the Queensland skip, who threw short and missed. Tealby checked Deacon, and the Victorian defence was materially strengthened by Murrowood.

The long passes taken one-hand by the Victorians merited the applause which they evoked, and the game slowed up. N. Wilson cleverly dummed Deacon. Morton gave to Tealby, who tried a difficult angle shot without avail. Clough broke his stick, and lost a pass from Tealby. Jack, at centre, looked dangerous, but the Queensland defence was well organised. West came into action, but Clough did not make contact, and Dyson cleared well. Brew gathered, and sent to Morton, to Wilson, who was unlucky, his shot crashing off the post.

THIRD QUARTER.

With the shade thrown by the grandstand on to the field, the play briskened somewhat, although the whole game was not spectacular, and the crowd had thinned out perceptibly at half-time. Victoria won the pull off. A wide pass by Nutting was intercepted by Berry. Victoria's goal was strenuously attacked, but Murrowood relieved. Clough got in a neat intercept, and ran right down field until he had reached the Queensland goal, closely hedged, who shot a perfect goal. Queensland, 3; Victoria, 1. Dyson secured and sent to Thornton, to Rainbow, to Nutting, who threw wide. Jack Brew picked up from a scum, with Thornton, and play became livelier. Deacon gathered and sent to Thornton, who came from behind goal and gave to Nutting. The latter registered the second goal for Victoria. Queensland, 3; Victoria, 2. Hubbard and Wilson pressed in brilliant fashion around Victoria's goal, and Tealby combined well with Brow. Deacon gathered well and sent upfield to Rainbow to Nutting to Barratt, but West and Clough checked a likely movement. Barratt took a long pass from Deacon, and made the scores even. Queensland 3, Victoria 3.

The visitors, elated by their success, renewed the attack with vigour, and some long and particularly vicious shots at goal resulted. Wilson, Clough, and Hubbard's good team work was prettily destroyed by Deacon. Farquhar, at cover point checked hard, and the third quarter ended with scores still even.

FINAL QUARTER.

Queensland won the pull-off. A Wilson-Brow-Tealby movement was wrecked by Murrowood, who was particularly good at point, but he was ultimately goded by the Queensland skip who sent to Hubbard, and the latter made no doubt about netting the ball. Queensland 4, Victoria 3. Queensland pressed hard. Murrowood cleared again, and sent to Rainbow to Barratt to Lee, but O'Reilly in goal was playing a very certain and safe defence. Morton captured and sent to Hubbard, who transferred to Wilson, but he threw out wide. Victoria pressed hard around the Queensland goal. A clever underhand shot by Thornton just missed. Two free shots were given for illegal checking, the game being very willing as the evening shade made the temperature cooler.

O'Reilly came right down out of goal, to the Victorian's net, but could not register, and Wilson later missed a hard shot at Deacon's territory. Queensland got control, and with Tealby, who came from back of the goal, transferred to Hubbard, who, with a most spectacular shot, underhand and close to ground, netted. Queensland 5, Victoria 3. Murrowood illegally checked Hubbard shortly after the face-off won by the Maroons. Hubbard was really outstanding, and Murrowood had a hard task to mark him at any time. Morton gathered, and sent to the Queensland captain, who came from behind the goal to score. Shortly afterwards the full-time whistle blew with the scores:—Queensland 6, Victoria 3.

THE TEAMS.

QUEENSLAND.—J. O'Reilly, goal; P. Berry, point; G. Farquhar, cover point; R. Gledhill, third man; A. West, right defence; E. Wilson, left defence; E. Clough, centre; J. Brew, right attack; J. Morton, left attack; L. Tealby, third home; N. Wilson (captain), second home; E. Hubbard, home.

VICTORIA.—S. Deacon, goal; P. Murrowood, point; J. Kirkwood, cover point; G. Wood, third man; G. Dyson, right defence; A. Deacon (captain), left defence; D. Jack, centre; M. Thornton, right attack; L. Barratt, left attack; F. Nutting, third home; L. D. Rainbow, second home; K. Lee, home.

Referee, S. J. Smith; goal umpires, G. J. Flood (Victoria), S. W. Smyth (Queensland); timekeeper, H. W. Kilgour.

VISITORS ENTERTAINED

The Victorian team was entertained at a smoke concert in the Waitlie Cafe on Saturday night by the Queensland Lacrosse Association. Mr. J. S. Hutcheon (president) was supported by Messrs. J. Hiron (chairman), R. A. Littlejohn (honorary secretary), R. L. Coran (honorary treasurer), F. E. Deane (honorary assistant secretary), and Victorian and Queensland players.

After the loyal toast had been honoured, Mr. A. Deacon, captain of the visiting team, said he was glad for the good of the game in Queensland that the home team had won. Although weather conditions had adversely affected the Victorian play he was sure that the Queensland team would have won under any conditions, as they were the superior team.

In proposing the health of the Queensland lacrosse team, Mr. D. Jack, vice-captain of the Victorians, said that he considered the Queenslanders the finest body of sports he had ever met.

A musical programme was given by Messrs. R. Pike, C. Kolb, and V. J. Scanlan. Mr. C. Barclay acted as accompanist.

The visitors will be taken for a motor run to Redland Bay to-day to view the fruit farms. On Monday morning they will visit One Tree Hill, and in the afternoon will play Queensland's second team.

LACROSSE.

QUEENSLAND v. VICTORIA.

HOME TEAM DEFEATED.

At the Exhibition Main Oval yesterday afternoon, Victoria avenged the defeat suffered at the hands of the Queensland representative team on Saturday by defeating the second Queensland team by 8 goals to 2.

Conditions were more favourable for lacrosse than those which obtained on Saturday, and the Victorians were more at home. The teams were as follows:—
VICTORIA.—Goal, F. Dentry; point, P. Murrawood; cover point, G. Flood; third man, C. Wood; left defence, F. Tranter; right defence, A. Deacon (captain); centre, D. Jack; left attack, L. D. Rainbow; right attack, F. Nutting; third home, L. Barratt; second home, K. Lee; home, M. Thornton.

QUEENSLAND.—Goal, A. Tealby; point, R. L. Coven; cover point, N. Clough (vice-captain); third man, H. Elphinstone; left defence, F. E. Deane; right defence, A. Brown; centre, R. Pratten; left attack, H. Farquhar; right attack, W. Cavanagh; third home, J. Hammond; second home, F. M. Brew; home, E. Farquhar.

Referee, S. W. Smyth.
Queensland won the toss, also the first face-off. Victoria obtained possession from the defence, and on attacking, Brown intercepted. Victoria regained possession, and Nutting received a pass from Thornton, and beating Deane scored the first goal. Victoria, 1; Queensland, 0.

Queensland's movement was spoilt by Dentry, who relieved Upfield to Nutting, but Victoria lost possession through Deacon intercepting. The latter passed to Nutting, and Deane checked and Brown relieved. Later Jack's shot was well stopped by Tealby, and Clough got the ball away. On Victoria pressing again Barratt's shot was stopped by Tealby. Victoria were attacking hotly and Nutting tried to dodge the field, but fell in front of goal. Barratt, with a well played shot, netted the second goal. Victoria, 2; Queensland, 0.

Victoria won the resultant face-off, and Nutting secured and scored with a nice back-hand shot. Scores: Victoria, 3; Queensland, 0.

Brew intercepted, and passed to Farquhar, but the Victorian defence cleared, and passed upfield. Barratt attempted an angle shot. Tealby cleared well, but Nutting secured the ball and scored. Victoria, 4; Queensland, nil.

Dentry cleared from a Queensland attack, and came through and passed to Barratt, who missed his shot. The first quarter ended with Victoria leading by 4 goals to nil.

VICTORIA MAINTAIN THE AGGRESSIVE.

After the change over Barratt took the centre in place of Jack, whose leg was causing him trouble. H. Farquhar received from Brew, but his shot went wide. On Victoria obtaining the ball Barratt received, and dodged two men to score. Victoria, 5; Queensland, nil. Queensland started a movement in which H. Farquhar and Brew featured, but Dentry saved Farquhar's shot. Flood took play into Queensland's territory, but Tealby relieved the pressure. Play ranged up and down the field, with Deane, Elphinstone, and Coven constantly relieving for Queensland, and Dentry, Flood, and Deacon for Victoria. An injury to Deane necessitated his leaving the field, and Buchanan took his place. On the ball coming into the Queensland defence area, Buchanan missed the pick-up, and Thornton goalied. Victoria, 6; Queensland, nil.

From the draw off Cavanagh made a fine run, dodging two men, but Dentry saved. Hammond received from H. Farquhar, and Dentry made a fine save. The half-time scores were: Victoria, 6; Queensland, nil.

SECOND HALF.

Pratten had to leave the field owing to injury, but later returned. An angle shot by Jack was well saved by Tealby. Rainbow dodged Elphinstone and scored. Victoria, 7; Queensland, nil.

H. Farquhar received from Brew and scored. Queensland's first goal. Third quarter's scores were: Victoria, 7; Queensland, 1.

Pratten secured from E. Farquhar and scored the second goal for the home team, making Queensland two goals to seven. From the face-off Hammond passed to E. Farquhar, but Murrawood intercepted and passed upfield. Hammond again secured and passed to Brew, whose shot was well stopped by Dentry. Deacon came through, and dodging the Queensland defence netted the final score for the visitors, making the scores: Victoria, 8; Queensland, 2.

Queensland's defence failed in marking their men too closely instead of the ball, and lost many opportunities of clearing. Of the home team M. Brew, H. Farquhar, and J. Hammond worked well, and in defence Elphinstone, Brown, and Buchanan cleared well. Tealby in goal was not up to his usual form. The visitors' principal players were Deacon and Murrawood in defence, and in goal Dentry was sure. Nutting and Rainbow in attack were the most conspicuous. G. Flood as cover point held the back line well together, and played a cool and determined game.

Mr. G. J. Flood (manager of the Victorians) said he was sure many friendships would be made with Queenslanders as a result of the visit. There is no doubt that these interstate games are very fine from a friendship, as well as from an educational point of view. We are looking forward to a good game tomorrow. I hope you are not expecting too much. We are all in very good form, though, and we have brought the best team that was available.

Mr. A. J. Deacon (captain of the visiting team) also responded, and the function closed with the honouring of the toast of the Mayor, with musical honours, on the motion of Mr. John Hiron (deputy president of the Royal National Association), who has been actively associated with lacrosse for more than 30 years.

Among those present were: Messrs. J. S. Hutcheon, J. Hiron, J. Holdsworth, F. Bellingham, N. White, J. S. R. Wyllie, R. Conchie, A. C. Thorpe, R. J. Hartigan, S. J. Smith, T. Wilson, T. Buchanan, T. Clouston, V. Morley, W. Blakey, Brigadier-General J. H. Cannan, Messrs. R. L. Coven, P. E. Deane, R. A. Little, N. Wilson, P. Berry, S. Phillips, J. O'Reilly, George Farquhar, R. Gleadhill, A. West, E. Wilson, E. Clough, J. Brew, J. Morton, E. Hubbard, L. Tealby, N. Clough, M. Brew.

Nutting; second home, L. D. Rainbow; home, K. Lee. Reserve, F. Tranter.

The Queensland team will be as follows:—Goal, J. O'Reilly; point, P. Berry; cover point, G. Farquhar; third man, R. Gleadhill; right defence, A. West; left defence, E. Wilson; centre, E. Clough; left attack, J. Morton; right attack, J. Brew; third home, L. Tealby; second home, N. Wilson; home, E. Hubbard.

The Queensland team has been training diligently, and a great game is expected. There is every hope of Queensland avenging the defeat suffered at the hands of Victoria in Sydney in June last. The Victorians come from a State with a great reputation, and much is expected from them this afternoon.

QUICK THOUGHT.

VALUE OF LACROSSE.

VICTORIANS ENTERTAINED BY MAYOR.

"Lacrosse is a splendid game from the point of view of developing young men physically. It teaches them to think quickly, and to act quickly. It teaches them an important rule of life: 'Think before you act.' It is therefore important from a national standpoint," said the Mayor of Brisbane (Alderman W. A. Jolly, C.M.G.) in welcoming the Victorian lacrosse team at the City Hall yesterday. "Whatever the result of the matches you are going to play, I am sure you will have an enjoyable stay in Queensland, and that you will take back to Victoria many pleasant memories," he added.

Mr. J. S. Hutcheon (president of the Queensland Lacrosse Association) joined the Mayor in extending a hearty welcome to the visitors. He recalled the first visit of a Victorian Lacrosse team, in 1906, when abiding friendships had been formed. One of the great advantages of reciprocal interstate visits was the solid friendships that were cemented between members of the different teams. Lacrosse, unfortunately, was not regarded as one of the major sports of the Commonwealth. Nevertheless, there was a great deal to be said in its favour. First of all, it would never be put on a cash basis—no one would ever make any money out of it. That would commend itself to all lovers of clean sport. Many sports to-day were being ruined by the commercial instinct. Lacrosse developed both mind and body, it called for close attention to detail, quick thought and intelligence, and remarkably quick acting. In addition, it was a very strenuous game, well worthy of a support of a large portion of the public, so that it would become one of the recognised athletic exercises for the youth of the community. He hoped the games of Saturday and Monday would be keenly fought, and that there would not be very much difference between the teams at the finish. There was not nearly the element of luck in lacrosse that was found in other games.
