O. Wilsnah (soccer), A. F. Wilson (assistant secretary), G. Flood (lacrosse), S. Stevens (Sports Relief Committee), C. Moir (hockey), Sitting: W. W. Greener (secretary), H. R. Balmer (chairman), J. S. McCann (Australian football), F. H. Cowper (rugby), E. Cowley (baseball) and H. G. Pennell (rugby).

## LACROSSE

Camberwell Defeat Williams.  
town.

Melbourne High School Old Boys fought desperately against the powerful Malvern attack. The sectional scores were, 4-2, 12-3, 20-3 and 2-1 to 4. The winners' best were Waring, H. Beattie, Edwards, Lovegrove, Unkenstein and Pace, and their goals were thrown by Edwards (10), H. Beattie (6), J. Beattie (4), Foster (2), Lamont, Woods and Knowles. For the Old Boys, Gar Stewart, W. McCay, Allen and Bayliss were best in defence, and their goals were thrown by C.

Results in the other sections were as follows:—

defeated Canfield 2. Hawthorn 22 defeated Corburn 2. Melbourne High School Old Boys 8 defeated Sunshine 6. Power House 12 defeated Old Trinity Gammarians 2. E. Section—Williamstown 4 goals defeated University High School Old Boys 3 goals. Deaf School Boys 6 defeated Working Men's College H. L. Exendon 21 defeated Williamstown Wanderers 3. St. Kilda and Working Men's College 1 drew, with 3 goals each.

This is a blank, aged, cream-colored page, likely an endpaper or flyleaf of a book. The paper has a slightly textured appearance with some faint smudges and discoloration, characteristic of old paper. The left edge shows the binding of the book, with visible stitching and the inner hinge. The overall tone is a warm, off-white or light beige.

Malvern—Williamstown), Kloester (Ivanhoe—  
dult Deaf), Nathan (University—Essendon).

### Malvern Defeat Camberwell.

**A SECTION.**  
Williamstown take the lead in this section by virtue of their victory over Malvern, and the standard was worthy of senior section. Both sides are strong in defence, and the low scoring is a good sign. Williamstown led 1-0 at quarter-time, and at half-time were 4-2. Malvern secured the only goal for the first

SECTION.

and Raines (2 goals). McMillan, Grant and Tyner were outstanding.  
Gambroville defeated Arroyo after an even

Caulfield made the game against Y.M.C.A. safe by scoring 10 goals to win in the first quarter. Y.M.C.A. put up stronger opposition thereafter and the final score was—Caulfield, 20; Y.M.C.A., 6. The winners' goals were thrown by Reigeluth (11), Barrett (4), Crossley (2), Black, Nutting and Hyams. For Y.M.C.A.: Nichol (3), Notman (2) and Howie

**Results in the other sections were as follows:**

A Section.—First Division: Max Hill 1 goal; G. Glen 1st 10 goals; Malvern 12; Melbourne High School Old Boys 9; Hawthorn 7; St Albion 6; Scotch College 5; Middle Laite 16 d.; South Melbourne Technical School 8; Williamstown 7 d.; Hawthorn 5.

B Section.—Essendon 8 goals; Caulfield 7 goals; University High School 7; Scotch College 7; Hawthorn 6; Trachena 5; Colville 12; Brunswick 23; Royal Australian Naval Reserve 10.

C Section.—Piper House 15 goals; Brighton 4 goals; Melbourne High School Old Boys 21 d.; Hawthorn 2; Williamstown 1; Scotch College 1; Northcote 1; St Albion 1; Trinity Grammarians 17; Victoria College School Old Boys 13; Northcote High School 10; Scotch College 1; Meahine 1 by e.

D Section.—Williamstown 16 goals; Trinity Grammarians 1 goal; Scotch College 1 goal; Essendon 11; Deaf Boys' School 23 d.; Williamstown Wanderers 1; Scotch College 2 d.; University High School 1; Scotch College 1; Working Men's College 1, 8.

Big Lacrosse Tournament on M.C.C.  
KING'S BIRTHDAY Admission 6d.

'18' Thurs June 7th 1933.

**LACROSSE.**  
**INDOOR GAMES COMPETITION.**  
The box lacrosse competition opened last night at Wattle Path Palais, Esplanade, St. Kilda, and seems likely to attract an even larger following than did last season's games. In an endeavor to maintain a high standard the contestants have been restricted to teams from the clubs engaged last night, and an attractive programme has been drawn up on premiership lines. The result of the initial night's programme was: Caulfield 12 d. University 7, Camberwell 3 d. Williamstown 7, Malvern 14 d. M.C.C. 5.  
The next meeting will be held on Wednesday, 14th inst.

## COMBINED TEAM AND MALVERN

### Bright Lacrosse Expected

### OTHER GAMES

By "Point"

The Victorian Lacrosse Association has arranged a game between Malvern, which is regarded as the outstanding team in Australian lacrosse, and a combined team selected from the best players from the University and Caulfield clubs for the amateur sports carnival at the Mordorome next Saturday.

The teams are—  
Malvern—J. Beattie, Brerley, H. Beattie, Lamont, Unkenstein, Edwards, Knowles, Longrove, Waring, Foster, Woods, Page, Reserves, Diben and Healy.  
Combined Team—Dentry, Gibbs, Gray, Hamill, Corrigan, Eddy, Sillington, J. Murrenwood, Jarrett, Cutts, Booth, Reserves, Schmidt and Matthews.

The combined team will play in the Caulfield colors. The match will start at 2.15 p.m. At the end of the game all the players will participate in the parade of all the sportsmen engaged in the various contests.

### OTHER GAMES

Because of ground difficulties at the end of the season, the Victorian Lacrosse Association was unable to postpone all its fixtures for next Saturday, and, as a result, three senior matches, as well as the usual junior fixtures will be played. The best game of the senior contests will be at the Canterbury Cricket Ground, where Camberwell will be at home to M.C.C.

After M.C.C.'s collapse against Williamstown last Saturday, Camberwell is expected to win, but as Douglas will be back in the cricket club side, it will be a much stronger combination.

At the Williamstown Gardens Reserve, the Williamstown team will meet North Fitzroy. Although North Fitzroy is a very determined side, they will probably find the stickwork and speed of Williamstown a little more than they will be able to cope with.

Coburg, after their fine performance against Malvern last week, have proved their ability to play good, sustained lacrosse. For this reason the Melbourne High School Old Boys will have to go all out on Saturday if they are to win.

Because of the sports carnival the "A" section game between Y.M.C.A. and University will be played at the Albert C.G. and not at the Amateur Sports Ground.

### BOX LACROSSE

The first of this season's box lacrosse matches was played at Wattle Path Palais last Tuesday night. This year six teams are playing a series of matches for the indoor premiership.

Dug Marshall, the interstate player, on Tuesday applied to the permit committee for a transfer from Coburg to Williamstown. The committee has held the application over until its next meeting, but it will not be a surprise if the matter is referred to the full meeting of the V.L.A. on Wednesday.

The following referees will officiate at the senior games to be played on Saturday: Kloester (Williamstown-North Fitzroy), Axford (Coburg-Melb. High School Old Boys), Lewis (Camberwell-M.C.C.).

"A" Section.—Wilkins (Y.M.C.A.-University), Marks (Ivanhoe-Camberwell), Mahood (Williamstown), Zercho (Malvern-Escondon), Wignall (Caulfield-Adult Den).

### LACROSSE.

#### M.C.C. Defeat Camberwell.

M.C.C. had been so soundly defeated by Williamstown that they were not generally expected to ever extend the strong Camberwell side, especially as the latter were at home. They upset all calculations by putting up their best performance for the season. M.C.C., with fine stick work and good cohesion in attack, gained an early advantage, and in a quarter where the pace was fully on they had 4 goals to 1. Camberwell's defenders were over anxious. Many openings were left for the opposing attackers. In the third quarter the outstanding feature was the perfect understanding amongst the M.C.C. defenders. They were kept fully occupied. At the first change M.C.C. led 9 goals to 6. Camberwell, exhibiting the defence wings to advantage, gradually made up this lead, but M.C.C. scored the winning goal, 11 to 10. The winners led a very even side, with Swainson, Morgan, Leigh, Brooks, Melrose, Reid and Nelson most in evidence. For Camberwell, Fox, McCorkell, Sparrow, Dickinson and Smith were most effective. The winners' goals were scored by Swainson (6), Hough (3), Leigh (2), Melrose, and for Camberwell Fox (3), Kerrigan (2), Lillman (2), Evans, Sparrow and Grant, were successful.

Coburg is the mystery team of the senior section. The Old Boys opened the season well, but have rather disappointed in their last few games, and Saturday's return to the field proved most heartening. Coburg's defence was very ragged in the early stages. The second term was responsible for a greatly improved display, but the Old Boys at half time had a score of 10 goals to 6. In the final quarter Coburg seemed to find their true attacking form, and with Ashby, Paddy and O'Gorman showing admirable anticipation, they overhauled the visitors and won in the last minute with a score of 15 goals to 11. Coburg's best players were Hutchinson, Cole, Ashby, Paddy, and their goals were scored by Ashby (5), Hinchey (4), Hutchinson (3), and O'Gorman. For the losers, Gray (in goals) gave an excellent display, and was well supported by Hayles and Glover. The goals were thrown by Hayles (3), Allen (3), Clarke (2), Jenkins (2) and May.

Williamstown were superior in every department of the game against North Fitzroy. The pace and stick work of the winners enabled them to gain an early lead, and although North Fitzroy fought gallantly they were outplayed. Sectional scores were—5, 6, 1, 104 and 13.

4. For Williamstown, Hutchinson, Hutchinson, and Read, were probably the best, and their goals were thrown by Menkennell (5), Moorhouse (3), Hick (2), Crook (2) and Read. North Fitzroy were best served by Hinchey, Lake, Hudson and Logan, and the successful forwards were W. Logan (2), B. Clarke and M. Logan.

### A SECTION.

Caulfield put up their best performance for the season in defeating the Adult Den side in a high-scoring match. Both teams were strong in attack, but fairly clearing by the respective backs were chiefly responsible for the score. The sectional scores were—4, 2, 2, 11-3 and 17 to 10. The winners' best were H. Pollard, Bain, Black, Crossley and Drew, and their goals were thrown by Bain (3), Black (4), Harratt (3), Reid-Smith (3), Gibbs and Crossley. For Adult Den, McGuinness (5 goals), Henry (3), Grant (2) and McWilliam were most prominent.

Williamstown are always strong in attack, and their stick work and positional play was worthy of senior standard in their engagement with Artillery. Terminal scores were—5, 11-3, 10-4 and 20 to 6. The winners' best were Robinson, Hiddle and Holdsworth, and their goal throwers were—M. Murrie (5), Ford (7), Henderson (2), Burgoyne, Holdsworth, Hiddle. For Artillery, Barnes, Head and Wickman were always prominent, and the goals were obtained by Workman (4), Smart and Barnes.

Malvern, like Williamstown, are very strong in attack, and the return of Claque has strengthened this division of their team. They were too strong for, and more resourceful, than Escondon. The quarter scores were—1, 2, 11-4 and 21 to 6. Claque (8 goals), Nichol (8), Anderson and Tranter were most prominent in a very even side, and the balance of the goals were scored by Lanbury (3), Peggam, Pate and Webb. Escondon were best served by Lewis (2 goals), Trenear, McCauley and Trewarne.

Camberwell showed a return to form in defeating Ivanhoe in a fast and clean game. The winners' ability to convert scoring chances and prowess in attack was the chief factor in their victory. Sectional scores were—5, 2, 2, 8-4 and 9 to 6. The winners' best players were Golland, Hart, Evan and Jones, and their goals were thrown by Webb (4), Griffiths (4) and Duncan. Ivanhoe were best represented by Elsom (3 goals), Lader (3), Crozier and Dixon.

University were always in control in their game with Y.M.C.A. Terminal scores were—4, 7-5, 13-3 and 18 to 6. Shann, Bradley, Gray, Hinchey and Muller were outstanding for the Students, whose goals were thrown by Bradley (3), Kerr (4), Muller (2), Dufeman (2), Trehearne (2), Gore and Muller. For Y.M.C.A., Raymond, Kennedy, Hough and Nichol were most in evidence, and the goals were scored by Nichol (2) and Notman (2).

Results in the other sections were as follows—

B Section.—First Division: Melbourne High School Old Boys (10 goals) d. Hawthorn (3 goals), Malvern (7 goals) d. Box Hill (3 goals). Second Division: Williamstown (3 goals) d. Coburg (7 goals), Intermediate League (4 goals) d. Hartwell (2 goals), Caulfield (3 goals) d. South Melbourne Technical School (3 goals).

C Section.—Escondon (11 goals) d. University High School Old Boys (9 goals), Brunswick (25 goals) d. University (3 goals), Royal Australian Naval Reserve (25 goals) d. Camberwell (15 goals).

D Section.—Brighton (10 goals) d. Camberwell (9 goals), Working Men's College (12 goals) d. Malvern (11 goals), Power House (10 goals) d. Hawthorn (7 goals), Old Trinity Grammarians (11 goals) d. Caulfield (11 goals), Melbourne High School Old Boys (7 goals) d. Williamstown (3 goals), Sunshine (7 goals) d. Coburg (4 goals), University High School Old Boys a bye.

E Section.—Trinity Grammar School (9 goals) d. Williamstown Wanderers (4 goals), Williamstown (12 goals) d. Working Men's College I. (1 goal), University High School Old Boys (6 goals) d. Working Men's College II. (1 goal), Caulfield (8 goals) d. Draf Board School (6 goals), St. Kilda (6 goals) d. Escondon (1 goal).

### EXHIBITION GAME.

Lacrosse was represented at the Amateur Sports promotion carnival in an exhibition game between Malvern and a combined Caulfield-University side. The game resulted in a win for Malvern with a score of 4 goals to 2. The combined team was at a disadvantage, but both sides gave a good exhibition of stick work and tactics, and created a very favorable impression.

## EVENLY MATCHED TEAMS

### Lessons of Lacrosse Season

#### THIS WEEK'S MATCHES

##### By "Point"

Camberwell's defeat last Saturday by Melbourne Cricket Club was a big surprise and showed that this season the senior section teams are much more evenly matched than has been the case for some time.

Camberwell, although disappointed by their failure against M.C.C., will visit Caulfield on Saturday with the firm intention of proving that last week's display was not their true form.

So well have Caulfield been playing in their recent games that they are confident that Camberwell will receive a further set back. There is no doubt that the Caulfield players have been more determined lately.

##### NOSE BROKEN

Although Smith of Camberwell had his nose broken in a collision with Douglas, the M.C.C. forward, last week, he hopes to be available to play against Caulfield.

The game at the Albert Cricket Ground between M.C.C. and University should be another good game. Many of the M.C.C. players migrated from University and while neither side spares the other the matches between these teams are always clean and enjoyable.

At the Show Grounds North Fitzroy and Malvern meet, and while it is too much to expect North Fitzroy to win they can be relied upon to keep the leaders busy.

Williamstown will go to Forest Hill for their engagement against Melbourne High School Old Boys. The seashore should not find the opposition too strong for them.

##### BOX LACROSSE

The box lacrosse committee has announced the following series of matches to be played at the Wattle Park Palais next Wednesday evening:—University and Malvern; Caulfield and Camberwell; M.C.C. and Williamstown.

Mr. C. O. Lee, the secretary of the International Lacrosse Federation, whose headquarters are in London, has written to the Australian lacrosse authorities suggesting that Australia join the federation. It is hoped by the federation to have lacrosse placed on the list of Olympic sports as an official game instead of being purely a demonstration game.

The referees appointed for the senior matches to be played on Saturday are:—Axford (North Fitzroy-Malvern), Marks (M.C.C.-University), Lowns (Caulfield-Camberwell), Rabbling (M.H.S. Old Boys-Williamstown).

"A" Section.—Kloster (Y.M.C.A.-Artilery), Izatt (Camberwell-Adult), Deaf, Floyd (Williamstown-University), Simpson (Essendon-Caulfield), Wignall (Malvern-Ivanhoe).

## LACROSSE.

Camberwell, despite the absence of Lilburn and Smith (two of their inter-State representatives), soon demonstrated their superiority over Caulfield. At quarter time they led 5 goals to 0. Caulfield played with more purpose in the second quarter. Camberwell led 8 goals to 0 at half time. Both sides were frequent offenders in "one-handedness," and the checking was frequently wild and unavailing. The second quarter ended with Camberwell ahead, 8 goals to 2. The third term provided the best standard of the match. Caulfield were definitely on top. Camberwell won, 13 goals to 6. The winners' best were Kerrigan, Bird, Golland, McGorill, Dickinson and Evans, and their goals were scored by Dobbie (4), Fox (3), Evans (2), Kerrigan (2). Caulfield played very unevenly, their best being J. Marwood, Main and V. Dibba. Their successful forwards were J. Marwood (2), Main, Dooth and Sittlington.

Malvern's dependence upon the leadership and personal efficiency of J. Beattie was never more pronounced than in their engagement with North Fitzroy. Sectional scores were:—Malvern, 2-0, 1-5, 10-5 and 12 to 6. The winners' best were Knowles, Edwards, Unkstein and Brifery and their goals were obtained by Knowles (4), Edwards (3), Foster (3), Lamont, Woods and Page. For North Fitzroy, M. Logan, Lake, Hudson, Hinchey and Clarke were most under notice, and their goals were obtained by W. Logan (2), M. Logan, Wade and Tulloch.

The M.C.C.-University game was a particularly good exhibition. The students, as usual, gave their best in the opening stages, and up to three-quarter time were on level terms, with 11 goals each. M.C.C., following on their fine win over Camberwell last week, are again definite premiership possibilities. Sectional scores were:—M.C.C., 2-7, 11-11 and 17 to 11. The winners' best were Douglas, Worcester, Hough, Robson and Wrixon (in goals), and their goals were scored by Douglas (7), Hough (4), Swinger (2), Gill (2), Robson and Leigh. For University, Hore and Gray were best in defence, and their successful attackers were Corbett (4), Matthews (3), Outis (2), Glancy and Edder.

Williamstown were more extended than was expected by Melbourne High School Old Boys, and appeared in the early stages to be taking their opponents too easily. The terminal score was 2-4, 6-3, 6-3, 6-3. The winners' best players were Jenkins, Fowler, in defence, and Menhennett (4 goals), Hogarth (2), Perrie and Mouchmore. For the Old Boys, McGregor and Gray, May, Jenkins and O. Baylis were most prominent.

##### A SECTION.

Neither Artilery nor Y.M.C.A. have registered a win this season, and their meeting on Saturday afternoon left them in the same position, for a keen and fast game resulted in a draw—5 goals each. For Y.M.C.A. Munce, Y. C. Nichol were most prominent, with the goal throwers Nichol (4), Notman (2), Howie and Wilson. Artilery were best served by Workman (5 goals), Huggin, Roper and McNaughton. Caulfield and Essendon staged a splendid match in which the goal-keeping of Davey for the first-named proved to be the decisive factor. The terminal score was 3-1, 6-3, 10-5, 11 to 6. The winners' goals were thrown by Black (3), Reigelhuth (3), Main (3), Gibbs (2), and for Essendon V. Cohen (4), Trewara (3), Lennie and K. Cohen.

Williamstown and University were opposed in a fast and clever game, in which the positional play of the former enabled them to take full advantage of their superior strength amfield. The quarter scores were 1-1, 1-3, 1-3, 17 to 6. For the winners Middle, Sutcliffe, Ford and O'Brien were most prominent, and their successful forwards were Ford (7), Walton (4), Sevgren (3), Middle (3). University were best served by Brailley, Kerr and Mullie. Their goals were scored by Bradley (5), Muller, Mullie and Trethewie.

Malvern, after an even first quarter, were never seriously extended by Ivanhoe, and the winners' strength in attack is worthy of senior ranks. The final score was 10 to 1 in their favor. Malvern's goals were obtained by Edwards (3), McDonald (4), Nichol (4), Lansbury (2) and Martin.

Results in the other sections were as follows:—B Section.—First Division: Brighton 2 goals d. Melbourne High School Old Boys nil, Malvern 9 d. Glen Iris 7, Box Hill 12 d. Hawthorn 8. Second Division: Intermediate Legacy 14 d. Coburg 2, Hartwell 12 d. South Melbourne Technical School 1, Williamstown 11 d. Caulfield 9. C Section.—University High School Old Boys 13 goals d. Camberwell 8, University 16 d. Teachers' College 10, Brunswick 26 d. Caulfield 1, Essendon 15 d. Royal Australian Naval Reserve 10.

D Section.—University High School Old Boys 18 goals d. Camberwell 7, Coburg 19 d. Hawthorn 11, Working Men's College 5 d. Sunshine 4, Old Trinity Grammarians 9 d. Morn 8, Williams Town 4 d. Power House 4, Melbourne High School Old Boys 16 d. Caulfield 6, Brighton 4 bye.

E Section.—University High School Old Boys 17 goals d. Williamstown, Warrern nil, Williams Town 12 d. St. Kilda 7, Working Men's College 10 d. Trinity Grammar School 5, Working Men's College 11 d. Caulfield 1, Essendon 13 d. Deaf Boys' School 8.

## SATURDAY'S LACROSSE

### Lower Teams In Good Form

##### By "Point"

Although the leading teams in the senior section are not drawn to meet on Saturday, so marked has been the improvement in the form of most of the teams lower on the list that every match may produce unexpected results.

At the Bell Street Reserve, Coburg, which has been playing well, will meet M.C.C. M.C.C. should win.

At Malvern the home team will meet Caulfield. The experience of Malvern will probably prevail.

At the University oval, University and Melbourne High School Old Boys will meet, and the home team will probably win, although the Old Boys are playing well. Last Saturday, against Williamstown, M.H.S. Old Boys proved that they are an improving team.

Camberwell will be at home to North Fitzroy. Both sides play hard, fearless and dashing lacrosse. Camberwell showed fine form last week against Caulfield, and North Fitzroy ran Malvern close. Camberwell will probably win.

Williamstown have the bye.

##### LEADING TEAMS

With the season almost half way through, the leading teams in each section are:—Senior.—Malvern, 32; M.C.C., 28; Williamstown, 24; Camberwell, 24; Caulfield, 16.

A Section.—Williamstown, 32; Malvern, 28; Camberwell, 20; Ivanhoe, 20; University, 20; Caulfield, 16.

B2 Section.—Legacy, 23; Williamstown, 28; Hartwell, 24.

C Section.—Brunswick, 32; Essendon, 28; R.A.N.R., 20; University H.S. Old Boys, 20.

D Section.—Power House, 28; Williamstown, 28; Sunshine, 24; Melbourne H.S. Old Boys, 24; Working Men's College, 20; Malvern, 18.

E Section.—Williamstown, 32; St. Kilda, 22; Essendon, 22; University H.S. Old Boys, 20.

In the first division of the B section only one game separates the first five of the six teams. Hawthorn, Malvern and Box Hill are equal at the head of the list, with Glen Iris and Melbourne High School Old Boys only one game behind. Brighton is well behind.

Once, the University forward, after having been out of the game for some time, will reappear on Saturday with the Students' A team.

##### FORWARD AS KEEPER

The value of Jack Beattie, Malvern's capable skipper, was shown last week when, against North Fitzroy, Malvern won in his absence, but without the usually well-directed combined play.

Camberwell did well to defeat Caulfield without Smith and Lilburn was injured against M.C.C. and Lilburn was ill. A recruit from the juniors, Golland, created a good impression, and should become a valuable and permanent member of the side.

How often a good forward makes a good goalkeeper was shown on Saturday last when Cantwell, the M.C.C. goalkeeper, was not able to play. Wrixon, the ex-interstate forward, took his place and did well.

The 2-0 game played between Brighton and Melbourne H.S. Old Boys in the B section match last Saturday is the lowest scoring contest in Victorian lacrosse for years.

## LACROSSE.

The second round of the box lacrosse competition was played last night at the Wattle Path Palais. Results:—Malvern 8 beat University 2, Camberwell 12 beat Caulfield 7, Williamstown 10 beat M.C.C. 4.

"Age" Thurs June 22nd 1933

LACROSSE.

Malvern Defeats Caulfield.

The Malvern v. Caulfield match on the Malvern Cricket-ground, which was won by Malvern by 9 goals to 1, was remarkable for the low scoring in the first half. A hard and fast game in the opening quarter, with Caulfield attacking vigorously, was without definite result. The goalkeeping in both teams was good. The second quarter was well advanced before J. Beattie scored first goal for Malvern from a good pass by Foster. Malvern's second goal, scored by H. Beattie, out of a scrimmage in front. The back play of Caulfield was a feature in this quarter. He cleverly intercepted the ball with his stick, and at half-time Malvern led 2 goals to 1. In the third quarter Malvern scored 3 goals, H. Beattie, out of a scrimmage, being frequently. In the final quarter Malvern scored 4 goals to 1, nearly all being scored in the latter half. The goalkeepers were J. Beattie, Knowles, Foster, Waring, H. Beattie, Hickey, and Underhill. Malvern's forwards were J. Beattie, Knowles, Foster, Waring, H. Beattie, Hickey, and Underhill. Malvern's backs were J. Beattie, Knowles, Foster, Waring, H. Beattie, Hickey, and Underhill. Malvern's goalkeepers were J. Beattie, Knowles, Foster, Waring, H. Beattie, Hickey, and Underhill.

CAN MALVERN KEEP RECORD?

Williamstown's Hopes At Lacrosse

KEEN TUSSLE PROMISED

By "Point"

Since Williamstown created a sensation by defeating Malvern in their first game in the senior section, the meeting of these two teams has never failed to attract considerable interest among Lacrosse enthusiasts.

On Saturday they will face each other at the Malvern cricket ground. When they met at Williamstown on the third Saturday of this season, Malvern had to play very hard to win, and since then the seniors have been showing much improved form, so that it is not to be wondered that Saturday's match is expected to be the game of the year.

Williamstown are confident of turning the tables and giving Malvern their first defeat of the season. Both teams play fast, determined and dashing lacrosse, and on each side are some of the best exponents of the Canadian national game in this State.

OTHER GAMES

At the Canterbury cricket ground, Canterbury will be at home to University, while the University will play the Canterbury players is expected to gain the victory. The University men never fail to extend their opponents.

At the Albert Cricket Ground, North Fitzroy will visit the M.C.C. team, and while not optimistic enough to expect to win, North Fitzroy should keep the cricketers hard at it all day. North Fitzroy last week played particularly well against the strong Canterbury side.

Whenever Caulfield and Coburg meet there is little between the scores, and on Saturday at the Caulfield Cricket Ground the engagement between these two sides should be well worth watching.

AMENDMENT OF CONSTITUTION

The special meeting of the V.L.A. last Monday night to consider amendments to the Constitution did not complete its task, the meeting being adjourned until next Wednesday. It is now some years since it was first decided to attempt bringing the V.L.A. into the up-to-date, and the special meeting was held to consider a permit lodged by the Interstate player, D. Marshall, to transfer from Coburg to Williamstown. It was considered by the V.L.A. on Monday night, and to preserve to Marshall a right of appeal if the permit is refused the application was referred back to the Permit Committee, with power to act. Marshall is now residing in Williamstown.

To avoid confusion, the length of the playing field will remain at 85 yards until the end of the season. While this decision may upset our interstate team in Adelaide, where the old length will be played, it is felt that it is now too late in the season to change over for the usual club games. The V.L.A. has not yet decided in which way it will vote on the question at the Australian Council.

FEARS OF INJURY

As so many of our leading players will not participate in the Box Lacrosse game through fear of injury, many players with their week-end matches, the V.L.A. will call a meeting at an early date to decide the future of the game. The juniors are very keen, but the seniors are not as keen on the thrills and spills of the game on the hard wooden floor. Some club committees have reserved the right to prohibit their best players from engaging in Box Lacrosse.

The Box Lacrosse game will be played in Brisbane for the first time, tonight. In Adelaide the game is regularly played. Advice from Brisbane indicate that the Queensland Association will be strongly in favor of the reduced playing field. The South Australian Association has enquired whether a B team from Adelaide would be welcome in Melbourne on August 15. The V.L.A. has replied that it is highly improbable that the V.L.A. will agree to send a team of indoor players to Adelaide this season.

LACROSSE.

Malvern Defeats Williamstown.

As expected, the Malvern v. Williamstown lacrosse match on Saturday on the Malvern Cricket-ground, provided a close and exciting contest. Both teams have a splendid display with excellent stickwork. It was the best game of the season, Malvern maintained its unbeaten record, scoring 10 goals to Williamstown's 5, but was unable to win. This game makes the premiership more open, and first round of a pool game in the final. Malvern won with 10 goals, and Coburg, coming through well, scored three goals. The game was consequently in relief for Malvern, who saw Coburg's second Malvern scored three goals, two by Edwards, before Malvern from a good pass by Crooks, got in second goal for the victory. The game was a very close affair in this term. Malvern led 5 goals to 2 at quarter time. Play was brilliant in the second quarter. Malvern did most of the attacking, but for a time without avail. Williamstown netted 3 goals to 2 in this quarter, and at half-time was 6 goals to 6. Shortly after the beginning of the third quarter, the Malvern goalkeepers were injured, and had to retire, leaving the Williamstown goalkeeper, going off with him. Both teams were good in defence. Malvern showed more coolness forward, and netted 2 goals to nil. The three-quarter time scores were—Malvern, 8 to 6. In the final quarter Williamstown fought hard for a recovery. Conspicuous players for Malvern were Mac, Edwards, Knowles, Hickey, and Underhill. For Williamstown, the best players were Mac, Edwards, Knowles, Hickey, and Underhill. Malvern's goalkeepers were J. Beattie, Knowles, Foster, Waring, H. Beattie, Hickey, and Underhill.

CAULFIELD (10 goals). G. Colberg, 6. Coburg (5 goals). Paddy and Brown, 2 each. Williamstown (6 goals). Mac, Edwards, Knowles, Hickey, and Underhill. Malvern's goalkeepers were J. Beattie, Knowles, Foster, Waring, H. Beattie, Hickey, and Underhill. Williamstown's goalkeepers were J. Beattie, Knowles, Foster, Waring, H. Beattie, Hickey, and Underhill.

CANBERRA (12 goals). D. University, 6. In the first quarter Canterbury scored 3 goals, while Canberra scored 2 goals. Canterbury led 3 goals to 2 at quarter time. In the second quarter, Canterbury scored 3 goals, while Canberra scored 2 goals. Canterbury led 6 goals to 4 at half-time. In the third quarter, Canterbury scored 3 goals, while Canberra scored 2 goals. Canterbury led 9 goals to 6 at three-quarter time. In the final quarter, Canterbury scored 3 goals, while Canberra scored 2 goals. Canterbury won 12 goals to 8.

Ivanhoe, one short of their full complement, were always at the mercy of Deaf and Dumb. Sectional scores were, 2-0, 4-2, 7-2 and 10-1 to 2. The winners' best were Grant, McGulgan, Wilson and McMillan, and their goals were thrown by McGulgan (5), Balnes (2), Grant, Thomas and Guthrie. Ivanhoe were best served by Crozier, Harlett, Eisman, and the goal throwers, Bartlett (2), Gallagher, G. W. Tadder.

Caulfield were too experienced for Y.M.C.A., who are performing poorly this season. Terminal scores were 6-1, 8-2, 15-2 and 16-1 to 3. Rieghill (7), Karing (3), Gilbin (2), Boulton, Coady, Main and Gurey scored for the winners, whilst for Y.M.C.A. Raymond was successful.

University were not as certain as usual in the opening stages. In their game with Earning, but in a brilliant rally at the commencement of the last quarter overwhelmed Earning to win 20 goals to 7. The winners' best were Clancy, Kerr and Bradley, and their goals were scored by Kerr (7), Clancy (6), Bateson (3), McBurnie (3), Bradley (2). Earning goals were obtained by Trewarne (5), Richards and N. Cohen.

Results in the other sections were as follows:—

D Section (First Division)—Box Hill (13 goals) d. Melbourne High School Old Boys (8 goals), Glen Iris (10 goals) d. Hawthorn (8 goals).

E Section (Second Division)—Intermediate Legacy (11 goals) d. Caulfield (5 goals), Hartwell (17 goals) d. Coburg (4 goals), Williamstown (7 goals) d. South Melbourne Technical School (4 goals).

F Section—University High School Old Boys (15 goals) d. Caulfield (7 goals), Earning (15 goals) d. University (2 goals), Brunswick (2 goals) d. Camberwell (5 goals), Royal Australian Naval Reserve (50 goals) d. Teachers' College (5 goals).

G Section—Melbourne High School Old Boys (9 goals) d. Malvern (6 goals), Old Trinity Grammarians (10 goals) d. Sunshine (9 goals), Hawthorn (22 goals) d. University High School Old Boys (3 goals), Coburg (12 goals) d. Brighton (6 goals), Working Men's College (4 goals) d. Caulfield (2 goals), Williamstown (21 goals) d. Camberwell (2 goals), Power House (4 goals).

H Section—Caulfield (9 goals) d. Williamstown Wanderers (5 goals), Williamstown (15 goals) d. Deaf Boys' School (3 goals), St. Kilda (15 goals) d. Trinity Grammarians (nil), Earning (12 goals) d. Working Men's College II (3 goals), University High School Old Boys (4 goals) d. Working Men's College I (3 goals).

The following players have been chosen to practice for the Inter-State match at Adelaide on 5th August:—J. Beattie, W. Edwards, O. Unkenstein, H. Woods, Knowles, Foster and Brierley (Malvern), J. Reid, K. Robson, K. Swainner (M.C.C.), R. Reid, D. Marshall, H. Menhennett (Williamstown), S. McCorkell, H. Lillburn, Sparrow (Camberwell), N. Gibb (Caulfield), H. Paddy (Coburg), Matthews (University), Lake (North Fitzroy). There will be a practice on Wednesday evening at a place to be arranged and notified later. Any of the foregoing unable to make the trip are requested to notify the hon. secretary, Mr. F. J. Fowler, immediately.

RAILARAT, Saturday—Matches played on Saturday resulted:—O.E.M.S. 14 goals d. High School 4; Western 5 d. Wendouree 3.

## LACROSSE IMPROVES

Good Game Next  
Saturday  
INTERSTATE TEAM

By "Point"

It is many years since the standard of lacrosse has been as high in Victoria as it is at present. The game last Saturday week, Williamstown, and Malvern, was a delightful exhibition and last week there was another thrilling match between Malvern and Camberwell.

Next Saturday there should be another great game when M.C.C. and Malvern meet on the Albert Cricket Ground. If M.C.C. is successful both M.C.C. and Malvern will be equal at the head of the senior premiership list.

### WONDERFUL FORM

Malvern has so far this season, shown wonderful form, and last week, even with the absence of its goal-keeper, Brierley, and its interstate forward, Woods, produced great form. Its brilliant first quarter, led by the diminutive Knowles, was as fine an exhibition of clever lacrosse as one could wish to see.

Brierley will be in the side again on Saturday, but Woods is still not a certainty.

Although Malvern appear to be the team generally favored, it should be an exciting game.

Williamstown will be at home to University, and although the Seabirds should win, they will take no risks against the speedy students. Williamstown had to fight hard against them last week, and can afford to give nothing away this time. Doug Marshall, from Coburg, will make his first appearance for Williamstown.

The fight for the wooden spoon is between the two lowest teams on the list, North Fitzroy and Melbourne High School Old Boys, who meet at the Show Grounds.

### INTERSTATE TEAM

Coburg gave Williamstown an anxious time last week, and on Saturday will visit the Camberwell cricket ground to play Camberwell. Coburg is a good side and there should be nothing one-sided about this contest.

The interstate selectors have chosen the following players to practice with a view to inclusion in the Victorian team to meet South Australia at the Oval, Adelaide, on August 5:—Read, Marshall, Menhennett (Williamstown); Matthews (University); Lake (North Fitzroy); Robson, Swainner, Reid (M.C.C.); Gibb (Caulfield); J. Beattie, Edwards, Brierley, Knowles, Foster, Woods, Unkenstein (Malvern); Paddy (Coburg); Lillburn, Sparrow, McCorkell (Camberwell).

The team will practice each Wednesday evening at the Amateur Sports Ground, and will leave for Adelaide, with Mr. A. J. Fowler, hon. secretary of the Victorian Lacrosse Association, as manager, on August 3. It is probable that the final selection of 15 players will be made next week.

As usual, with all interstate selections, there has been some criticism of the names announced, but when the fact is remembered that each man has been playing very fine lacrosse throughout the season, and most of them have already had experience in big games, little fault can be found with the selectors' choice. Certainly, it was expected that J. Murrowood (Caulfield), Corbet (University), McNellie (Williamstown), Pace (Malvern) and Ashby (Coburg) would have at least been in the first twenty, but to preserve club combination as much as possible, some good men had to be sacrificed.

Mr. W. Stubbs, the old Williamstown and Caulfield player, who now resides in Adelaide, has been appointed as the Referee for the Victoria-South Australia match.

### SOUTH AUSTRALIA'S TEAM

The South Australian first choice is:—G. Hall, A. Hall, R. Warner, R. Menzel (East Torrens); J. Cook, R. Symonds (R. H. Kestel (Sturt); J. S. Muecke, D. Kinnick (University); J. D. Lee, C. Schraeder (North Adelaide); J. T. Martin, C. Sutherland, B. Spencer, J. McPherson (Port Adelaide); H. Perkins, G. Edge (West Torrens).

## LACROSSE

rens). C. Skimmin (Goodwood), R. H. Kestel has again been elected Captain. The constitution of the V.L.A. is gradually being amended and brought up-to-date. Two meetings have been held recently to consider amendments to the constitution and rules. Another meeting will be held on July 22, when it is expected that the task will be completed.

Among the minor alterations which have been made to the rules, the outstanding is that the executive and permit committees have both been increased in size by the addition of two extra members. The permit committee will now have five elected members, with the hon. secretary and assistant hon. secretary. Neither the hon. secretary nor assistant hon. secretary will have a vote.

The surprise of the last meeting was the passing of a motion, by a narrow majority, that all senior teams must enter a Junior team in the competition games of the V.L.A.

Don Jack, who some seasons ago was an outstanding player for Brighton when this team was in the senior ranks, has now received a permit to play with Artillery. The Artillery team has produced very good lacrosse lately.

Owing to the state of the Albert cricket ground the M.C.C. and Malvern game was considerably slowed up, and the changing of the position of the nets seemed to disorganize both teams. Good combined play, in which Foster and Edwards were very prominent, resulted in a goal by the latter, and this was quickly followed by a great shot by J. Beattie. Shortly after this Beattie was injured and retired until just before half time, Beattie going off with him Foster was very prominent in the Malvern attack, and scored two goals with two long shots, giving his team a 1-0 advantage at quarter time. Douglas, with a very clever piece of play, opened M.C.C.'s account. A fine throw to Lamont was brilliantly taken by Edwards, who netted with a remarkable backhand shot, and at half time Malvern led 3-1. In the third quarter M.C.C. played daring lacrosse, and were only kept down by the experience of the goalkeeper of Brierley. Edwards scored the only goal of this quarter. Malvern were always on top in the last term, but M.C.C. scored two goals as the result of bad passes. Malvern, with its greater purpose, and won 8 goals to 3. The winners' best were Brierley, Edwards, Foster, Waring, Webb and Brierley, and the goals were scored by Edwards (3), Foster (2) and J. Beattie (2). M.C.C.'s best were Robson, Holmond, Cantwell, Brook and Hough, and the goals were scored by Douglas, Holmond and Hough.

Camberwell have to thank a strong first-quarter opening for their victory over Coburg, who usually give of their best against them. The combination of Kerrigan, Fox and Lillburn was chiefly responsible for this home side's 2 goals to the advantage at quarter time. Coburg strengthened their defence in the second quarter, but the absence of Paddy in their forward line was being felt. At half time Camberwell led 7 goals to 2. After half time some very attractive play was witnessed. Lillburn was a tower of strength in the home side's attack, and gave his best game for the season. At three-quarter time Camberwell were 12 goals to 2. Thomson, the Coburg keeper, was injured early in the last quarter, and McCorkell went off with him. Coburg fought with great dash in the closing stages, but Camberwell had too much in reserve, and ran out winners with 15 goals to 10. The winning players were Lillburn, Smith, Dickenson, Kerrigan and Paddy, and their goals were thrown by Lillburn (4), Davis (3), Fox (3), Kerrigan (2), Grant (2) and Reid. For Coburg Brierley, Holmond, G. Marshall and Ashby were most prominent, and the goal throwers were Hutchinson (4), Ashby (2), Brown, Brierley, Reid and O'Gorman.

Williamstown defeated University in a brilliant game, the greater experience of the students in attack enabling them to take full advantage of their scoring opportunities. The students took some time to settle down, and at quarter time Williamstown were 4 goals to 1. Variety played with more system in the second term, but lost many chances through wild and inaccurate shooting. Half time Williamstown 8-1. In the third quarter the visitors dominated the game, and with Gray holding R. Reid well, the student netted 3 goals to nil. The last term was a particularly brilliant one, and the pace was exceptionally fast. Both back lines were excellent, Jenkins for the students, making many clever interceptions. The final score was—Williamstown, 9; University, 4. The winners' best players were Marshall, Swainner, Brierley, Foster and A. Dixon. Whilst for Variety, Gray, Rowell, Hore and Volk were most effective. The goal throwers were Hore (2), Reid (2), Mouchmore (2), Paddy (2) for the visitors, and O'Gorman (2), Matthews and Eddy for University.

North Fitzroy made a great effort in open their winning account, but failed badly in attack, and Melbourne High School Old Boys, backed up by a fine exhibition of goalkeeping by Graf, prevailed in a hard and even game. North Fitzroy's defence was excellent. Neither side scored in the first quarter, and the visitors' scores thereafter were 3-1, 4-1 and 5-1 to 3. The winners' best were Graf, McCoy, Dudley and Clarke, and their goals were thrown by K. May (5), Cowdell (2) and Stewart. Best players for North Fitzroy were McFray, Hinkley, McKenny and M. Logan. The goals were scored by W. Logan (3) and Lake.

### A SECTION.

Williamstown, who had suffered only one defeat for the season, were generally considered to have Caulfield at their mercy, but right from the "face-off" the home side were superior. The quarter scores were 7-3, 10-4, 12-4 and 15-7. The winners' best were Dwyer, Hyams (in defence), with Black (5 goals), Main (4), dipps (2), Reigebutt (2) and Crowler (1). For Williamstown, Robinson, Seale, Walter, C. Arthur and Manderers strove hard to avoid defeat. Nunn (3), Walton (3) and Hick scored their goals.

Camberwell and University had a great fight, and the result was in doubt until the last few minutes. The former were rather lucky, two long passes trickling the students' defence and finding the net. The terminal scores were 3-1, 4-3, 6-7 and 8-7 to 7. For Camberwell, Scott, Harris, Hart, Evans and McCorkell were most prominent, with the goal throwers, Duffe (2), Waring, Scott and Griffiths. The students' best were Green, Landon and McEwen, and their goals were obtained by Bradley (2), Mudge (2), Trethowan, Bateman and Kerr.

## 1933 INTERSTATE TEAM

"Age" Mon' July. 17<sup>th</sup> (Cont'd)

Tranholme, after a time opening, proved too fast and systematic for Earning, who depended too much upon individual effort. Terminal scores—2-1, 5-1, 11-1 and 16-5 to 3. Gallagher, Eisman, Williams, Harlett and Dixon were most effective for Tranholme, whose goals were scored by Gallagher (2), Lachar (2), Harlett (2), Eisman (2), Williams (2). Earning's goals were thrown by Kimpson (2), Brown, Nixon and McCane.

M.C.C.A. played a better game in opposition to Adult Deaf than the scores would indicate, but the latter showed greater courage in attack, and were never seriously extended to win 11 goals to 6. Best players for the winners were Walsh, Balnes, Grant and their goals were thrown by Balnes (9), Guthrie (3), Newton (2), McWilliam, Thomas and Grant. For M.C.C.A., Wilson, Nielson and Raymond were most in evidence, and the successful forwards were Nielson (7), Raymond (2), Munce and Bowler.

The Malvern cricket ground was in very bad condition, and the slick work of both Artillery and the local side was affected. Malvern were always in front in a scrambling game, where the terminal scores were 6-2, 6-8, 10-4. The winners' best were Dibble, White, Kinder, Evans, Anderson and Grant, and their goals were thrown by Kinder (4), Lansbury (2), Nielson (2) and Fitzgerald. For Artillery, Reid, Macnaughton and Young were most conspicuous. Barnes, Young, Macnaughton and Jack secured the goals.

Results in the other sections were:—

D Section—First Division: Hawthorn 12 goals d. Brighton 6 goals; Malvern 7 d. Melbourne High School Old Boys 1; Box Hill 12 d. Glen Iris 0. Second Division: Caulfield 19 goals d. South Melbourne Technical School 11 goals; Williamstown 8 d. Coburg 5; Hartwell 9 d. Intermediate Legacy 2.

E Section—University 10 goals d. Royal Australian Naval Reserve 9 goals; Caulfield 21 d. Camberwell 10; Earning 33 d. Teachers' College 8.

F Section—Power House 23 goals d. Malvern 7 goals; Caulfield 13 d. Coburg 5; Melbourne High School Old Boys 10 d. Old Trinity Grammarians 1; Working Men's College 21 d. Brighton 2; Williamstown 17 d. Sunshine 2; Hawthorn 12 d. Camberwell 7; University High School Old Boys, a bye.

G Section—St. Kilda 12 goals d. Caulfield 5 goals; University High School Old Boys 4 d. Deaf Boys' School 3; Earning 6 d. Williamstown 5; Working Men's College II 12 d. Trinity Grammarians 2; Working Men's College I 20 d. Williamstown Wanderers 3.

### INTER-STATE TEAM SELECTED.

The selectors (Messer, J. Beattie, G. Flood and S. Wilson) met at the residence of S. Wilson on Saturday and picked the following players to represent this State against South Australia at Adelaide on 5th August:—S. McCorkell, J. Reid, O. Unkenstein, J. Lake, N. Gibb, D. Marshall, G. Kestel, W. Edwards, N. Robson, R. Reid, H. Woods, R. Lillburn and J. Beattie. Of the twenty players originally selected to practice, Paddy, Menhennett and Matthews were not able to make the trip.

# INTERSTATE LACROSSE

## Good Victorian Team Chosen SATURDAY'S GAMES

By "Point"

The most important event in Australian lacrosse each year is the interstate game between Victoria and South Australia, which this season is to be played on the Unley Oval (Adelaide) on August 5. The Victorian team will comprise: J. Lake (North Fitzroy); J. Reed, W. Robinson (M.C.C.); J. Beattie, G. Knowles, H. Woods, W. Edwards, O. Unkenstein (Melburn); D. Marshall, R. Read (Williamstown); S. McCorkell, and B. Lillburn (Camberwell); N. Gibbs (Caulfield).

The Victorian selectors are to be congratulated on the very fine side they have chosen, representing as it does all the leading players of the State. Puddy (Coburg) was not available, and, with

## TO MEET S.A.

J. Beattie (Captain) O. Unkenstein

the possible exception of J. Murrowood (Caulfield), who might have received recognition as he is playing great lacrosse this season, no criticism can be levelled at the selectors.

The team is well balanced, and under the capable leadership of Jack Beattie should be well up to the usual standard of Victorian teams which have been so successful since 1926. Not since that year has Victoria met a reverse in these big games. The team will leave Melbourne by the Adelaide express on Thursday, August 3.

### MANY FINE GAMES

There have been many fine games each week of late. Again on Saturday, there should be another close contest when M.C.C. meet Williamstown on the Albert cricket ground. Although M.C.C. were defeated last Saturday they played very fine lacrosse and only a weakness on the forward line caused M.C.C.'s downfall. In all other parts of the field they more than held their own against the formidable Melburn.

Williamstown were not impressive against University last week, particularly after half time, when they managed to score only one goal against the Students. However, McNeillage will be back in the side against M.C.C., and with the assistance of Marshall the Scudgers should prove one of the strongest sides of the junior section.

So well did M.C.C. play last week that Williamstown will have to play good lacrosse on Saturday to win. They defeated M.C.C. when they met earlier in the season. Williamstown, however, feel confident of repeating the performance on Saturday. It should be a well contested match, with plenty of dash and good stickwork.

Coburg and Melburn will meet at the McDonald Reserve, Bell Street, and as Coburg always manage to extend the leaders whenever they meet, there should be another good game. It is a big blow to Coburg to lose the services of Puddy, whose retirement from the game is one of the surprises of the season. He would almost certainly have been in the interstate side.

### UNIVERSITY v. NORTH FITZROY

At the University oval, the Students will be at home to North Fitzroy, and here again there should be little difference in the scores at the end. University should win if they can reproduce the form they displayed in the last half of the match against Williamstown last week. It was

so good that the strong Williamstown side became demoralised.

At the Melbourne High School Ground at Forest Hill the M.H.S. Old Boys and Caulfield will meet, and judging by the game the H.S. Old Boys played last week, they should soon have greater success than of late. Caulfield, although perhaps the stronger side, may have no easy task.

Because of the opposition of the senior players to the hard dancing floor, box lacrosse has for the present been abandoned. The box lacrosse committee is meeting tomorrow and will endeavor if possible to devise means of conducting night lacrosse on a surface similar to that used in America. An ideal solution of the difficulty would be to play under electric light on a cricket ground. Of course a wooden wall all round the playing area would be necessary. This is done in the U.S.A.

The monthly meeting of the V.L.A. will be held on Monday evening, and will be followed by the adjourned special meeting which is dealing with the amendments to the constitution. It is to be hoped that early steps will be taken to overcome the unfortunate position that has arisen because of the motion compelling senior teams to enter a junior side for competition games.

### INTER-VARSITY MATCH

Working Men's College have entered a protest against University High School Old Boys in connection with a player who is alleged to have played in a junior section without a permit.

Dug Marshall played his first game with Williamstown last Saturday night, and transferred from Coburg. He should prove a great acquisition to the Scudgers.

The annual Inter-Varsity match between Melbourne and Adelaide Universities will this year be played on the Melbourne University Oval, on August 16.

## LACROSSE.

### Hard Game at Albert Ground.

M.C.C. were weakened by the absence of Gillies, Leigh and D. McIndoe, who were on the sick list, and the performance against Williamstown was a particularly marvellous one.

The Scudgers fielded their strongest side for the year, both sides were strong in defence, and the first quarter was well before the Scudgers with a clever slip off the ground. Strong play behind the net by Robinson enabled Douglas to open M.C.C.'s account with a goal. Williamstown took a goal, when Marshall was awarded a free throw into an open goal. At quarter-time the scores were Williamstown (2), M.C.C. (1). The standard was very poor in the second quarter, Williamstown led at half-time 5 goals to 3, Douglas did not resume after the long interval owing to an injured knee, and Jenkins retired with him. Williamstown played better lacrosse in the second half, but before expectations. At three-quarter time they led 8 goals to 4. M.C.C.'s lack of effective forwards nullified all their efforts, and Williamstown won a rugged and unattractive game by 13 goals to 6. The winners' best were Dacon, Jenkins, McNeillage, McNeillage and Read, and the goal throwers were Read (3), Feris (2), McNeillage (2), Hopath, Crooks and Read. The losers' best were (who received too much attention from his opponent), Cantwell, Reid, Brooks and Munt were outstanding, and the goals were scored by Robinson (3) and Dougan (2).

Coburg, who have lost the services of their star forward, Puddy, played pluckily against Melburn, but the experience of the leaders, despite the loss of Puddy, was always in evidence, and the Coburg defenders were hard pressed all day. Sectional scores were—3, 10-4, 13-6 and 15-8. Best players for Melburn were J. Beattie, Cole, and Waring. Edwards and L. Niel for the "A" team, and their goals were thrown by J. Beattie (4), G. Nichol (3), Knowles (2), Edwards (2), Woods (2), and Paddy, Cole and Thornton, and their goals were scored by Cole (3), Hutchison (2), O'Gorman, Ashby, Bickett and Brown.

North Fitzroy thoroughly extended University in the first half of their game, and their positional play and general tactics were the best shown for the season. Terminal scores were—6-6, 9-10, 14-10 and 18-11. The winners' goals were contributed by Matthews (4), Cutts (4), Corbet (3), Maco (2), Elder (2). North Fitzroy were best represented by M. Logan, Hudson, Lake, McHenry and Hilder, and their goal throwers were M. Logan (4), Hudson (2), D. Clarke (2), Wade, J. Clarke and Toller.

Caulfield were stronger and held their Melbourne High School Old Boys, and the latter were gradually worn down. Sectional scores were—3-0, 6-0, 6-0 and 7-3. The winners' best players were Kurin, Gibbs, Schmidt and Pollard, and their goals were thrown by Chubb (3), Pollard (2), Roth, J. Murrowood and Schmidt. For the Old Boys, Dudley, McCay, Clarke and Graf were most prominent, and the successful forwards were Clark (2) and Allen.

### A SECTION.

University were more even in attack than Artillery, and in a scrambling game displayed greater concerted effort. Artillery's star forward, Workman, was kept well out for the bulk of the game, and their centre-men were forced to indulge in long and wild passing. Sectional scores were—5-2, 6-3, 12-5 and 14-7. The winners' best were Green, O'Brien and McGree, and their goals were obtained by Bateman (3), Bradley (3), Clancy (2), Kerr, Gove, Shann, O'Brien, Mullie, Grethorpe. Artillery were best served by Macraughton and Smith, the goal throwers were Workman (3), Jack (2), Boper and Macraughton.

Ivanhoe's forwards dominated the first half of their game with Caulfield, and at half-time they were ahead—1 goal to 3. Injuries reduced the teams to nine a side for the second half. Ivanhoe won—21 goals to 11. The winners were best served by Gallagher, Bartlett, Williams, and their goal throwers were Gallagher (1), Bartlett (2), Williams (2), Hyndman (2) and Melnes. Caulfield's best were Davey, Black, Gregory and Hinglith (3), Maine (2) and Gibbs.

Melburn carried too many guns for Camberwell, and the superiority of their attack was most pronounced. Sectional scores were 4-1, 9-2, 16-5 and 21-7. The winners' most prominent players were Clague, Tranter, Kinder, Edwards, Faulkner and Lambour, and their goals were thrown by Clague (1), Edwards (3), Kinder (1), Lambour (2), Tranter and Healy. For Camberwell, Webster (3 goals), Dobbie (3), Evans, Gollard, Harris and Scott were in evidence.

Y.M.C.A., without two of their regular forwards, were outplayed by Williamstown in the first and friendly game. Terminal scores were 14-0, 19-0 and 25-1. The winners' goals were thrown by Hick (3), Morris (3), Ford (3), Walton (1), Manderson (3), Juddie and Janca.

Results in the other sections were as follows:—  
B Section—First Division: Hawthorn 16 goals d. Melbourne High School Old Boys 4 goals; Glen Iris 12 goals d. Brighton 10 goals; Box Hill 12 goals d. Melburn 9 goals.  
B Section—Second Division: Williamstown 11 goals d. Hawthorn 10 goals; Intermediate Legacy 20 goals d. South Melbourne Technical School 4 goals; Coburg 19 goals d. Caulfield 4 goals.  
C Section—Brunswick 25 goals d. Caulfield 4 goals; Royal Australian Naval Reserve 16 goals d. Escondon 4 goals; University High School Old Boys 10 goals d. Camberwell 7 goals; University 10 goals d. Teachers' College 7 goals.  
D Section—Sunshine 10 goals d. Brighton 3 goals; Melburn 20 goals d. Coburg 4 goals; Williamstown 17 goals d. Old Trinity Grammar 6 goals; Hawthorn 14 goals d. Caulfield 8 goals; Working Men's College 10 goals d. University High School Old Boys 3 goals.  
E Section—University High School Old Boys 14 goals d. Working Men's College II 4 goals; Escondon 5 goals d. St. Kilda 1 goal; Working Men's College I 4 goals d. Williamstown 2 goals; Trinity Grammar 5 goals d. Williamstown Wanderers 1 goal. Caulfield received a walk-over from Deaf Boys' School.

Results in the other sections were as follows:—  
B Section—First Division: Box Hill 16 goals d. Brighton 9 goals; Hawthorn 16 goals d. Glen Iris 12 goals; Melbourne High School Old Boys 16 goals d. Caulfield 8 goals.  
B Section—Second Division: Williamstown 11 goals d. Hawthorn 10 goals; Intermediate Legacy 20 goals d. South Melbourne Technical School 4 goals; Coburg 19 goals d. Caulfield 4 goals.  
C Section—Brunswick 25 goals d. Caulfield 4 goals; Royal Australian Naval Reserve 16 goals d. Escondon 4 goals; University High School Old Boys 10 goals d. Camberwell 7 goals; University 10 goals d. Teachers' College 7 goals.  
D Section—Sunshine 10 goals d. Brighton 3 goals; Melburn 20 goals d. Coburg 4 goals; Williamstown 17 goals d. Old Trinity Grammar 6 goals; Hawthorn 14 goals d. Caulfield 8 goals; Working Men's College 10 goals d. University High School Old Boys 3 goals.  
E Section—University High School Old Boys 14 goals d. Working Men's College II 4 goals; Escondon 5 goals d. St. Kilda 1 goal; Working Men's College I 4 goals d. Williamstown 2 goals; Trinity Grammar 5 goals d. Williamstown Wanderers 1 goal. Caulfield received a walk-over from Deaf Boys' School.

Results in the other sections were as follows:—  
B Section—First Division: Box Hill 16 goals d. Brighton 9 goals; Hawthorn 16 goals d. Glen Iris 12 goals; Melbourne High School Old Boys 16 goals d. Caulfield 8 goals.  
B Section—Second Division: Williamstown 11 goals d. Hawthorn 10 goals; Intermediate Legacy 20 goals d. South Melbourne Technical School 4 goals; Coburg 19 goals d. Caulfield 4 goals.  
C Section—Brunswick 25 goals d. Caulfield 4 goals; Royal Australian Naval Reserve 16 goals d. Escondon 4 goals; University High School Old Boys 10 goals d. Camberwell 7 goals; University 10 goals d. Teachers' College 7 goals.  
D Section—Sunshine 10 goals d. Brighton 3 goals; Melburn 20 goals d. Coburg 4 goals; Williamstown 17 goals d. Old Trinity Grammar 6 goals; Hawthorn 14 goals d. Caulfield 8 goals; Working Men's College 10 goals d. University High School Old Boys 3 goals.  
E Section—University High School Old Boys 14 goals d. Working Men's College II 4 goals; Escondon 5 goals d. St. Kilda 1 goal; Working Men's College I 4 goals d. Williamstown 2 goals; Trinity Grammar 5 goals d. Williamstown Wanderers 1 goal. Caulfield received a walk-over from Deaf Boys' School.

## CLOSE GAMES IN GRADE LACROSSE

### Fight For Places In Finals

Saturday's games will not have any bearing on the constitution of the senior section final four, but several are interesting.

Melburn, still undefeated, will play University at Melburn. It is too much perhaps to expect University to win, but with the Inter-Varsity game at hand, University is anxious to strike top form. Both sides are playing good lacrosse.

At the Caulfield Cricket Ground, the Caulfield and Williamstown match should be close, but Williamstown should win. Last week Williamstown was not at its best and will need to play better to win. Their usual dash and crispness were lacking until half-time, but the side is strong and capable of better form, and is tipped for the premiership.

Dentry, the Caulfield goalkeeper, has been ill with influenza, and was unable to lead his team last week. It is hoped that he will have recovered by Saturday. Kuring, who took Dentry's place last Saturday, was an effective substitute, as it was not until the last quarter that M.H.S. Old Boys scored their first goal.

At the Show Grounds, North Fitzroy will hold its annual Ladies' Day. Their opponents will be North Fitzroy's nearest neighbors, Coburg. There is little between the teams.

Camberwell and Melbourne High School Old Boys will meet at the Canterbury Cricket Ground, and the home team should not find its task beyond them.

The Victorian Lacrosse Association's new constitution and rules have now been completed, the special meeting called for the purpose having completed its work on Monday evening last. The new constitution and rules will not come into operation until February 1 next.

A special meeting is being summoned to consider a notice of motion that the rule recently passed insisting on club senior

teams having a junior side be rescinded—as 30 days' notice of the special meeting has to be given, it cannot be held until towards the end of the season.

Mr Angus S. Mitchell tendered his resignation as a vice-president of the Association on Monday night. Delegates regretted the loss of the services of such a valuable office-bearer, and efforts are being made to induce him to reconsider his decision.

It was believed that N. Gibbs would be unable to take his place in the Victorian team in Adelaide on Saturday week, but he has notified the selectors that he is available.

The Working Men's College team will visit Adelaide and play a game against a team of South Australian Juniors on August 26.

Measrs McIntyre (Brighton), Keogh (Caulfield), McKibbin (Box Hill), and Coldstream (Melburn), have been appointed a committee to select a B Section team to meet Coburg on Saturday week, on August 15. The match will be played on the Caulfield Cricket Ground. B players available are requested to inform the honorary secretary of the Association at once.

At the request of the Melbourne and Adelaide University lacrosse teams, the Association has decided to select a Victorian team to meet a selected side from the combined Universities at the University ground, on Thursday, August 17 (the day following the Inter-Varsity match). Senior players who are available should notify the honorary secretary.

The length of the playing ground for the interstate match, to be played in Adelaide on Saturday, may cause some confusion. South Australia has been playing 110 yards, while Victoria has in this season adopted 85 yards. The matter has been left in the hands of the manager (Mr A. J. Fowler) to arrange with the South Australian Association officials.

Results in the other sections were as follows:—  
B Section—First Division: Hawthorn 16 goals d. Melbourne High School Old Boys 4 goals; Glen Iris 12 goals d. Brighton 10 goals; Box Hill 12 goals d. Melburn 9 goals.  
B Section—Second Division: Williamstown 11 goals d. Hawthorn 10 goals; Intermediate Legacy 20 goals d. South Melbourne Technical School 4 goals; Coburg 19 goals d. Caulfield 4 goals.  
C Section—Brunswick 25 goals d. Caulfield 4 goals; Royal Australian Naval Reserve 16 goals d. Escondon 4 goals; University High School Old Boys 10 goals d. Camberwell 7 goals; University 10 goals d. Teachers' College 7 goals.  
D Section—Sunshine 10 goals d. Brighton 3 goals; Melburn 20 goals d. Coburg 4 goals; Williamstown 17 goals d. Old Trinity Grammar 6 goals; Hawthorn 14 goals d. Caulfield 8 goals; Working Men's College 10 goals d. University High School Old Boys 3 goals.  
E Section—University High School Old Boys 14 goals d. Working Men's College II 4 goals; Escondon 5 goals d. St. Kilda 1 goal; Working Men's College I 4 goals d. Williamstown 2 goals; Trinity Grammar 5 goals d. Williamstown Wanderers 1 goal. Caulfield received a walk-over from Deaf Boys' School.

Results in the other sections were as follows:—  
B Section—First Division: Hawthorn 16 goals d. Melbourne High School Old Boys 4 goals; Glen Iris 12 goals d. Brighton 10 goals; Box Hill 12 goals d. Melburn 9 goals.  
B Section—Second Division: Williamstown 11 goals d. Hawthorn 10 goals; Intermediate Legacy 20 goals d. South Melbourne Technical School 4 goals; Coburg 19 goals d. Caulfield 4 goals.  
C Section—Brunswick 25 goals d. Caulfield 4 goals; Royal Australian Naval Reserve 16 goals d. Escondon 4 goals; University High School Old Boys 10 goals d. Camberwell 7 goals; University 10 goals d. Teachers' College 7 goals.  
D Section—Sunshine 10 goals d. Brighton 3 goals; Melburn 20 goals d. Coburg 4 goals; Williamstown 17 goals d. Old Trinity Grammar 6 goals; Hawthorn 14 goals d. Caulfield 8 goals; Working Men's College 10 goals d. University High School Old Boys 3 goals.  
E Section—University High School Old Boys 14 goals d. Working Men's College II 4 goals; Escondon 5 goals d. St. Kilda 1 goal; Working Men's College I 4 goals d. Williamstown 2 goals; Trinity Grammar 5 goals d. Williamstown Wanderers 1 goal. Caulfield received a walk-over from Deaf Boys' School.

Results in the other sections were as follows:—  
B Section—First Division: Hawthorn 16 goals d. Melbourne High School Old Boys 4 goals; Glen Iris 12 goals d. Brighton 10 goals; Box Hill 12 goals d. Melburn 9 goals.  
B Section—Second Division: Williamstown 11 goals d. Hawthorn 10 goals; Intermediate Legacy 20 goals d. South Melbourne Technical School 4 goals; Coburg 19 goals d. Caulfield 4 goals.  
C Section—Brunswick 25 goals d. Caulfield 4 goals; Royal Australian Naval Reserve 16 goals d. Escondon 4 goals; University High School Old Boys 10 goals d. Camberwell 7 goals; University 10 goals d. Teachers' College 7 goals.  
D Section—Sunshine 10 goals d. Brighton 3 goals; Melburn 20 goals d. Coburg 4 goals; Williamstown 17 goals d. Old Trinity Grammar 6 goals; Hawthorn 14 goals d. Caulfield 8 goals; Working Men's College 10 goals d. University High School Old Boys 3 goals.  
E Section—University High School Old Boys 14 goals d. Working Men's College II 4 goals; Escondon 5 goals d. St. Kilda 1 goal; Working Men's College I 4 goals d. Williamstown 2 goals; Trinity Grammar 5 goals d. Williamstown Wanderers 1 goal. Caulfield received a walk-over from Deaf Boys' School.

Results in the other sections were as follows:—  
B Section—First Division: Hawthorn 16 goals d. Melbourne High School Old Boys 4 goals; Glen Iris 12 goals d. Brighton 10 goals; Box Hill 12 goals d. Melburn 9 goals.  
B Section—Second Division: Williamstown 11 goals d. Hawthorn 10 goals; Intermediate Legacy 20 goals d. South Melbourne Technical School 4 goals; Coburg 19 goals d. Caulfield 4 goals.  
C Section—Brunswick 25 goals d. Caulfield 4 goals; Royal Australian Naval Reserve 16 goals d. Escondon 4 goals; University High School Old Boys 10 goals d. Camberwell 7 goals; University 10 goals d. Teachers' College 7 goals.  
D Section—Sunshine 10 goals d. Brighton 3 goals; Melburn 20 goals d. Coburg 4 goals; Williamstown 17 goals d. Old Trinity Grammar 6 goals; Hawthorn 14 goals d. Caulfield 8 goals; Working Men's College 10 goals d. University High School Old Boys 3 goals.  
E Section—University High School Old Boys 14 goals d. Working Men's College II 4 goals; Escondon 5 goals d. St. Kilda 1 goal; Working Men's College I 4 goals d. Williamstown 2 goals; Trinity Grammar 5 goals d. Williamstown Wanderers 1 goal. Caulfield received a walk-over from Deaf Boys' School.

Results in the other sections were as follows:—  
B Section—First Division: Hawthorn 16 goals d. Melbourne High School Old Boys 4 goals; Glen Iris 12 goals d. Brighton 10 goals; Box Hill 12 goals d. Melburn 9 goals.  
B Section—Second Division: Williamstown 11 goals d. Hawthorn 10 goals; Intermediate Legacy 20 goals d. South Melbourne Technical School 4 goals; Coburg 19 goals d. Caulfield 4 goals.  
C Section—Brunswick 25 goals d. Caulfield 4 goals; Royal Australian Naval Reserve 16 goals d. Escondon 4 goals; University High School Old Boys 10 goals d. Camberwell 7 goals; University 10 goals d. Teachers' College 7 goals.  
D Section—Sunshine 10 goals d. Brighton 3 goals; Melburn 20 goals d. Coburg 4 goals; Williamstown 17 goals d. Old Trinity Grammar 6 goals; Hawthorn 14 goals d. Caulfield 8 goals; Working Men's College 10 goals d. University High School Old Boys 3 goals.  
E Section—University High School Old Boys 14 goals d. Working Men's College II 4 goals; Escondon 5 goals d. St. Kilda 1 goal; Working Men's College I 4 goals d. Williamstown 2 goals; Trinity Grammar 5 goals d. Williamstown Wanderers 1 goal. Caulfield received a walk-over from Deaf Boys' School.

Results in the other sections were as follows:—  
B Section—First Division: Hawthorn 16 goals d. Melbourne High School Old Boys 4 goals; Glen Iris 12 goals d. Brighton 10 goals; Box Hill 12 goals d. Melburn 9 goals.  
B Section—Second Division: Williamstown 11 goals d. Hawthorn 10 goals; Intermediate Legacy 20 goals d. South Melbourne Technical School 4 goals; Coburg 19 goals d. Caulfield 4 goals.  
C Section—Brunswick 25 goals d. Caulfield 4 goals; Royal Australian Naval Reserve 16 goals d. Escondon 4 goals; University High School Old Boys 10 goals d. Camberwell 7 goals; University 10 goals d. Teachers' College 7 goals.  
D Section—Sunshine 10 goals d. Brighton 3 goals; Melburn 20 goals d. Coburg 4 goals; Williamstown 17 goals d. Old Trinity Grammar 6 goals; Hawthorn 14 goals d. Caulfield 8 goals; Working Men's College 10 goals d. University High School Old Boys 3 goals.  
E Section—University High School Old Boys 14 goals d. Working Men's College II 4 goals; Escondon 5 goals d. St. Kilda 1 goal; Working Men's College I 4 goals d. Williamstown 2 goals; Trinity Grammar 5 goals d. Williamstown Wanderers 1 goal. Caulfield received a walk-over from Deaf Boys' School.

Results in the other sections were as follows:—  
B Section—First Division: Hawthorn 16 goals d. Melbourne High School Old Boys 4 goals; Glen Iris 12 goals d. Brighton 10 goals; Box Hill 12 goals d. Melburn 9 goals.  
B Section—Second Division: Williamstown 11 goals d. Hawthorn 10 goals; Intermediate Legacy 20 goals d. South Melbourne Technical School 4 goals; Coburg 19 goals d. Caulfield 4 goals.

## LACROSSE.

North Fitzroy held their women's day at the show ground, Coburg, when they met Coleridge. The first quarter provided the best lacrosse of the day. Coleridge rallied towards the end of this term, and good understanding between Cole and Ashby resulted in Coleridge leading 4 goals to 3 at quarter time. North Fitzroy's attack lacked cohesion, and in the third quarter North Fitzroy monopolized the attacking, but

Wanted opportunities, and Coleridge made the game safe to lead 8 goals to 3 at the final change. The final quarter provided many stirring struggles. The winners' outstanding players were K. Cole, Ashby, Reid, C. Marshall and Thornton, and their best goal throwers were K. Cole (3), Ashby (2), O'Gorman and C. Marshall. North Fitzroy were best served by McGee, Hudson, McDonald, Clarke, Lake and Vade. Kenneby and B. Clarke scored their goals.

Melbourne High School Old Boys went to Camberwell. McCorkell, the home side's goalkeeper, was in rare form, and the visiting forwards could not find the attacking work by lastly stick work. Sectional scores were—5-1, 12-7, 17-10 and 24-10. The winners' best players were—Graf, Dudley, McCay, and the goal throwers—Allen (2), H. May and Clarke.

Caulfield, with a weakened side, visited Williamstown. Jack Macraughton was outstanding. Quarter scores—Caulfield 6, Williamstown 11. Williamstown, with Read in great form, at half time led 8 goals to 7. The second half witnessed the gradual eclipse of the Caulfield side, Williamstown won, 18 goals to 7. For the winners, McNeillage, Jenkins and Fowler were outstanding in defence, with the goal throwers—Herbert (3), Feris (3), J. Macraughton (3), Jones and Marshall, successful in attack.

Melburn had their forward line in full working order against University. Quarter scores were—Melburn 4, 13-5 and 22-6. The winners' goals were scored by J. Brattle (11), Edwards (3), Hinder (3), Woods (2), Foster (3) and Nichol, and their best goal throwers were—Knowles, Unkenstein and Britley. For University, Volk, Gove and Elder, with Corbet (3 goals), Matthews (3), Jarrett (1) were most effective.

### A SECTION.

Williamstown suffered their third successive defeat after an unbroken record when opposed to Deaf and Dumb. The Scudgers' anxiety in front of goal frustrated many promising moves. Deaf and Dumb have seldom been seen to greater advantage. Sectional scores were—Deaf and Dumb 10 goals d. Williamstown 4 goals; Deaf and Dumb 10 goals d. Williamstown 4 goals; Deaf and Dumb 10 goals d. Williamstown 4 goals; Deaf and Dumb 10 goals d. Williamstown 4 goals.

Caulfield gained an early lead against Artillery. Terminal scores were 8-3, 12-7, 15-8 and 18-12. Best players for the winners were Embury, O'Brien and Reigeluth (3). O'Brien goals were thrown by Reigeluth (3), O'Brien (3), Claus (3), Black (3), Maine and O'Connell. Artillery were best served by Smart, Macraughton and Jack, and the goal throwers, Workman (3), Macraughton (5), Head and Barnes.

Melburn, dominating the centre play, proved too strong for University. Sectional scores were 4-1, 8-2, 11-6 and 15-8. The winners' best were Healy, Clague, Poutman, Dibbon and Haynes, and their goals were thrown by Clague (2), Edwards (3), Healy (2) and Lambour. For University O'Brien, Bradley and Kerr were most effective, with the goal throwers—Bradley (3), Trethow (2), Kerr (2) and Muller (2).

Y.M.C.A. were always ahead in the game with Ivanhoe. Many strong attacks failed because of individual errors in front of goal. The quarter scores were 4-2, 9-2, 12-2 and 18-2. Best players for the winners were Oke, W. Ladner (3 goals), Glanagher (3), E. Ladner (3), Esmond (2) and Bartlett (2). For Y.M.C.A., Nichol, Maule, Raymond and Rosiller were most effective.

Against Camberwell Escondon were obliged to field a substitute. Terminal scores were 17-6, 21-7 and 27-10. For Camberwell, Evans, Gollard, Jones, Hart and Evans were most conspicuous, and their successful forwards were Webster (10), Dobbie (3), Darby (3), Griffiths (3), Scott (2), Harris and Montgomery. For Escondon G. Lennie and Slocock were outstanding in defence, and the goal throwers were Lennie (3), Brown (2), Leggo (2) and Nizon.

Against Camberwell Escondon were obliged to field a substitute. Terminal scores were 17-6, 21-7 and 27-10. For Camberwell, Evans, Gollard, Jones, Hart and Evans were most conspicuous, and their successful forwards were Webster (10), Dobbie (3), Darby (3), Griffiths (3), Scott (2), Harris and Montgomery. For Escondon G. Lennie and Slocock were outstanding in defence, and the goal throwers were Lennie (3), Brown (2), Leggo (2) and Nizon.

## MR. JOEL FOX RETIREMENT ANNOUNCED SIXTY-FIVE YEARS' WORK

### Trustee Manager for 45 Years

After 45 years' service as manager of the Equity Trustees Company, Mr. Joel Fox, who will be aged 78 years on December 20, has tendered his resignation for health reasons. The board has accepted the resignation with regret, and the shareholders will be asked at the annual meeting on August 10 to approve of a retiring allowance being paid. Mr. C. T. Martin, the assistant manager, will probably be appointed to succeed Mr. Fox.

Mr. JOEL FOX

Mr. Fox was born in 1855 in a house in King William street, Fitzroy, which is still standing. At the age of 13 he entered the service of Ruppel and Phillips, solicitors, one of the principals, Mr. P. D. Phillips, being an uncle. This was in 1868. Mr. Fox has thus been engaged in business in Melbourne for 65 years. After occupying the position of common law manager in a number of firms of leading solicitors, Mr. Fox joined the firm of Eggleston and Derham, and in 1888 he prepared the articles of association of the Equity Trustees Company. The first meeting of the company was held at Scott's Hotel, the first directors being Messrs. F. E. Stewart, who was subsequently appointed chairman of directors, John Madden (afterwards Sir John Madden), Edward Fanning, Robert Reid, and Oliver Vial. A few months later Mr. George Fairbairn (now Sir George Fairbairn) and Mr. H. E. A. Hodges (afterwards Mr. Justice Hodges) joined the board. Mr. Fox was appointed manager as from the initial meeting, and he has retained that position until now.

The Equity Trustees Company has followed a policy of appointing members of the legal profession to the board, and in addition to the directors already mentioned are the late Mr. Justice Higgins, the late Mr. Justice Weigall, the late Judge Box, the late Mr. Donald Mackinnon, the late Mr. William Campbell Guest, Sir William Irvine (now Lieutenant-Governor), Mr. Justice McArthur, Sir Edward Mitchell, K.C., and Mr. J. G. Latham, K.C., now Federal Attorney-General. Although Mr. Fox left a legal firm to become manager of a trustee company, he thus still worked in a legal atmosphere. In order that the Equity Trustees Company may not lose the value of his long experience in trustee business, it is not unlikely that the board will invite Mr. Fox to become a director.

## LACROSSE.

Owing to the absence of the Inter-State team in Adelaide, there will be no section games this afternoon. The A game will have a big bearing on the composition of the "final four." B section complete their round of home-and-away games today, and the two leading teams in each division play off for the right to contest the section premiership. In the first division Hawthorn, with 36 points, must defeat the leaders, Box Hill (44 points), for Malvern (36 points), seem assured of victory over Glen Iris. In the second division the leading teams, Williamstown (45 points) and Intermediate Legacy (40) are opposed. Today's programme is as follows:

A Section—Artillery v. Y.M.C.A., at Albert Park, near Chisle (dress at drill hall); Camberwell v. Adult Deaf and Dumb, at Trinity Grammar School, Wellington-street, Kew; University v. Williamstown, at University Oval; Caulfield v. Essendon, at Caulfield Cricket Ground; Ivanhoe v. Malvern, at Ivanhoe Cricket Ground.

B Section—First Division: Malvern v. Glen Iris, at Malvern Cricket Ground; Melbourne High School Old Boys v. Brighton, at Fawkner Park, South Yarra; Box Hill v. Hawthorn, at Middlebrook Park, Box Hill (No. 2 oval). Second Division: Williamstown v. Intermediate Legacy, at Gardena Reserve, Williamstown; Hartwell v. Caulfield, at Hartwell Recreation Ground; Coburg v. South Melbourne Technical School, at McDonald Reserve, Bell-street, Coburg.

C Section—Essendon v. Camberwell, at North Essendon, adjoining Guss Keys Hotel; Brunswick v. Teachers' College, at Royal Park, near station; University v. Caulfield, at Tronca Park (dress at University); University High School Old Boys v. Royal Australian Naval Reserve, at Royal Park (dress at school).

D Section—Williamstown v. Sunshine, at Markets Reserve, Williamstown; Coburg v. University High School Old Boys, Brighton v. Working Men's College, at Technical School, Coochepark-street, North Brighton; Melbourne High School Old Boys v. Camberwell, at Amateur Sports Ground; Caulfield v. Power House, at Caulfield Park; Malvern v. Old Trinity Grammarians, at Central Park, East Malvern; Hawthorn, a bye.

E Section—Working Men's College I. v. University High School Old Boys, at Yarra Park, near Jolimont station, at Fitz Park; Caulfield v. Williamstown Wanderers, at Caulfield Park; St. Kilda v. Trinity Grammarians, at St. Kilda Park, near cricket ground; Working Men's College II. v. Essendon, at Yarra Park, near Jolimont station.

The following B section players have been chosen to practice for the Inter-State junior game against South Australia on 15th inst.—Wendell, R. Stevens, E. Anderson (Melbourne High School Old Boys), E. Nicholls, J. Merril, J. Bettler, N. Moore (Hawthorn), J. E. Worral, J. Reid, P. Cartledge (Glen Iris), A. Bamford, A. McKibbin, R. McKibbin (Box Hill), D. McCann, C. Howe (Brighton), C. McColl (Caulfield), S. McDermott, S. Tallent (Malvern), S. Watson (Coburg), Retallick, Dool (Williamstown), C. Glover (Hartwell), P. Chivers (Legacy), Brittain (South Melbourne Technical School).

"B" Section players to practice for Senior Interstate to be played on Tues Aug 15th 1933.

29.

## LACROSSE.

Malvern's confidence was rather shaken in their engagement with Ivanhoe. Malvern were first to show out, and a quick snap by Clouzeau resulted in a goal. Ivanhoe were fighting well, but the Malvern defence was excellent, and Malvern were ahead, 4-1, at quarter time. At half-time Malvern led, 5 goals to 3. The third quarter provided the best lacrosse of the match, and, with Malvern dominating the centre, they again went away to hold a 9-5 advantage at three-quarter time. Ivanhoe made great efforts to save the game, but faulty passing spoiled many promising moves, Malvern winning, 9 goals to 5.

The winners' best players were—Clouzeau, Dibley, Evans and Nichol, and their goals were scored by Clouzeau (4), Nichol (3) and Edwards (2). For Ivanhoe Trice, Dixon and Eleanora were most effective, with the goal throwers, Gallagher (3), Price (2), Ladner and Bartlett. Williamstown and University staged one of the most brilliant exhibitions ever given in this section. Williamstown, as usual, opened with a brilliant scoring rally, and led, 8-3, at quarter time. University, fighting with great courage, had reduced the leaders' lead to a 9-5 advantage at half-time. With Macao in wonderful form in attack, University gained the honours for the third quarter by totting 6 goals to 3, and thus reduced the leaders' advantage to a 13-11 score for the final change. University, through the agency of Bateman, equalised (10 goals), but Williamstown, reorganised and with a series of clever exchanges, won a most interesting game—11 goals to 12. For Williamstown Lanchester, McDermott, Stelfox, Manderson, Ford and Davidson (12 goals) were most prominent, and their goals were netted by Ford (6), Morris (4), Newgreen (2), Walton and Lanchester. University were best served by McDermott, Landon, Mace, Bateman and Mac (4), Bateman (4), O'Brien, Mudie, Kerr and Chasely scored their goals.

Caulfield, against Essendon, were never seriously troubled. The Essendon defenders allowed themselves to be drawn out of position, and with Releigh in rare form at centre forward, the game was very open. In the final conclusion, The terminal score was 6-1, 19-4, 18-4 and 19 to 4. Caulfield's best were—Maise, Releigh and Coleman, and their successful forwards were Releigh (40), Maise (4), Glau (3) and Dooler. For Essendon Holmes (2 goals), K. Cohen (2), Lennie, Nixon and Treary were most effective.

Artillery were always ahead in their game with Y.M.C.A., who, after the first quarter, resorted to purely defensive measures. The terminal score was—3-3, 7-3, 9-3 and 12 to 4. Best players for Artillery were Jack and Macnaughton, and their successful forwards were Macnaughton (5), Workman (2), Pritchard (2), Jack (2) and Huggins. For Y.M.C.A., Nichol, Wilson, Nankervis and Raymond were most in evidence.

Camberwell gave their best exhibition for the season in a tough and scrambling game against Deaf and Dumb. The sectional score was—2-2, 7-2, 9-3 and 11 to 4. Scott, Evans, Hart and McCorkell were most effective for the winners, whose goals were thrown by Scott (4), Biddle (3), Waring (2), Montgomery and Scott. For Deaf and Dumb, Henry, White, Walsh and McDermott were outstanding with the goal throwers, McDermott (2), Baines and Henry.

Results in the other sections were as follows: B Section—First Division: Hawthorn (11 goals) d. Box Hill (9 goals), Melbourne High School Old Boys (9 goals) d. Brighton (7 goals), Malvern (10 goals) d. Glen Iris (9 goals). Second Division: Intermediate Legacy (9 goals) d. Williamstown (7 goals), Colurg (12 goals) d. South Melbourne Technical School (8 goals), Hartwell (8 goals) d. Caulfield (nil).

C Section—University (22 goals) d. Caulfield (9 goals), Essendon (22 goals) d. Brunswick (16 goals), University High School Old Boys (12 goals) d. Royal Australian Naval Reserve (9 goals), Brunswick (11 goals) d. Teachers' College (1 goal).

D Section—Coburg (22 goals) d. University High School Old Boys (10 goals), Williamstown (12 goals) d. Sunshine (7 goals), Old Trinity Grammarians (12 goals) d. Malvern (9 goals), Tower House (2 goals) d. Caulfield (2 goals), Melbourne High School Old Boys (13 goals) d. Camberwell (nil), Hawthorn a bye.

E Section—Working Men's College I. (8 goals) d. University High School Old Boys (4 goals), Essendon (15 goals) d. Working Men's College II. (nil), Caulfield (21 goals) d. Williamstown Wanderers (6 goals), St. Kilda (22 goals) d. Trinity Grammarians (nil).

The D section players who have been chosen to practice for the Inter-State junior game against South Australia are asked to meet at the Amateur Sports Ground on Tuesday and Thursday at 4.15.

VICTORIA DEFEATS SOUTH AUSTRALIA. ADELAIDE, Saturday.—Victoria 18 goals defeated South Australia 10 goals for the seventh successive time in interstate lacrosse. Today, Goal Throwers—Victoria: Beattie (1), Read (4), Woods (3), Robson (2), Edwards (2), Lilburn (2). South Australia: Cook (5), Lee (5).

# Victoria Beat S.A. at Lacrosse

## EIGHT GOAL WIN IN HIGH SCORING MATCH

### Visitors' Body Checking Feature of Play

Victoria defeated South Australia for the seventh successive time in interstate lacrosse at the Unley Oval today. The game was of high standard, and the scoring was the highest since the inception of the game in 1888. Victoria won by eight goals.

Victoria's body checking of the attacks and forwards was largely responsible for their fine win. The position play of the visiting forwards and attacks was a revelation to the home side, too.

One of the features of the match was the superb display of the Victorian goalkeeper, S. McCorkell. His judgment was sound, and he took the ball cleanly. When closely pressed he eluded his opponents cleverly, and passed accurately to his teammates.

The tactics of J. Beattie (Victorian first home) were most disconcerting to the South Australian goalkeeper, R. H. Perkins. Repeatedly he ran across the net to obscure Perkins' vision. His colleagues had a perfect understanding when to shoot.

South Australia confounded some of their critics with a fine game. However, they lacked a little cohesion among the attacks and forwards.

The teams were—

South Australia—R. H. Perkins (goal), J. Spencer (point), J. Muecke (6 points), S. Schrader (3rd man), J. Martin (1. defence), R. H. Kestel (captain, 1. defence), E. Shimmie (centre), C. Sutherland (r. attack), A. Hall (1. attack), G. Hall (3rd home), R. Cook (2nd home), J. Lee (1st home).

Victoria—S. McCorkell (goal), J. Field (point), O. Unkenstein (e. point), N. Gibbs (3rd man), D. Marshall (1. defence), G. Nowles (r. defence), W. Edwards (centre), N. Robson (r. attack), R. Read (1. attack), B. Lilburn (3rd home), H. Woods (2nd home), J. Beattie (captain, 1st home).

Opening with great dash, South Australia scored two early goals. Lee, with a beautiful backhand shot, and Cook, who caught the ball and threw it in with the one action, each found the net. The home side was combining well, and were beating Victoria in the centre. They were faster than the heavier Victorian side, and kept play open.

The attackwork of both sides was excellent. Marshall checked Cook and cleared. Quickly the ball went to the other end, where Edwards went through a pack to score Victoria's first goal. Muecke and Perkins were saving well for South Australia. Then Victoria broke through with another goal from Beattie. Two fast shots from Edwards were brilliantly saved by Perkins.

The Victorians were now quicker to the ball, and at the end of the quarter had a two-goal lead.

First Quarter.  
VICTORIA 5 goals  
SOUTH AUSTRALIA 0 goals

McCorkell, who was anticipating with judgment and showing brilliant stick work, curbed several South Australian attacks.

The Victorian backs smothered the South Australia forwards. They also used their weight to advantage, going vigorously through to goal.

South Australia's passing was excellent and their play was now improving. Perkins was knocked into a goalpost by Beattie, and the game was held up until he recovered.

Dodging Muecke and Spencer, Beattie then ran in to score Victoria's seventh goal.

The home men were inclined to watch the stick rather than the body of their opponent.

They were picking out their men better, and picking up the ball more smartly. Beattie repeatedly ran across the goal with his colleague's shot and obscured the home goalkeeper's vision.

One of the features of Victoria's strength was that the centre men fell back with the last line of defence when the South Australians attacked.

Second Quarter.  
VICTORIA 9 goals  
SOUTH AUSTRALIA 6 goals

After the long interval Victoria had things their own way for 10 minutes. Goals were added by Woods and Robson.

South Australia then attacked well from the centre, and Lee, who scored successive goals, Robson (attack), who was too heavy and fast for Kestel, was prominent for Victoria. Cook shot fast. The perfect length beat McCorkell and found the net.

The play was fast and vigorous, and there were several minor casualties. Edwards was out of the game for a time to receive treatment from an ambulance man.

Victoria were fast on the turn, and South Australia found it difficult to check their sticks.

South Australia were on even terms with the opposition in all positions except forward, where the visitors' tactics were good. Beattie continually obscured Perkins' vision by running across him.

Victoria began to draw away. They added six goals for the term against only three by South Australia.

Third Quarter.  
VICTORIA 15 goals  
SOUTH AUSTRALIA 9 goals

South Australia made alterations in positions in the last term. Muecke marked Robson and Kestel opposed Edwards. A shot by Edwards was brilliantly saved by Perkins. There was a scoreless period when the defenders held a temporary advantage. Finally Lilburn broke through and goalied with a good distance shot.

The visitors were now too fast around the centre, and their stickwork was almost perfect. Lee encouraged the home side with a goal from a fine backland shot. Several more shots were brilliantly turned by McCorkell.

Perkins was defending well in goal for the home side. He stopped a succession of shots by Edwards. Lilburn missed an open goal with a faulty throw.

South Australia's position was now practically hopeless, but they did not slacken. They got the ball forward, but the game was too crowded for them to score. The Victorians smothered the goal.

A final thrust by the visitors produced goals from Read and Edwards.

Final  
VICTORIA 18 goals  
SOUTH AUSTRALIA 10 goals

Goalthrowers—Victoria—Beattie and R. Read (each 4), H. Woods and Robson (3), Edwards and Lilburn (2). South Australia—Cook and Lee (each 5).

Best Players—Victoria—McCorkell, Robson, Marshall, Edwards, Beattie, and Woods. South Australia—Spencer, Cook, Lee, Perkins, Muecke and Hall.

## FOUR SENIOR ROUNDS

## Section Lacrosse Prospects

**SENIOR** Section lacrosse will be resumed on Saturday after the break due to the interstate game in Adelaide.

Four more rounds of matches remain to be played before the finals. The success of the Victorian team in Adelaide last Saturday again demonstrated the State's superiority.

## CHIEF GAME AT ALBERT GROUND

The game at the Albert Ground on Saturday between M.C.C. and Camberwell will be the big attraction on Saturday. Both teams with Williamstown all being equal for second place.

Perhaps the more forceful methods of Camberwell may gain them the victory, but the M.C.C. players are a strong combination.

At Caulfield the home team will find University anxious to do its best in preparation for the inter-varsity game next week.

At the Showgrounds Williamstown and North Fitzroy are to meet.

The A section position should be clarified considerably on Saturday, when Camberwell and Ivanhoe meet at Trinity Grammar School, and Adult Deaf play Caulfield at Blackburn.

**CLOSE FINISH**

No section has provided closer or keener contests than the A, and with only two more matches to be played there are still seven teams in the running for the final four. Williamstown and Malvern are safe, but Camberwell, Ivanhoe, Caulfield and Adult Deaf are all next equal with 36 points each, with University just an outside chance of inclusion with 28 points.

side of the section finished in a most interesting way last Saturday. When two teams in both divisions were equal for the second place—Hawthorn and Malvern in the first and Hartwell and Williamstown in the second. Averages gave the second places to Hawthorn and Hartwell respectively, and on Saturday Box Hill meets Hawthorn at Fawkner Park for the first division leadership while Legacy and Hartwell will play off in the second division at St. James' Park.

**C SECTION CERTAIN**

On Saturday the C Section will play the last of the home and home matches for the season, and it now seems hardly possible to endanger the positions of the finalists, who will be Brunswick, Essendon, University, H.S. Old Boys and R.A.N.R.

Next Tuesday at Caulfield a South Australian junior team will meet a Victorian B team. On Wednesday the annual inter-Varsity match between Adelaide and Melbourne University team will be played at the University Oval. On Thursday a Victorian twelve will be selected to play against a Combined University team.

against a Doshoff University saint.  
Mr. Arch McIndoe, an elected member of the N.Y.U. board, was operated on for appendicitis is now progressing satisfactorily.  
The Victorian team to meet the combined Universities is: McNeillage, A. Fowler, Menbennett (Wmstn), J. Lake (North Flizroy), C. Page, C. Foster (Malvern), J. Brooks, D. McIndoe, Redmond, Hough (M.C.C.), Booth (Caulfield), Evans (Camberwell), J. Fowles, Swalinger (M.C.C.), Mouchmore, Horat (Wmstn), Doble (Camberwell), Defence: Cantwell (M.C.C.).

A member of the Williamstown senior team has been disqualified by the Investigation Committee until the end of the season.

## LACROSSE.

Camberwell and M.C.C. gave a fine display at the Albert Cricket Ground. M.C.C. prevailed upon Wrixon to play. They were holding a commanding lead of five goals to two at quarter time. Camberwell strengthened their defence in the second half, and with McCorkell as captain, proved more successful. At half time M.C.C. lead, 9 goals to 6. The third time was the best of the match—M.C.C. 21, Camberwell 10. The result was early midday, Camberwell winning convincingly with 16 goals to 11. The winners' best were McCorkell, Kerrigan, Lilburn, Smith, Fox and Blid, and the losers were scored by Kerrigan (1), Fox (3), Lilburn (3), Webb (3), Evans (2), Grant and Sparrow. For M.C.C., Robson, Redmond, Leigh, Worcester, and Wilson were the scorers. The best players were Wilson forwards were Robson (1), Leigh (3), Fulford (2), Worcester and Hough.

Williamstown were at their top form against North Fitzroy. The terminal scores were 3-1, U-1, 2-1, and 27 to 2. Fowler, of Williamstown, received a severe eye injury early in the game, and will probably be out of the game for the remainder of the season. Ford, playing his first senior game, showed great promise for the winners, for whom Marshall and McMenhett were also in the line. The three, the three, were McMenhett (6), Jones (6), Ford (6), Read (6), Marshall (2) and Hogarth. For North Fitzroy, McCrae, McKenry, McDonald, Tulloch and B. Clarke were most effective.

Caulfield were handicapped in being without the services of Gibbs, P. Murrowed and Dentley against University. Caulfield at quarter time had scored 10-0, while University had managed to get to a 10-6 score at half time. An injury to J. Murrowed in the second quarter discouraged Caulfield's attack, and he was forced to retire, leaving the place open for A. G. Heselwood to fill. At three-quarter time Caulfield were still ahead 18-16 to 12 at three-quarter time. The last quarter provided the best lacrosse of the match, and University, with a score of 17 goals to 15. The winners' best were Corbett, Cutts and Gray, and the losers' were scored by Cutts (6), Corbett (4), Garrett (3), Maitland (3), Heselwood (2) and Gray (2). Half-histleline, most prominent (until injured) and Poland were most prominent, and their successful forward mates (4), J. Heselwood, Church and Maine (2).

Coburg were too experienced, especially in defence, for the Melbourne High School Old Boys, who held their own and held, but failed to back up attacking efforts. Coburg scored 12 goals to 7. The winners' best were O'Gorman, Cole, Brown, Reid and Thornton, and their goals were thrown by Aahby (4), Brown, (3), Hutchingson (2), Cole (2) and O'Gorman. For the Old Boys, Clarke, Glover, McCoy, O. Bayliss and McGregor were most prominent, and the goals were thrown by Clarke (3), May (1), McCoy and O. Bayliss.

## A SECTION

Caulfield and Deaf and Dumb, who are equal for fourth position, had a great struggle, and one of the best games played at Blackburn. Paul resulted in a draw. Deaf and Dumb put up a fine performance, and secured the lead 8-7 at half time. Deaf and Dumb appeared to have the game in their keeping towards the end of the final term, but Caulfield made the score level (11 goals each) just before the bell. Caulfield's best was O'nealey, who scored four goals, and the game was thrown by Robin (3), Tunn (3), Maine (2), Croesley and Hyams, and for Deaf and Dumb, Ralnes, Grant, McGuinness, Henry and Wilson were most conspicuous. McGuinness (5), Henry (3), Ralnes (2) and Newton securing their goals.

Camberwell, with superior slick work, gained well-merited victory over Ivanhoe, and secured third place. The feature of the game was the fine play of Scott for Camberwell, and Ivanhoe's counter effort to score the game. The terminal scores were 43-25, 25 and 11 to 0. In addition, Scott (Camberwell) was best served by Hart, Harris and Jones, and their goals were scored by Hobbs (3), Webster (2), Gillies (2), and King (1). The game between Price, Cronier and Bartlett was a misunderstanding, and the goal throwers were Bartlett (2), Price (3), Burrows and V. Ladner. Williamstown, have to thank an early lead for their victory over Ivanhoe, and surprised the home men with their pace, and secured play in attack. Terminal scores were—8-1, 4, 11-7, and 12 to 10. The winners' goals were scored by Murrie (1), Hiddle (1), Walton (2), and Price (3). The game between Cronier and Read was a farrell, Macmough, Emars (8 goals), Farrell, Macmough. Emars and Read were most in evidence.

Y.M.C.A., handicapped through sickness and injuries, were obliged to field substitutes against University, and they were outclassed. Varsity, playing well within themselves, scored 16 goals to 8. Mudie (3), Trethewie (3), Bateman (2), Muller, Bradley, Phann and Clancy threw the winners' goals. For Y.M.C.A., Raymond, Rositer and Nichol were outstanding.

Malvern proved too clever and experienced for Exendon, as the quarter scores show 2-1, 15-1, 20-3, and 27 to 3. Nichol (10), H. Edwards (10), Clague (5), V. Healy (2) and K. Talbot scored for the winners. For Exendon, Lishock (2 goals), N. Cohen (1), K. Cohen and Lennie were most under notice.

## ILAWTHORN AND LEGACY

**DIVISIONS.**  
Hawthorn defeated Box Hill in a fast and hard game, in which the greater earnings in attack of the winners was the deciding factor. Quarter scores—3 all, 7-4, 10-3, and 10 to 7. F. Moore, Nicholls, Bell, Morris and Dixon were outstanding for the winners, whose goals were scored by F. Moore (6), Bell (2) and Morris (2). Box Hill were best served by J. Kilborn, Evans, Allingham and Postland, and the goal throwers were Evans (2), Allpress (2), J. McKibbin (5) and Read.  
Jersey were the winners of the division for

Legacy were too strong in defense for the lighter Hartwell side in a very clever and brilliant game. Legacy, playing with fine determination, won with the quarter scores 4-0, 1-0, 6-2, and 9 to 2. The winners' best were T. and J. Kennedy, Cheevers, Kilvert, McWilliams and Smith, and their goals were scored by Cerry (4), McWilliams (2), Davidson and Cheevers. For Hartwell, Kennedy, Baker, Glover and Hudson were most prominent.

Results in the other sections were as follows:-

C Section.—Royal Australian Naval Reserve 25 goals d. Caulfield 13 goals, Camberwell 53 d, University 11, University High School Old Boys 16 d, Teachers' College 15, Brunswick 12 d, Eusden 2.

D. Section.—Old Trinity Grammarians 24 goals  
1 d. Hawthorn 6 goals, U.iversity High School  
Old Boys 9 d. Sunshine 7, Brighton 14 d. Colours  
11, Melbourne High School Old Boys 15 d.  
Working Men's College 7, Williamstown 21 d.  
Malvern 6. Power House received a walk  
over from Caulfield, Camberwell a bye.

E. Section.—Williamstown 7 goals d. Worthing  
Men's College 11, 3 goals, Essendon 12 d. Worthing  
Grammarians 5, University High School Old  
Boys 15 d. Caulfield 6, St. Kilda 6 g. Williams-  
town Wanderers 1, Working Men's College 1  
received a walk over from Deaf Boys' School.

#### LACROSSE

The South Australian B section team, which will play against a Victorian B team this afternoon at 3 o'clock, arrived at Sydney street station on Monday, and was officially welcomed by the Victorian Lacrosse Association on Monday at the Amateur Sports Club. The Adelaide University team, which arrived by the same train, was welcomed by representatives of the Melbourne University Lacrosse Club. The inter-club match will be played at the University oval on Wednesday, and on the following day there will be a match between a Victorian Lacrosse Association team and the combined universities.

A special general meeting will be held on Thursday for the purpose of endorsing to the following the motion that all clubs represented in the present discussion must also enter junior teams.

#### LACROSSE.

##### JUNIOR INTER-STATE GAME.

The manner in which the Victorian B section team acquitted itself against South Australia proved a revelation to those who only see senior section games—the future of the game in this State is in very capable hands. The selectors restricted themselves to young players, and, after a shaky start, they settled down to a splendid exhibition of combined play.

South Australia started off with dashing play, and choice work by Wickham resulted in first goal. Both sides were over-anxious early in the game, and there was much faulty passing. Reid scored for Victoria with a fine shot, and shortly afterwards Bettles scored their second with a clever snap. West was fighting well in attack for the visitors, and was rewarded with a good goal. Wickham was unfortunate not to equalise for South Australia, and towards the end of the quarter Reid again found the net with a brilliant piece of play, to give Victoria a 4-2 advantage at quarter time. West scored for South Australia early in the second quarter with a fine underhand shot, but for the remainder of the term the visitors were chiefly on the defensive. Cleland and Swanson repeatedly saving with great clearing rubbers. The feature of the second quarter was a brilliant series of exchanges between Glover and Howe, which resulted in a remarkable goal from the latter's stick. South Australia were spoiling many chances by faulty positional play, and at half time Victoria had increased their advantage to a score of 8 goals to 2.

In the third term the home side were always on top, and the passing and general positional play reached a very high standard—the visiting backs fought desperately, but their goalkeeper did not back them up, and Victoria scored a diamond goal with a 14-3 score for the last change. South Australia concentrated chiefly upon defensive play in the closing stages, and provided a splendid last-quarter's game. Victoria ultimately won by 17 goals to 4.

The winners did not have a weak man, the most prominent being Reid, Glover, Worrall, McGeorge, Howe and Brittlian, and their goals were scored by Reid (4), Glover (4), Bettles (3), Howe (2), McKibbin (2), Brittlian and McGeorge.

For South Australia Cleland, George, Swanson, McKay, and the goal throwers, Wickham (2), West (2), were most effective.

This afternoon the annual inter-varsity match between Melbourne and Adelaide will take place on the University oval. The game will be refereed by H. R. Palmer.

#### INTER-VARSITY LACROSSE.

Melbourne and Adelaide Universities will meet at lacrosse on the University oval this afternoon. After the match a team will be chosen to represent the combined universities against Victoria to-morrow afternoon.

## INTER-STATE LACROSSE — VICTORIAN AND SOUTH AUSTRALIAN JUNIORS.

Photographs taken prior to the match on Caulfield Cricket Ground yesterday, when the Victorian team defeated their South Australian opponents by 17 Goals to Four.

VICTORIAN TEAM (L. to R.).—Back Row: H. Britton, W. Reid, E. Nicholls, K. Howe, C. Glover, A. McGeorge. Middle Row: S. Watson, J. Worrall, J. Bettles, C. McCall. Front Row: K. McKibbin, L. Retallick.

SOUTH AUSTRALIAN TEAM (L. to R.).—Back Row: R. V. Harry, P. Cox, R. Beunard, M. Kennedy, A. Swanson, J. Ferras, W. Russell. Middle Row: D. Searcy, W. Cleland, N. Wickham (capt.), R. McKay, S. George. Front Row: J. Whight, R. West.

INTER-UNIVERSITY LACROSSE.—A tense moment in front of the Adelaide goal in the second quarter.

## Inter-Varsity .. Lacrosse ..

MELBOURNE v. ADELAIDE

Played on  
Melbourne University Oval

WEDNESDAY, 16th AUGUST,  
1933

'Argus' Thurs' Aug. 17<sup>th</sup> 1933.

### LACROSSE

#### Inter-University Matches

After having been a goal behind at half-time, Melbourne recovered well to win the inter-university lacrosse match against Adelaide, which was played at the University yesterday. Scores—  
MELBOURNE UNIVERSITY, 11 goals.  
ADELAIDE UNIVERSITY, 8 goals.  
Goal-throws—Melbourne—Cuttis (5), Maco (2), Eddley. Adelaide—Kumnick (4), McKay, Davies, Mucke, Harry.  
Best Players—Melbourne—Volk, Cuttis, Corbet, Jarrett, Hamill, Gova. Adelaide—Mucke, Kumnick, Irving, Burnard, Bonnia.

#### Team to Play Victoria

The following combined team has been chosen to play a team representing the Victorian Lacrosse Association, at the University this afternoon—  
Goal, J. M. Peller (A.); point, W. B. C. Gray (M.); cox-point, R. Hamill (M.); third man, H. J. Irving (A.); defence wing, W. C. Brewster (A.); H. H. Eddley (M.); centre, J. R. Mucke (A.); vice-captain, attacks, P. G. Jarrett (M.); captain, A. C. Davis (A.); third home, T. W. Cuttis (M.); second home, C. M. Corbet (M.); first home, D. K. Kumnick (A.); reserves, L. Howell (M.), J. B. Adcock (A.).

A TENSE MOMENT in the combined Universities' (Melbourne and Adelaide) match against the Victorian Lacrosse Association team. The struggle for the ball is between the Universities' goalkeeper and a Victorian player in the third quarter.

'Argus' Fri' Aug. 18<sup>th</sup> 1933

### LACROSSE

#### Universities and Victoria Draw

In a fast and interesting lacrosse match at the University yesterday a team representing the combined Melbourne and Adelaide Universities drew with Victoria. Universities began well with two goals in succession, but Victoria rallied and the scores were equal at half-time. The Universities drew ahead in the second and third quarters, and led by three goals when the last quarter began. Victoria played with skill and judgment to make the score 14 goals each.

Goal-throws—Universities—Kumnick (A.), 7. Corbet (M.), 3. Cuttis (A.), 4. Eddley (M.), Mucke (A.). Victoria—Booth, J. Benham, & Evans & Dobble & Knowles, Forster.  
Best Players—Universities—Kumnick (A.), Forster (A.), Cuttis (M.), Mucke (A.), Irving (A.). Victoria—McNellage, Evans, Booth, Dobble.

# LACROSSE TEAMS IN SEMI-FINALS

## Senior Section Decided

By "Point"

WITH three rounds of lacrosse matches yet to be played in the senior section before the semi-finals, the remaining games cannot alter the constitution of the four. Malvern, Williamstown, Camberwell and M.C.C. are certain of being the semi-finalists.

For the next couple of weeks the doings of the senior teams will be temporarily overshadowed by the finals in all the junior sections. Next Saturday the A, D, and E teams will play the last round of the home and home games. The B section final and the semi-finals in the C section will provide interesting games.

In the A section Williamstown and Malvern cannot be deposited next in order because of the composition of the final four. In A section several interesting possibilities are involved. D section final should provide a great game. To-day's programme is as follows:

**Section Final**  
There should be some stirring lacrosse at Fawcner Park, where Legacy and Hawthorn meet to decide the B section final. In this section there is no challenge. As these two teams will not meet before this season, it is difficult to forecast the winners.

In the C section it now only remains for the final to be played to conclude the season. On Saturday the semi-finals between R.A.N.R. and University H.S.O.B. at Caulfield Park and Brunswick and Essendon at St. James Park will be decided. Brunswick if beaten still retain the right of challenge.

There is no outstanding attraction in the senior section on Saturday, although at the Caulfield C.G. the game between the neighboring suburbs of Caulfield and Malvern will draw a crowd.

Another game that may create surprise is that between Coburg and M.C.C., who meet at the Bell Street Reserve. At the Canterbury C.G. Camberwell and North Fitzroy will be the opposing teams.

Although the University players may feel the strain of the intercollegiate game may affect the students, they should be able to defeat Melbourne H.S. Old Boys.

The last series in the D and E grades will be played on Saturday, and unless the unexpected happens the D semi-finalists should be Power House, Williamstown, Melbourne H.S. Old Boys, and Working Men's College, with Williamstown holding the challenge.

In the E section Williamstown are on top, with Essendon 32, St. Kilda 48, University H.S. Old Boys 44, and Working Men's College 40, following.

Allan Deacon, the captain of the Williamstown senior team, is a candidate for municipal honors — he is contesting the centre ward in the Williamstown Council elections.

It seems more than likely that next season the V.L.A. will revert to the old length of 110 yards for the playing field. The 93 yards does not seem to have achieved its object of increasing centre play.

References for Saturday:  
**Senior**—Drew (Caulfield-Malvern), Klooster (University-M.H.S. Old Boys), Nathan (Camberwell-North Fitzroy), Lowns (Coburg-M.C.C.).

**A section**—Simpson (Essendon-Y.M.C.A.), Fowler (Williamstown-Camberwell), Rabbelling (Malvern-Caulfield), Martyn (Artillery-Adult Deaf), Wilkin (Ivanhoe-University).

**B section final**—Legacy-Hawthorn.

**C section semi-finals**—Marks (R.A.N.R.-U.I.S. Old Boys), Wignall (Brunswick-Essendon).

# LACROSSE.

The special meeting of the Victorian Lacrosse Association on Thursday night proved abortive. The object of the meeting was to consider a motion that the recently-passed rule requiring all senior teams to also field a junior side be deleted.

The president of the Australian Lacrosse Council, Mr. R. O. Moore, who was in the chair, ruled that all those amendments, alterations and additions to the present constitution, of which no notice had been given, were ultra vires, and stated that he had taken the precaution of obtaining legal opinion. As the subject matter of this meeting came under that heading the merits of the case were not discussed.

It is distinctly disappointing to those members who have given much time and work in attempting to revise this constitution, to realise that their labor has been in vain, but there is little doubt that in an endeavor to work in an amiable atmosphere they neglected to take the full legal courses, which are definitely laid down in the present constitution.

The senior section games today can have no bearing on the composition of the final four, but in A section several interesting possibilities are involved. D section final should provide a great game. To-day's programme is as follows:

**Section Final**  
Senior Section—Caulfield v. Malvern, at Caulfield cricket ground; University v. Melbourne High School Old Boys, at University oval; Camberwell v. North Fitzroy, at Canterbury cricket ground (Clatham station); Coburg v. M.C.C., at McDonald Reserve, Bell-street, Coburg; Williamstown v. Hawthorn, at Fawcner Park, South Yarra (opposite hospital).

A section—Essendon v. Y.M.C.A., at North Essendon, adjoining Cross Keys Hotel; Williamstown v. Camberwell, at Gardens Reserve, Williamstown; Malvern v. Caulfield, at Malvern cricket ground; Artillery v. Adult Deaf and Dumb, at Albert Park, near chaise; Ivanhoe v. University, at Ivanhoe cricket ground.

B section—Final: Intermediate Legacy v. Hawthorn, at Fawcner Park, South Yarra (opposite hospital).

C section—Semi-finals: Brunswick v. Essendon, at St. James Park; West Hawthorn v. Central Australian Naval Reserve, at University High School Old Boys, at Caulfield Park.

D section—Coburg v. Williamstown, at McDonald Reserve, Bell-street, Coburg; Sunshine v. Old Trinity Grammar, at Sunshine Recreation Reserve; Working Men's College v. Hawthorn, at Yarra Park, near Jolimont station; Brighton v. Melbourne High School Old Boys, at technical school, Coleridge, Brighton; Camberwell v. University High School Old Boys, at sports ground, White Horse-road, Deerpden; Malvern v. Power House, at Central Park, East Malvern; Caulfield v. A by.

E section—Essendon v. Working Men's College, at North Essendon, adjoining Cross Keys Hotel; Caulfield v. Williamstown, at Caulfield Park; Trinity Grammar v. Deaf Boys' School, at Grammar School, Wellington-street, Kew; University High School Old Boys v. St. Kilda, at Royal Park; Williamstown Wanderers v. Working Men's College II, at Pound Reserve, North Williamstown.

*See this cutting re special General Meeting re alterations to the Constitution*

## HAWTHORN B SECTION PREMIERS.

Legacy put up a spirited battle against Hawthorn, and the result was in doubt until the final bell. Sectional scores were 11, 5-4, 8-4, and 9 to 8. Nicholls, Bettles, Morrison and P. Moore were most prominent for the winners, whose goals were thrown by F. Moore (9), Butler (1), Murray and N. Moore. Legacy were best served by T. Kennedy, H. Davidson and Gillett. The goal throwers were MacWilliam (3), Warracke (3), Chervy and Corrie.

## C SECTION SEMI-FINAL.

Brunswick, who have led throughout the season, were defeated by Essendon in an even game, but they hold the right of challenge. The sectional scores were 2 all, 6-0, 9-0 and 10 to 8. R. Eave (3), Payne (2), Trevarne (2), B. Eave, Quayle and Jenkins scored for Essendon; and Smith (4), D. Chapman (3) and J. Chapman for Brunswick.

University High School Old Boys were far too good for the Naval Reserve, throwing 20 goals to 4. Davidson (7), Gillies (6), and Paul (3) were chief contributors for the winners, and for the Royal Reserve Henry (2), Beauden and Bailey were successful.

The other games resulted as follows:

D section—Malvern 15 goals to 4. Power House 8, Melbourne High School Old Boys 14 to 4. Brighton 6, Old Trinity Grammarians 10 to 3. Sunshine 6, Williamstown 19 to 4. Coburg 10, Working Men's College 22 to 4. Hawthorn 9.

E section—St. Kilda 5 goals to 4. University High School Old Boys 4, Essendon 6 to 4. Working Men's College I, 4, Williamstown Wanderers 29 to 4. Working Men's College II, 1, Williamstown 9 to 4. Caulfield 8.

# LACROSSE.

## Caulfield's Great Effort.

Caulfield were without Gibbs and Dentry, while Brierley was an absentee from Malvern's side. Caulfield fielded seven men who were playing their first season in senior section, and their performances were very heartening. Within ten minutes of the start each side had scored three goals. Malvern, thanks chiefly to the positional play by H. Beattie, were ahead 5-3 at quarter time. In the second quarter Malvern were steadier in the execution of their attacks, and towards the end of this quarter Caulfield instilled more system into their attacks, and at half time the teams were on level terms—7 each. Malvern led 11-10 at three-quarter time. Early in the final term Caulfield drew level, but their forwards were a very first lot. Malvern won 16 goals to 12. Caulfield were probably best served by Booth, Davey, Reigelhuth, Church and Schmidt. Their goals were thrown by Booth (6), Black (2), Church (2) and Reigelhuth (2). Malvern's best men were H. Beattie (5), Foster (3), J. Beattie (2) and Edwards (2).

Melbourne High School Old Boys were without McCoy against University. The Old Boys held a 2-1 advantage at the first change, but at the long interval held the advantage—4 goals to 3. Varsity, more skillful in front of goals, increased their advantage to 6-4 at three-quarter time. In the final quarter the only goal scored put University further ahead to win 7 goals to 4. The winners' best players were Cutts, Hamill, Boleley, Volk and their successful forwards were Cutts (3), Mac (2), Jarrett and Bateman. For the Old Boys McGovern, Glover, Stevens, Allen (2 goals) and Clarke (2) were most in evidence.

M.C.C. played one shot of their full complement until half time against Coburg. M.C.C. scored 4 goals to 1 advantage at quarter time. Coburg in the second quarter had the visiting side on the defensive throughout. M.C.C. led with 3 goals to 4 at half time. M.C.C. forwards were continually strong from their position, and at the final change each side had scored 6 goals. In the last quarter M.C.C. played well to position, winning 10 goals to 4.

The winners' best were Brooks, Leigh, Redmond, Hunt, Worcester and Cantwell, and their goals were scored by Roberts (3), Leigh (2), Hunt (2), Johnston, Westcott and Gillie. Coburg were best served by Ashby, Reid, Thompson, Harding and Brown. Ashby (1), O'Gorman and Bassett secured their goals.

North Fitzroy, handicapped by the absence of three of their regular players, proved to match for Camberwell. Sectional scores were 10-1, 16-2, 20-8 and 25-10.

Goals were thrown by Lillburn (6), Evans (6), Fox (4), Kerrigan (2), Sparrow (2), McCorkell and Webb. For North Fitzroy Lake, Roddie, McKenry and Wilson were outstanding in defence, whilst Logan (2) and Wade (2) scored their goals.

## A SECTION.

As a result of Saturday's games the following teams will contest the semi-finals: Malvern (challenge), Williamstown, Camberwell and Adult Deaf and Dumb.

Camberwell and Williamstown put up a wonderful game, and a high standard was maintained throughout. Williamstown led for most of the match, but a brilliant rally by Camberwell attackers in the final term enabled them to snatch victory on the bell. Terminal scores were 3-5, 5-6, 7-8 to 19 to 9. The winners' best were Scott, McCorkell, Jones, Harry, Dolbe and Golland, and their goals were netted by Dolbe (6), Webster (3), Scott and Waring. For Williamstown, Satchell, McGregor, Robinson, Lancaster and Riddle were outstanding, and their successful forwards were Murrle (2), and their goal throwers were Murrle (2), Ford (2) and Mander-Doull (3).

Ivanhoe were slow to take advantage of University being short-handed, and at quarter-time the teams were 4 goals each. The feature of the second quarter was the goalkicking of the visitors, who scored 5 goals in the first term. In the final quarter, but Ivanhoe proved winners, 16 goals to 10. Brierley (8) scored 4 goals, and Laidlaw and Johnson were outstanding for the winners. For University Ward, Bradley and Kerr were most prominent, with the goal throwers Bradley (3), Kerr (2), Clancy, Modie and McGregor.

Dumb and Dumb are displaying good form, and were never seriously pressed by Artillery. Terminal scores were 4-6, 7-5, 11-11, and 15 to 11. Final scores were 4-6, 7-5, 11-11, and 15 to 11. Final scores were 4-6, 7-5, 11-11, and 15 to 11.

Essendon proved more adaptable to the ground conditions than Y.M.C.A. in a poor exhibition, the game being much below this section's standard. Final score was 15 to 10. V. Cohen (3), N. Cohen, Lennie, Knapton and Richards scored for the winners, and Raymond (2) and Nichol for Y.M.C.A.

# SECTIONS REACH SEMI-FINALS

## Lacrosse Chances

By "Point"

With an interesting series of matches in the senior section of lacrosse, the semi-final games in the A section, a final in the C division, and semi-finals in both the D and E sections next Saturday should provide one of the best afternoons for the season.

The senior match at the Williamstown Gardens Reserve between the seafarers and Camberwell should be worth seeing.

One of the surprises of last Saturday was the fine game played by Caulfield against the unbeaten Malvern—Malvern just managed to emerge successful after its hardest fight of the year. This performance makes Caulfield favorites against M.C.C.

University and Coburg always provide a close game.

Melbourne High School Old Boys will be at home to Malvern. Old Boys will be without their clever back man, W. McCoy.

A section semi-finals for Saturday are—

Williamstown v. Adult Deaf at Malvern C.G.; Camberwell v. Malvern at Show Ground, Malvern.

Both games should be hard, well fought. Malvern and Williamstown are favored. Malvern, if beaten, have the right of challenge.

The Saturday, by defeating Legacy in the B final, Hawthorn added another record to its already creditable list. The Hawthorn Club has always been a powerful factor in lacrosse, but in recent years it has not been as successful as in the past.

The C section semi-final winners last week were Essendon and University High School Old Boys, who meet on Saturday in the final at the Legacy ground, Yarra Park. Brunswick, beaten on Saturday, will meet the winners in a grand final.

Semi-finals in D section on Saturday are: North Fitzroy, handicapped by the absence of three of their regular players, proved to match for Camberwell. Sectional scores were 10-1, 16-2, 20-8 and 25-10.

Goals were thrown by Lillburn (6), Evans (6), Fox (4), Kerrigan (2), Sparrow (2), McCorkell and Webb. For North Fitzroy Lake, Roddie, McKenry and Wilson were outstanding in defence, whilst Logan (2) and Wade (2) scored their goals.

The fourth position on the E section premiership list was only decided on Monday, when a postponed game between Trinity Grammar and Working Men's College did not sufficiently improve their percentage, and University H.S. Old Boys took the fourth place on percentages.

The E section semi-finals will be—Essendon v. Williamstown (home and away challenge), adjoining St. Kilda Cricket ground; St. Kilda v. University H.S. Old Boys, at Caulfield Park.

The Ballarat Association is anxious to play a match in Melbourne as a curtain raiser to the senior section finals. The V.L.A. is anxious to see the country players in action, but difficulty is being found in arranging the curtain raiser, as the ground is occupied by baseballers until 3 o'clock.

The V.L.A. on Monday night will discuss means of overcoming the difficulty. Included in the Caulfield program were several matches, but the final will be in the senior lacrosse section.

North Fitzroy is having a lean time at present, fitness and injuries having seriously affected the ranks.

Brierley (Malvern) and Dentry (Caulfield), the respective goalkickers of these sides, were out on Saturday, and the substitutes Davey (Caulfield) and Anderson (Malvern) played remarkably well in this difficult position.

After next Saturday only one round of matches remains to be played before the semi-finals will be played at the Malvern C.G. and at the University H.S. Old Boys. The final will also be played at the Amateur Sports Ground.

References appointed for Saturday: Senior section—Floyd (M.H.S. Old Boys) v. Malvern; Klooster (University-Coburg) v. Brunswick; Caulfield-M.C.C., Lowns (Williamstown-Camberwell).

# LACROSSE.

Further injuries forced Caulfield to field an over-worked side, but the manner in which they overcame an acquitting themselves is most promising, and they registered a meritorious performance against M.C.C. The visitors at half time led 4 goals to 2. Caulfield in the second term drew level. At half time the score was 2-5 in favor of M.C.C. Caulfield did most of the attacking in the third quarter, and held the advantage, 11 goals to 10. M.C.C. put up a great fighting spirit, and just before the final bell secured the equalizing goal—14 all. Caulfield's best were Schmidt, Davey, Pollard and J. Murdoch, and their goals were scored by Booth (4), J. Murdoch (2), Reigelhuth (2), Littington (2), Church (2) and Crowley. For M.C.C. Booth, Hamill, Leigh, Douglas and Robson were outstanding, their goals being netted by Leigh (3), Swalinger (3), Hough (3), Douglas (2), Robson (2) and Gillies.

Williamstown remained the tables upon Camberwell in a hard game. The result of this match invests the finals with particular interest. The game was even until the last quarter, when the superior play and slick work of Williamstown resulted in gaining the upper hand. Final scores were—5-2, 4-5, 7-6 and 11 to 7. Lough, Jenkins, McClellan and H. Deacon were best players for Williamstown, whose goals were scored by Ferris (1), M.C.C. (1), J. Deacon (2), Hough and Mouchmore. Camberwell were best served by Lillburn, Smith and McCorkell; Lillburn (4), Fox (2) and Webb throwing their goals.

University since their inter-state engagement have demonstrated an unexpected improvement in attack. In opposition to Coburg, the first term was a triumph for the respective defense lines. Coburg had most of the play in the second quarter, but fairly forward play spoiled many good attacks, and at half time the teams were level—2 goals each. After half time, with the goalkickers clearing well, they scored upon the final quarter 4 goals each. Both teams fought desperately in the closing stages, but the students were slightly superior in front of goals, and they won with a score of 6 goals to 5. Corbet (4 goals), Bradley (2), Shann and Volk were outstanding for the students, whilst Coburg were best served by Brown (2 goals), Lobb, Cole and Hutton.

Malvern played with greater purpose against Melbourne High School Old Boys than with Caulfield. Brierley, returning as custodian, gave the defense greater stability. Sectional scores were—3-5, 15-4, 22-4 and 24 to 6. The winners' best were H. Beattie, Edwards, Brierley, Knowles, Lamont and MacGeorge, and their goals were thrown by J. Beattie (3), Edwards (6), Lamont (1), Foster (3), Knowles (2) and H. Beattie. For the Old Boys Gray, Duley and Glover were most effective in defence, with W. Clark (3), May, McGregor and Jayliss outstanding in attack.

**A SECTION SEMI-FINALS.**  
Malvern, who hold the challenge, were fully extended by Camberwell in a hard and vigorous game. Both sides concentrated upon defensive measures in the opening quarter, when the visitors scored 1 goal. Malvern's positional play and passing were superior to those of their opponents, and gave them a 2-3 advantage at half time. Camberwell made great efforts to break the lead, but Malvern, packing their defence, nullified all their attacks with long clearances to the wings. This term proved scoreless.

The final quarter provided a struggle, in which tempers frequently became frayed. Camberwell scored 2 goals to 1, but the Malvern defence was again functioning splendidly, and they won, 6 goals to 4. The best players for the winners were Dibble, Evans, Clague, Edwards, Anderson, and their goals were scored by Clague (3), Edwards (2), Healy and Webster. Camberwell were best served by Scott, Montgomery, Waring and McCorkell, with the goal throwers Harris, Griffiths, Scott and Doble.

Williamstown showed a welcome return to form by thoroughly outplaying Deaf and Dumb in a fast and clever game, and the result of this match ensures a close final with Malvern next week. The seafarers with superior tactics led 5-2 at quarter time, and gave a capital exhibition of positional play. The result was—Williamstown 15, Deaf and Dumb 4. The winners' best were Robbison, Uren, Martin, Walton and A. Arthur, and their goals were thrown by Murrle (7), Walton (6), Newgreen (3), Ford and O'Brien. For Deaf and Dumb, McIndoe (5 goals), Grant, White, Henry and Thomas were outstanding.

**O SECTION FINAL.**  
Essendon are showing their best form at the right time, and after their meritorious win over Brunswick last week they earned the right to meet them again next Saturday in the grand final by winning all along the line against University High School Old Boys. The winners are a more experienced combination, and played as a team, whilst the Old Boys depended over-much upon the efforts of a few. The sectional scores were—4-3, 6-3, 10-7, 11-7. For Essendon Barry, Trevarne, Quayle, P. Nicholson and Buckley were most in evidence, and the goals were scored by Trevarne (7), Barry (7), Jenkins (3), P. Nicholson, Eave and Garside. For the Joseph Paull (4), Gillies (2), and McIlroy scored.

# D SECTION SEMI-FINALS.

Melbourne High School Old Boys defeated Power House in a stirring contest, in which a very high standard was maintained throughout. The quarter scores were—3 all, 2-5, 6-7, 8-6. Best players for the winners were Chambers (6 goals), King, Park, Keating and Alcock. For Power House Garlick (3), Angus (3), Emery (3) and Pyle scored.

Williamstown proved far too good for Working Men's College, who seemed to be overawed by the occasion. The final score was 25 to 4 in favor of Williamstown. D. Miller (7), W. Miller (6), Ford (4), H. Speakman (3), J. Speakman (2) and Tolley scored for the winners, and H. Atteringham (2), Houch and Beattie for the school.

**E SECTION.**  
Essendon and St. Kilda Win Semi-finals. Essendon defeated Williamstown in a game which was in doubt until the final bell, and this will necessitate a grand final in this section. The scores were—1 all, 2-3, 4-5, 8-4. Dunn, Brown and Taffe were best for the winners, whose goals were thrown by Brown (3), Bell and Copas. For Williamstown, Wren, Goris, Ellis and Hervey were most effective, with the goal throwers Joseph, Ellis, and Taffe.

St. Kilda and University High School Old Boys had a neck-and-neck struggle, and it was necessary to play an extra ten minutes to decide the winner, both teams having netted 2 goals at the call of time. St. Kilda gained the victory in the added time, led, Smith and Lovell scored for St. Kilda, and Watt and Proudfoot for the Old Boys.

# FOUR SECTIONS IN FINAL STAGES LACROSSE SERIES

By "Point"

ONLY one round of home and home games in lacrosse remains before all sections enter the semi-final stages.

Other sections, having reached the final stages, hold chief interest at present.

The A section final will be the attraction on Saturday. The grand final in the C section will also hold special interest. The D and E finals also are to be played on Saturday. In the E section a grand final will be necessary.

The senior games cannot alter the final four—Malvern, Williamstown, Camberwell and M.C.C. None of the leading teams will take unnecessary risks.

At Malvern, Malvern and M.C.C. should attract a crowd. On recent performances Malvern should win.

The two clubs at the bottom of the list—North Fitzroy and Melbourne H.S. Old Boys—will meet at Forrest Hill.

At Williamstown Reserve, Williamstown will be at home to University.

Williamstown may not have the services of Marshall, who is still suffering from influenza.

At Bell Street Reserve, Coburg will face Camberwell.

## MAY REPEAT SUCCESS

The A final between Malvern and Williamstown, at the Caulfield C.G., should provide a game of more than ordinary merit. Williamstown had already one victory to its credit against Malvern this season.

At University, the C grand final between Essendon and Brunswick should be another great game.

The D Section Premiership must be won on Saturday by either Williamstown or Melbourne High School Old Boys, who meet in the final game at the Brighton Technical School ground.

As Williamstown was beaten in the E semi-final last week, a grand final is necessary in this section. Essendon and St. Kilda meet in the final at Royal Park on the University High School ground. The winners will meet Williamstown in the grand final.

An invitation is being offered to the Ballarat Association to send a combined team to meet an A Section team on the Malvern C.G. on Saturday week (September 9). This match will be a curtain-raiser to the senior section semi-final.

The V.L.A. has decided to give notice calling another special meeting to adopt the constitution and rules already considered.

At the next meeting of the V.L.A. a definite decision will be arrived at as to whether Victoria is to adopt the shorter playing length of 95 yards, or to revert to the old length of 110 yards. It is thought that a majority of delegates will favor the old length, as the shorter ground does not seem to have achieved its object of reintroducing the certain play—such an attractive feature of lacrosse in the past.

Matters are very disturbed in N.S.W. lacrosse circles—the old executive officers have practically all resigned and matches have been suspended. At a meeting held last week an attempt was made to patch matters up, but without result. As the next carnival should be held in Sydney, it is very doubtful, in view of the existing state of affairs, whether this will now be possible. If N.S.W. cannot conduct the carnival, it will fall upon Victoria to carry on, and at the next meeting of the V.L.A. the position is to be discussed.

The hon. secretary of the V.L.A. has been instructed to thank the South Australia team for their hospitality to the Victorian team during the recent interstate game in Adelaide.

The vote for the best and fairest players in the senior and A sections is being awarded with keen interest. As the senior section had yet another round of matches to play, the votes could not be counted at the V.L.A. meeting on Monday night, but will probably be announced at the next meeting of the executive committee.

The following referees will officiate on Saturday:

Senior Section: Vignall (Malvern-M.C.C.), Kioester (Williamstown-University), Rabbling (Coburg-Camberwell), Nathan (Melb. H.S. Old Boys-North Fitzroy). A final: Lown (Malvern-Williamstown). C grand final: Drew (Essendon-Brunswick). D final: Axford (Melb. H.S.O. Boys-Williamstown). E final: Marks (St. Kilda-Essendon).

## LACROSSE

### MALVERN DEFEATS M.C.C.

#### Some Final Matches Played

MALVERN, 17 goals, d. M.C.C., 10. McIntosh, Leigh, and McKean were M.C.C.'s absentees. J. Beattie scored first goal for Malvern, and Woods the second out of a scrimmage. Gillies netted M.C.C.'s first goal. At quarter-time Malvern led with 4 to 3. In the second quarter Malvern added 4 goals to M.C.C.'s 1, and repeated this performance in the third term, making the tally 12 goals to 5 at three-quarter time. J. Hall (M.C.C.'s captain) was injured in the third quarter, and J. Beattie (the Malvern captain) retired from the game with him. Best Players—Malvern—Woods, Edwards, Brerley, H. Beattie, Knowles. M.C.C.—Douglas, Reid, Dobson, Campbell, Swainson. Goal-throws—Malvern—Woods (4), Edwards (4), H. Beattie (4). J. Beattie (2), Fowler (2), Brerley, H. Beattie (2), H. Beattie (2), Swainson (2), Gillies (2), H. Beattie (2).

CAMBERWELL, 16 goals, d. COBURG, 8. Owing to influenza Coburg had several players in making up its team and played rose short in the first quarter. Camberwell scored 1 goal to 0 in the first quarter. With a full team Coburg did better in the second quarter, but at half-time Camberwell had 12 goals to 4, and at three-quarter time had 16 goals to 8. Best Players—Camberwell—Kerrigan, Smith, Webb, Fox, Coburg-Perry, Ashby, Hinchison, Hindon, Elliot. Goal-throws—Camberwell—Kerrigan (4), Fox (4), Webb (2), Liburne, Sturrow, Herlihy, Scott, Coburg-Perry (2), Hinchison (2).

NORTH FITZROY, 12 goals, d. MELBOURNE HIGH SCHOOL OLD BOYS, 5. North Fitzroy showed its best form for the season in this match. High School had the better of the play in the opening quarter, scoring 3 goals to 1, but North Fitzroy gained the upper hand in the second term, halving the scores were—North Fitzroy, 3 goals; Melbourne High School Old Boys, 1 goal. The game was fairly even in the second half. Best Players—North Fitzroy—W. and M. Logan, Glover, Lake, Hindon, Rennie, Melbourne High School Old Boys—McIntosh, Stewart, Melrose, Goal-throws—North Fitzroy—W. Logan (3), M. Logan (2), Glover (2), R. Lake, D. Clarke, Wade. Melbourne High School Old Boys—Clark (2), Stewart (2), Allen, Ashton, Christie. WILLIAMSTOWN, 12 goals, d. UNIVERSITY, 5. It was a one-sided contest from the beginning. Williamstown, in full strength, demolishing a weakened University team. At quarter-time the scores were 3 goals to 1; at half-time 5 to 2; and at three-quarter time 12 to 5. Hinchison (3), Gills (2), Jarrett scored for University. Volk and Bradley were the best players.

#### A Section Final

MALVERN, 17 goals, d. WILLIAMSTOWN, 7. Malvern, by defeating Williamstown, won the A section premiership without having to exercise its right of challenge. Malvern, or opened play on the forward line, scored a lead of 4 to 0 in the first quarter. Williamstown improved in the second quarter, and Malvern's defense was severely tested. Lacrosse from goal to goal in this term. In the second half Williamstown pressed hard for a reversal, but the Malvern defense stood strong. In an evenly good Malvern team, Kioester, Page, Chance, Anderson, and Whyte were conspicuous. Williamstown's best—Fryer (19 goals), Morrison, Goal-throws—Malvern—Nicholl (4), Edwards (4), Chance (2), Hall, Lansbury, Williamstown—Newgreen (2), Morris (2), Ford, Walton.

#### C Section Grand Final

BRUNSWICK, the challengers, won the C section grand final, defeating ESSENDON, by 14 goals to 12. Essendon led at quarter-time with 4 goals to 3, but at half-time the tally was 7 goals to 4. Bruno Quick gained a goal advantage—12 to 11—and won by scoring 5 to 1 in the final term. Crowell, Hollingsworth, and Lovell were outstanding for the winners. Essendon's best were—Barnes, Buckley, Quaye, Trewaine, Nicholson. Goal-throws—Brunswick—Crowell (2), Chapman (2), Smith (2), Hollingsworth (2), Lovell, Chapman, Jewson—Hayes (4), Trewaine (2), Quaye (2), Gerrard (2), Jenkins.

#### D Section Final

MELBOURNE HIGH SCHOOL OLD BOYS won the D section premiership, defeating WILLIAMSTOWN, by 5 goals to 2 in a good game. High School presented a steady and reliable defense to all of Williamstown's attacks. The score was 1 goal to 0 in the first quarter. At quarter-time, at half-time High School Old Boys had 2 goals to 1, and at three-quarter time 5 to 1. English was conspicuous for the winners, who had goal-throws—Angus, Garlick, Fyfe, Brown, and Lowry. Five Williamstown goals came from a knock-in by a High School player.

#### E Section Final

ESSENDON, d. ST. KILDA, by 6 goals to 1. Brown (Essendon) scored the only goal thrown in the first quarter. In the second quarter Lovell scored for St. Kilda with a long shot, to which Williams replied. In the third quarter Essendon, with juggling play, scored 3 goals in five minutes, and led by 3 goals to 1 at three-quarter time. Essendon's best—Brown (4 goals), Treffe, Collins, Hall, St. Kilda's best—Peterson, Nicolas, Garrett, Rae, Quinn, and Smith. Goal-throws—Essendon—Coppin (2), Brown, Williams, McDonald. St. Kilda—Lovell.

Williamstown, defeated in the semi-final, has the right of challenge, so there will be a grand final next Saturday.

#### Country Clubs

BALLARAT—A Section Final—Wendin, 13 (Osborne 7, d. C.E.M.U. 2). B Section Final—Juniors' Championship—High School, 11, d. Penzance, 5.

## SEMI-FINALS IN LACROSSE

### Malvern In Chief Game

By "Point"

LACROSSE enthusiasts will have interesting semi-final games in the senior section on Saturday.

The draw resulted—Malvern v. Williamstown, at the Amateur Sports Ground; and M.C.C. v. Camberwell, at Malvern.

Malvern and Williamstown should be the chief match. Malvern, if defeated in either the semi-final or final games, will have the right of challenge.

Williamstown have been very consistent, and, with many well-seasoned veterans, should give Malvern a great battle in Saturday.

#### MORE OPEN GAME

The other semi-final will be a different type of game. Camberwell and M.C.C. are keen rivals, but there will be missing the ruggedness of the other match and more spectacular lacrosse. Camberwell are stronger this season than ever before.

If Camberwell reveal true form, M.C.C. may find the opposition just a little too clever and too even.

At both semi-finals nipeness will be charged for admission.

It was hoped that Ballarat would be able to visit Melbourne on Saturday and play a game at Malvern against an A team prior to the semi-final.

Ballarat cannot get to town until September 23, the day of the grand final, if one is necessary.

In place of the Ballarat match on Saturday, the B section team which recently defeated the South Australian Juniors will play the Camberwell A team at 1.15.

Williamstown are also engaged in the grand final of the E section against Essendon, at Caulfield.

Last Saturday three premiership were decided, Malvern gaining the honors in the A section, Brunswick in the C, and Melbourne High School Old Boys in the D.

Malvern have a great record of successful achievements in the A section.

Referees for Saturday's matches:—

Senior section semi-finals—Lown (Wm. Hamtown-Malvern), Rabbling (M.C.C. v. Camberwell). E section (grand final), Wignall (Essendon v. Williamstown).

Goal Malvern (Malb. Univ.)

LACROSSE

Malvern and M.C.C. Win Semi-Finals.

The M.C.C.-Camberwell game provided the surprise of the season. At the call of "first" the teams were 7 goals each. An additional ten minutes was played, and M.C.C. netted 8 goals to nil. M.C.C. started off with great dash, and with Robson starting in attack, they were 2-0 early in the quarter. Camberwell rallied towards the end of this quarter, and reduced their deficit to a 4-2 score in favor of M.C.C. at quarter time. Fine passing to the wings was a feature of a low-scoring second term. M.C.C. being still ahead 5-3 at the long interval. Camberwell forwards were definitely on top throughout the third, and were ahead 7 goals to 3. M.C.C. put up a brilliant last term. In the extra time M.C.C., playing an inspired game, netted 3 goals to nil. The winners' best were Robson (best on ground), Reid, Cantwell, Brooks, Redmond and Swainner, and their goals were scored by Leigh (3), Robson (3), Douglas (2), Hough, and Swainner. For Camberwell, Sparrow, Dickson, Fox, McCorkell, Milburn and Evans were most conspicuous. Their goals were thrown by Fox (2), Sparrow (2), Webb, Kerrigan and Evans.

The Malvern-Williamstown game provided many thrills, and up to the final change, it was anybody's game. It developed into a scramble at times. Both goalkeepers were very in evidence. Early in the game Menhennett, the Williamstown forward, kicked a maul, and although he made several efforts to continue, he was ultimately forced to drop out of the game. Waring going off with him. A fine piece of combined play between Edwards and Foster was brilliantly followed by McEneaney, and the Williamstown goals saved when J. Beattie shot. Evasive play by Hogarth resulted in a great goal for Williamstown, and, coming again, Brierley effected a fine save when Marshall put in a shot. Good understanding between Ferris and Hogarth resulted in another fine goal from the latter's stick, and Williamstown led 3-1. Quarter-time—Williamstown, 3; Malvern, 2. The second quarter was a particularly fine one. The Malvern forwards, showing a superior positional sense, were on top in the early stages, and half way through led 6 goals to 2. Williamstown reduced their deficit. The term ended Malvern 7, Williamstown 6. In the third quarter the scorers turned many promising moves with fairly passing. Clague, the promoted junior, playing brilliantly, Malvern established an early 9 goals to 2 lead. At three-quarter time Malvern led 10-7. Williamstown made a great effort in the last quarter, but after an early success their defenders seemed always out of position, and the Malvern attacks, with accurate passing, soon placed their team in command of the game. The final score was—Malvern, 15; Williamstown, 10. The winners' best were Brierley, Unkenstein, and Page in defense, and Edwards, Woode, J. Beattie and H. Beattie in attack. Their goals were thrown by Edwards (4), Foster (3), Clague (3), J. Beattie (1), H. Beattie (2) and Woode. For Williamstown, Roy Reid, Hogarth, Jenkins, McEneaney and Marshall were most prominent, and the goal throwers were Reid (4), Hogarth (3), Ferris (2), Jenkins, and Gillies.

**INSEXTON E SECTION PREMIERS.**  
Excursion against Williamstown in the semi-finals again prevailed in the challenge match on Saturday. The stick work and understanding of the winners was worthy of a higher section. In the first half Insextion held a 3-1 advantage, but thereafter the leaders were ahead, and gained the premiership with 9 goals to 3. The winners' best were Brown (3 goals), Taff (2), Collins and McDonald; and for Estendon, Uen, Roberts, Wooding and Gillies were most conspicuous.

As a curtain raiser to the M.C.C.-Camberwell semi-final, the amateur B section representatives against South Australia were opposed to the Camberwell A section team, and although neither side was fully representative, a good exhibition was given. The team won with a terminal score of 2-1, 6-3, 8-4 and 8 to 5. The winners' best were Stevens, Reid, Bettles, Worrall and Wertheim; and their goals were thrown by Bettles (2), Reid (1), Anderson, McKillop and Nicholls. For Camberwell, Doble (2 goals), Scott (1), Webster and Montgomerie were most in evidence.

LACROSSE

Premiership Game On Saturday

M.C.C.'s TASK

By "Point"

After two great semi-finals last Saturday, when M.C.C. and Malvern were successful, these two teams will meet on Saturday on the Amateur Sports Ground to decide the premiership of the senior section of Victorian Lacrosse.

Contrary to expectations, M.C.C. last week defeated Camberwell after a wonderful game and a thrilling finish. With the scores level at the call of time an extra 10 minutes of play had to be ordered before finality was reached. The form of M.C.C. was so impressive last Saturday that many fancy them for the big game on Saturday, but as Malvern has the right of challenge and thus is entitled to another game if defeated the task awaiting M.C.C. is a stiff one.

In these circumstances naturally Malvern is the favored team for the premiership, particularly as against Williamstown last week they displayed combination, stickwork, speed and position play of a high order.

M.C.C. were without Gillies last Saturday. Malvern promoted Clague from its A team, and so well did he play that it will be a big surprise if he is not again in the side on Saturday.

VETERAN'S DISPLAY

M.C.C. had two great players last week in Robson and Douglas, and if they can reproduce such form Malvern will find the scorers' defense men will have a busy afternoon.

One of the outstanding features of Malvern's victory last week was the display of its veteran skipper, Jack Beattie, who played as well as any other man on the side, notwithstanding his years of lacrosse. In addition, he led his team with great judgment.

Another veteran who did great work for Malvern last week was Brierley, its goalkeeper—his stopping and play out of goal was a revelation, and M.C.C. forwards will find him a stumbling block on Saturday.

Jim Reid, the M.C.C. interstate back man, although far from well, was a big factor in disorganizing the Camberwell battery last week. His duce against Beattie on Saturday will be interesting. For such a big man Reid displays remarkable agility.

At the Williamstown-Malvern game it was delightful to see the two champion centre men of Australia in Edwards (Malvern) and Marshall (Williamstown) opposed to each other. Perhaps Edwards got just a little more assistance from his club mates, but there was little between them all day. If M.C.C. win on Saturday it will be because they have been able to side Edwards' dashes—a very difficult thing to do.

OFFICIALS FOR FINAL

Neither M.C.C. nor Malvern has announced its team for Saturday, but it is expected that both sides will be represented by the same teams which took the field last week.

The following are the officials appointed for the final game—Referee, Raabing; goal umpires, C. H. Gibbs and J. Wilkin; timekeepers, A. Beech; boundary umpires, Marks and Evans.

For the first time for many years boundary umpires have been appointed for Saturday's match.

Cuth. Dickinson, of the Camberwell club, on Saturday played his 221st game without break. Since playing his first game 16 years ago, he has not missed a match—surely a record that will be difficult to break.

J. Beattie

LACROSSE FINAL

M.C.C. DEFEATS MALVERN

Two Goals Margin in Thrilling Game

A fine game of lacrosse was played on the Amateur Sports Ground in the final match of the M.C.C. premiership. M.C.C. won by 9 goals to 7. There have been many interesting and exciting contests between these teams in final and grand finals in past seasons, but few of the large number who gathered for this season's final expected that M.C.C. would give such a good display. In the semi-final against Camberwell M.C.C. though successful in a match which was continued for 10 minutes extra time, did not impress as likely to beat much less to defeat the strong and previously undefeated Malvern team. In the first quarter M.C.C. shook Malvern severely, and by adopting from the beginning systematic offensive play and combining with it a stubborn and a frequently impeccable defence, established a lead that was never overtaken.

M.C.C. first away from the centre, attacked, but was swung back by good relief. Then Swainner scored first goal for M.C.C. Douglas next had a try but failed to get. Clague, the promoted A section player, responded for Malvern. Goal passing by Reid, round to Swainner gave M.C.C. the lead again, and Hough and Robson added to it by good work against strong opposition. At quarter-time M.C.C. led 4 goals to 1. Malvern dashed away in the second quarter, but the M.C.C. defence was too good. Douglas, well led by Cantwell from pinning goal position, passed to Hough, who netted. M.C.C. continuing to attack, Douglas had a shot which stopped by Brierley. Malvern, realising the strength of the opposition and the unexpected possibility of defeat, concentrated on attack, and although repeatedly halting scored 3 goals in succession—two by J. Beattie and one by Foster. M.C.C. gave this further chance, and attacking vigorously, had gained a lead of two goals, 6 to 4, at half-time. Robson and Hough were conspicuous for good stickwork. Brierley won in a contest with Leigh just before the half-time bell. Swainner's play in this term was excellent.

M.C.C. was first away with the ball in the third quarter, but the attack was tormented. Malvern was starting strongly and well, but the style of defence adopted by M.C.C. seemed to neutralise Malvern's forwards who were forced to resort to long shots, which were easily handled. Foster missed in a try for goal. Knowles' clean pick-up and Edmondson's intercept were features of good play for Malvern. Robson, who was well marked by Page throughout the match, passed to Douglas, who netted M.C.C.'s seventh goal. Douglas made a good attempt that was spoiled by Brierley's expert goalkeeping. Malvern failed to score in this quarter, though Edwards had the bad luck in hitting the post. M.C.C.'s defence triumphed in every Malvern onslaught. Cantwell's out-of-the-net play for M.C.C. was clever, cool, and effective. The score at three-quarter time was 7 goals to 4 in M.C.C.'s favor. Malvern tried desperately from the beginning of the final quarter, but battled for four minutes without success. Clague netted in M.C.C.'s goal. Cantwell's snakingly swift Edwards' shot. Worcester, ably assisted by Leigh's passing, scored. Leigh, after hitting the post, scored M.C.C.'s ninth goal. H. Beattie and Foster netted for Malvern before the final bell.

M.C.C.'s best players were Cantwell, Swainner, Douglas, Redmond, Worcester, Robson, and Leigh. Malvern's best were Brierley, Page, Unkenstein, Knowles, and Foster. Goalkeepers—M.C.C.—Hough (3), Swainner (2), Robson, Douglas, Worcester, and Leigh. Malvern—Clague (3), J. Beattie (2), Foster (2), and H. Beattie.

As Malvern has the right of challenge, there will be a grand final next Saturday.

SENIOR LACROSSE PREMIERS.

Melbourne Cricket Club's Lacrosse Team which defeated Malvern 9 Goals to 7 Goals in the final of the Senior Section of the Lacrosse Premiership on Saturday.

LACROSSE.

M.C.C.'s Triumph.

Even M.C.C.'s keenest followers must have been surprised by their showing against Malvern on Saturday, one of the finest finals ever staged. The winners' system and general tactics were definitely superior to that of their opponents. M.C.C., prevailing in the centre, were first to show out, and good play by Leigh placed Swainner in possession for a clever angle goal. Malvern then instituted a series of attacks, and it was only the fine saving of Cantwell that kept them out. A pass from Redmond found him in scoring position for Malvern's second goal. Hough and Robson each netted admirably. At quarter-time M.C.C. led 4 goals to 1. In the second quarter Douglas, with forceful play, enabled Hough to put M.C.C. further ahead. Towards the end of the quarter Robson gave Hough a perfect pass, which was brilliantly converted. Brierley saved well when Leigh put in a hot shot. M.C.C. were ahead, 6-4 at half-time. Malvern's forwards were so well held that they were always forced to shoot when out of position, and their long shots were easily handled. The final quarter was one of the fastest ever witnessed, and Malvern's hopes were up when Clague netted, but M.C.C., fighting with great courage and rare judgment, soon put the issue beyond doubt. Malvern, throwing defence to the winds, made a great effort to save the game, and good goals were supplied by H. Beattie and Foster, but they had left their rally until too late. M.C.C. thoroughly deserved their victory, with 9 goals to 7. The winners' best players were probably Cantwell, Brooks, Redmond, Leigh, Swainner and Worcester. Their goals were thrown by Hough (3), Swainner (2), Robson, Douglas, Worcester and Leigh. Malvern were rather badly let down by several of their champions, especially in attack, and their outstanding performers were Page, Unkenstein, Brierley and Knowles. Their goals were obtained by J. Beattie (2), Clague (2), Foster (2) and H. Beattie. Malvern hold a right of challenge, and the grand final will take place at the amateur sports ground next Saturday.

The Ballarat association will send a team down next week, and a curtain raiser to the grand final will be staged between them and a team selected from the A and B sections. Any A or B men available for this game are requested to notify the hon. secretary, Mr. J. Fowler, at once.

CONSTITUTION AND RULES

In an effort to dispose finally of the constitution and rules of the V.L.A., the amendments of which have caused so many meetings to be held, and much excitement, a further special meeting has been called for Monday, October 23, to consider amendments to the constitution must be in the hands of the hon. secretary by September 19, and to the rules by October 7.

## LACROSSE TEAM FROM BALLARAT.

Members of the Ballarat lacrosse team, which played a match against a combined team of metropolitan B grade players on Saturday. Back row (left to right): H. Nicholson, M. Little, A. Nicholson, H. Glass, N. Willis; Middle Row: H. Blann, H. Williams, D. Glenn, J. Leonard, F. Bradley. Front Row: R. Galla, T. O'Shea.

## LACROSSE.

## Malvern Win Premiership.

The grand final between Malvern and M.C.C. attracted a large crowd to the Amateur Sports Ground on Saturday, and they were thrilled with one of the fastest and hardest games ever provided. Malvern made one change, Lamont coming into the side instead of Claque, and this necessitated a change of positions for the M.C.C. defenders. M.C.C. were represented by the same side as last week. From the fact of M.C.C. secured, and Brierley made a wonderful save of a hot shot by Redmond. Malvern were first to score, H. Beattie zelling from a free throw. Douglas and Redmond were prominent in several M.C.C. forward moves, and Robson was unfortunate not to score. Hauling this early was giving an excellent exhibition as referee. A grand piece of anticipatory play between Douglas and Hough resulted in M.C.C. opening their account. Woods, with a dozy pin, eluded several M.C.C. defenders, and a fast shot found the net. J. Beattie spilling Cantwell's chances by running across the crease, Page and Waring repeatedly saved for Malvern. A long shot by Edwards made Malvern's goals to 1. In the second quarter M.C.C. were doing their utmost to draw Malvern's defence, but they would not be tempted out. Bola

goalkeepers were applauded for spectacular saves, and Hunt broke up several dangerous moves by the Malvern forwards. Woods, shooting through the pack, secured Malvern's fifth goal, and then Cantwell, coming out of the net, received a hot shot right in the eye and retired for the remainder of the game, Brierley going off with him. At half time Malvern led 6 goals to 3. M.C.C. made the pace a cracker in the third term. A hot series of attacks within three minutes rattled on as many goals. At three-quarter time the score was Malvern 10, M.C.C. 4. M.C.C. played with great determination. Malvern concentrated upon defensive measures. The winners did not have a weak man ahead, and played with more purpose and cohesion than they did the previous week. They were well handled by their captain, J. Beattie. Waring, Unkenstein, Page and Brierley were brilliant in defence, with Woods, Edwards and H. Beattie outstanding in attack. Their goals were scored by Lamont (2), Edwards (2), Woods (2), H. Beattie (2), Knowles, Unkenstein and J. Beattie. For M.C.C. Brooks, Cantwell (until injured), Robson, Hough, Munt and Worcester were always to the fore, and their goals were obtained by Douglas (3), Hough (3) and Robson (2).

Prior to the premiership game a match was played between a team representing the Ballarat association and one selected from the A and B sections. The visitors displayed good stick work, but were not as resourceful in attack as the locals, and were defeated 7 goals to 4. Reid (2), Dobbie, Glover, McGeorge, Bradley and Ford scored for the winners, and Little (3) and Williams for Ballarat.

MALVERN WINS  
LACROSSE

Defeating M.C.C. Add  
To Unique Record

## MANY INJURED

MALVERN, by defeating M.C.C. by 11 goals to 7 on Saturday, again won the premiership of the senior section of Victorian lacrosse.

It was another triumph for a club whose record has never been equalled in the history of the game in Victoria.

Malvern, except for the years when Hawthorn, Brighton (twice), M.C.C. and

MALVERN DEFEATED M.C.C. by five goals in the grand final lacrosse match which was played on the Amateur Sports Ground on Saturday. An incident in the game.

Coburg won, has taken the senior section premiership in every season since the war.

Saturday's game attracted a big crowd to the Amateur Sports Ground, but the game was disappointing.

The play was far too strenuous, and too much attention was given by both sides to the man rather than to the ball.

As a result injuries were numerous, and the game fell often into a scramble, with only occasional glimpses of good lacrosse. At one stage six players were off the field with injuries.

A remarkable feature of the game was that the goal umpires disallowed four goals because players came inside the goal crease.

Malvern's goalkeepers were: H. Beattie, 2, Edwards 2, Woods 2, Lamont 2. J. Beattie, Knowles and Unkenstein. M.C.C.'s were: Douglas 2, Robson 2, Hough 2.

Best players. — Malvern: Unkenstein, Page, Brierley, Edwards, Waring and H. Beattie. M.C.C.: Cantwell (until hurt), Robson, Worcester, Hough and Redmond.

Before the grand final match Ballarat played a match against a combined A and B section team. After a close game the City players won by 7 goals to 4. The country team showed speed and determination. The city team's goalkeepers were: Reid 2, Dobbie, Glover, McGeorge, Bradley, Ford, and Ballarat's: Little 3, Williams.

The V.L.A. entertained the Ballarat players at dinner on Saturday night. The monthly meeting of the V.L.A. will be held tonight.

## LACROSSE PREMIERS AGAIN

## Malvern Have Great Record

By "REFEREE"

BY defeating M.C.C. 11-7, in the grand final match, Malvern won their tenth premiership since the war. The only other teams to score in that period have been Hawthorn, Brighton (twice), M.C.C. and Coburg.

NOT only have the Malvern senior team always been powerful, but most of their junior sides have proved almost as formidable, and this season also won A section honors.

Malvern's remarkable record is a tribute to the executive, most prominent of whom are Mr Vince Healy (president), Jack Beattie (the best tactician the game has produced), Reg Brierley (a veteran player with a great knowledge of tactics), Angus Mitchell (an enthusiastic vice-president) and many keen young officials. They have produced the most effective lacrosse machine in the Commonwealth.

## SUPERIOR ALL ROUND

In the grand final Malvern were superior in every department. Their consistency throughout the season made the premiership a well-merited reward.

As an exhibition, the game was disappointing. Perhaps the fact that it was a grand final caused the players of both sides to throw themselves at each other with abandon, to slash sticks with unnecessary vigor and repeatedly to break the rules. Strangely enough, men who generally play a clean game appeared to become rattled at times. At one time each side was playing with only nine men, so vigorous was the play.

It is to be hoped that the V.L.A. will next season take steps to bring back the right standard of lacrosse where playing the man will be a thing of the past, and will

slashing will become unknown or immediately and effectively penalised.

Malvern are entitled to all credit for their great victory, proving once again the clever, well balanced side that has brought them the fame so well deserved.

Edwards was a great centre man for Malvern, and helped his forwards with coolness and pluck through the fierce afternoon. Brierley (until he had to retire when Cantwell got hurt) was in great form. Page, Unkenstein and Lovegrove (a little too strenuous at times) were a steady, effective defence, and at the other end Woods and the Beattie brothers did many fine things. While Knowles was perhaps the hardest worker, and certainly the pluckiest of the Malvern team.

M.C.C. were not able to produce their dash and confidence of the previous week, and when Cantwell had to retire injured the side became unsettled. This was a big factor in M.C.C.'s downfall. Hough, Worcester, Cantwell (until hurt), Redmond, Reid, Robson and Leigh were all first-class workers, but they found the opposition a little too strong.

## BALLARAT IMPROVE

Prior to the grand final Ballarat played a team selected from the A and B Sections. They were a greatly improved combination compared with that last seen in the city. Among them were several who would be welcome additions to any Melbourne team.

Leonard, Nicholson, Williams, Glenn (the old Malvern player), Little and Bradley were the pick of the country team, while for the city those most prominent were Reid (Glen Iris), Dixon (Ivanhoe), Bradley (University), Glover (Hartwell), McGeorge (Malvern) and O'Brien (Williamstown).

Malvern will on Saturday visit Ballarat to play a local side.

Mr W. W. J. Forster, who was hon. secretary of the V.L.A. for many years, and who retired about 1915, died last week. Mr Forster, although a cripple, was a great enthusiast for the game.

A team of Williamstown juniors will visit Ballarat on Saturday week to meet a team of country juniors.

## LACROSSE

By "Point"

BY winning the grand final match last Saturday, Malvern added another premiership to their wonderful record since the war.

In recent years Malvern have been one of the outstanding teams in Australia. They always have had a capable lot of juniors to fill vacancies in the senior team, and they have been encouraged by an enthusiastic executive who have more than the average knowledge of lacrosse tactics.

On Saturday next, Malvern visit Ballarat to assist the country Association, and a game will be played against a combined team selected from the clubs representing the Ballarat senior teams.

## THE FINAL GAME

The last match of the season will be played on Saturday week, when the Williamstown club will send a team of juniors to Ballarat to oppose the country juniors.

The leading goal-throwers of the season are: Senior Section: J. Beattie (Malvern), 39; R. Reid (Williamstown), 38; W. Edwards (Malvern), 35; B. Menhenett (W.Town), 47; B. Lilburn (Camberwell), 47; W. Ashley (Coburg), 45. A Section: M. Murrell (Williamstown), 32; G. McGuinness (Adul Deaf), 31; C. Reigeluth (Caulfield), 75; H. Edwards (Malvern), 75; L. Ford (W.Town), 65.

The V.L.A. on Monday night resolved in favor of the old length of playing ground—110 yards, as against 95 yards. A vote of all the State associations has to be taken before the Australian Council arrive at a decision.

## CANADIAN VISIT SUGGESTED

Mr Stuart Thomson, an ex-Victorian who has been a resident of Canada for many years, has written to the V.L.A. offering to bring a Canadian lacrosse team to Australia next year during the Centenary celebrations. As guarantees have been asked for, the V.L.A. has forwarded Mr Thomson's communication to the Australian Council for its consideration.

The N.S.W. Association has already commenced to make arrangements for the next carnival, which is to be held in Sydney. Three well-known Sydney residents and old lacrosse players (Messrs. Gurnett, Johnston and Dean) have formed themselves into a committee with the idea of making the carnival a big success. It would now appear that the recent troubles of the N.S.W. Association have been smoothed out.

LACROSSE.

Semi-finals in All Grades.

On Saturday the semi-finals in all grades of the Western Australian Lacrosse Association were played in the District Grade. Mt. Lawley, after a good performance, beat East Fremantle by four goals, while Guildford, largely due to Roy Barker's effort, defeated Nedlands by five goals. In the Junior "A" Grade Mt. Lawley, making a wonderful recovery, just beat Swan in a low scoring game, while East Fremantle gained a narrow win over Midland Junction. In the Junior "B" Grade, Como defeated Nedlands comfortably, while East Fremantle overwhelmed Swan.

Mt. Lawley v. East Fremantle.

As both teams had gained a victory over each other, an interesting struggle was expected between Mt. Lawley and East Fremantle and the spectators were not disappointed. East Fremantle, however, did not reproduce the form shown in recent matches, but Mt. Lawley, playing faultlessly, gave its opponent little opportunity to show to advantage. The umpire, Preston, handled the game creditably, wisely penalizing any evidence of undue stick checking and shepherding. Mt. Lawley held its full strength, but Witte and Thomson were absentees from East Fremantle.

From the draw-off, East Fremantle went into attack, but a pass from Mullings to Johnson broke down from Berry who transferred to Cocks and Mt. Lawley pressed East Fremantle hard. Repeated assaults were turned at the East Fremantle goalmouth when scoring looked certain. Relieving West, East Fremantle again tried to find Cocks, but Mt. Lawley, consistently turning their attacks, Berry, coming through, secured from a well placed pass, but Angus saved the shot. Mt. Lawley's next offensive broke down on Jeffery, who was coming through the crushes well. Rudderham relieved with a long run and had Haskell taken the pass properly. East Fremantle may have opened the scoring. Wright relieved and Druffin securing came through with a short shot, but Angus turned it. When it looked as if it would be a goalmouth quarter, Miller securing from Gilbert, shot through a crowded goalmouth and opened Mt. Lawley's score limited as the bell rang.

In the second quarter, Mt. Lawley virtually won the match. Its continued attack resulted in a goal from Johnson who had been feeling well into the forwards. At the other end, Ken Stammer, who had been working well, tried a difficult shot, but found it in the way. Good forward combination play between Gilbert, Johnson and Miller enabled each to add goals in turn, giving Mt. Lawley a five-goal lead. Jeffery left the field with an injured knee and Bothorn accompanied him. Miller again shot hard, and hit Angus on the head, but no goal resulted. Transferring play Haskell tried twice and was unlucky to hit the post just before half-time.

With a deficit of five goals, East Fremantle rallied and played much better than in the early stages. Fiat, Johnson and Cocks, however, were playing a particularly safe game, with brilliant interceptions and fast ground work. Miller again scored for Mt. Lawley, before Haskell running through from centre gave Smith a chance and East opened its score—4 to 1. Attacking immediately Mt. Lawley's offensive broke down on a well-judged interception by Crawford, while Johnson repeated the act at the other end. One of the prettiest pieces of play was witnessed when East Fremantle relieved from the back-line to Lilly, who with a fast run gave Ken Stammer an accurate pass and with an underarm sling secured East Fremantle's second goal. Gilbert added another goal for Mt. Lawley and the final quarter commenced with the last named side leading by seven goals to two.

Undaunted by the deficit, East Fremantle rallied and Haskell, in attack from left, Druffin was a continual source of annoyance to the East Fremantle defence. His speed and judgment were brilliant. Haskell took a nice pass from Rudderham to add East Fremantle's third goal, but a neat flick from Bothorn added Mt. Lawley's eighth. Smith secured and passed to K. Stammer, who shot true, making the final score—Mt. Lawley, eight; East Fremantle, four. Mt. Lawley was the superior team, and had it not been for an unusual fall of pausing in front of goals instead of employing longer shots, it might have won by a larger margin.

Nedlands v. Guildford.

Without the services of K. Buchanan, Nedlands suffered a severe handicap in its match with

Guildford. Shortly after the start Fern Buchanan opened the score for Nedlands with a fast shot. Roy Barker had many shots for Guildford, but his shooting was astray. J. Jamieson, with a full tower, beat Turnbull, to win the score. Nedlands' centre field was playing well and Hancock, coming through, beat Barker with a shot on the full and Harrison with a fine individual effort added another to give Nedlands a lead of two goals. Roy Barker, who had been handling the ball more than any other man on the field, settled down to more accurate shooting and striking a winning vein, added five goals. Guildford's lead of 7 to 3 at half-time was due to his fine display.

During this period Nedlands managed to make the mistake of defending instead of risking the offensive. Harrison, missing the support of K. Buchanan, was relying too much on individual efforts to secure goals, and forward team combination would have been more valuable. After half-time Guildford kept up the pressure, but Nedlands played much more safely. J. McKenna added Nedlands' fourth, and Barker replied twice. No man seemed capable of holding Barker, but Robson did well by close checking. Nedlands scored more of the attack by good play from Hancock and McKenna. Goals from Harrison and Hancock were signalled for Nedlands, but Roy Barker again scored for Guildford. Hal Hancock been given more opportunities on the last half, he may have made all the difference to the scores. Playing a good centre game and securing scoring positions, he was too often left standing. Norm Buchanan and Jackson played hard to avoid defeat. Roy Barker outshone the rest of the side. Next to him was Percy in the back-line, whose capable work was a feature of the game. Muir and Knight also played well with J. Jamieson creating good leads.

Following were the results:—

District.

Mt. Lawley beat East Fremantle, 8 to 4.  
Guildford beat Nedlands, 11 to 0.

Junior "A" Grade.

Mt. Lawley beat Swan, 5 to 3.  
East Fremantle beat Midland Junction, 8 to 6.

Junior "B" Grade.

Como beat Nedlands, 10 to 1.  
East Fremantle beat Swan, 16 to 2.

At the other end, East Fremantle's shooting was decidedly faulty, many opportunities being lost by inaccurate throwing, and the quarter finished with East Fremantle leading by a goal. After half-time both teams played at a terrific pace, but the stickwork was not of the best. Mistakes of the forwards were eagerly snatched up by opposing backs, and the ball swung rapidly from end to end, forwards using all their dodges and tricks to elude their opponents. Defences, however, were relatively too strong for the forwards, and the third quarter closed with the score unaltered.

Exciting Lacrosse.

The final quarter provided the best and most exciting lacrosse of the afternoon. Smith from a good try was stopped by Sargent. Picking up Mullings tried again, but the shot went wide. Sargent, again, blocked shots from Johnson and Mullings, then the Jennings brothers battled desperately for chances and in coming through a crash, R. Jennings was awarded a free against Rudderham a free from the forwards. As a result of the free, Guildford drew level, three-all. East Fremantle had not scored since the first quarter. Repeating the effort shortly afterwards, Jennings' fast shot, in the end, was brilliantly saved by Angus. East Fremantle's offensive consistently broke on A. Jamieson and leading to M. Jennings, who tried with a fast shot, but again Angus saved. Trouble came eventually when Muir, taking a difficult catch, worked nicely into position and with a deceiving shot secured the winning goal.

In a desperate effort to retrieve the position, East Fremantle launched numerous attacks from its back line and was unfortunate in hitting the post on two occasions. Sargent, in despair, nearly threw the ball into his own goal, but despite East Fremantle's valiant efforts to recover the final bell rang with Guildford the winner.

Percy at full back played consistently well, his close checking and interceptions repeatedly saving his team. Knight ably supported him. R. Jennings and Muir played vigorously, and with Wood, secured the four goals. M. Jamieson, across the centre, was fast, and gave excellent leads. Sargent, relief goalkeeper, after long absence from the game, gave a bright display.

For the losers, Johnson and Mullings battled hard in the forward line, but faulty shooting spoiled many fine efforts. Smith handled the ball constantly, but uncertain stickwork nullified much good position play. Angus in goal saved well, while of the backs, Crawford and Jeffery were the best, with J. Jamieson in defence. In the latter stages almost impossible.

Following were the results:—

District Grade.

Guildford beat East Fremantle, 4 to 3.

Junior "A" Grade.

Swan beat East Fremantle, 10 to 8.

Junior "B" Grade.

East Fremantle beat Nedlands, 5 to 7.

25/9/33

LACROSSE.

Closely Contested Finals.

Finals were played in all grades of the West Australian Lacrosse Association on Saturday last under rather warm conditions. In the District Grade, Guildford upset anticipations by defeating East Fremantle by one goal in a strenuously fought match, the winning goal being thrown in the last few minutes of play. In the Junior "A" Grade, Swan and East Fremantle fought an even contest, in which scores were level at the conclusion of the final quarter. In the extra time played Swan secured two goals. East Fremantle, after an equally close game, defeated Nedlands in the Junior "B" Grade by one goal.

At the beginning of the final between East Fremantle, losers of the first semi-final, and Guildford, winners of the second semi-final, attracted a large and enthusiastic crowd. At the request of Guildford's captain, the start of the match was delayed until 3.30 p.m. at a mark of respect to the Barker family in the loss of the grandmother. The teams were:—

EAST FREMANTLE: Johnson, K. Stammer, L. Mullings, Smith, Haskell, J. Stammer, Lilly, Crawford, Saunders, Jeffery, Rudderham, Angus. GUILDFOURD: Wood, Muir, R. Jennings, Brindle, J. Jamieson, L. Jennings, M. Jamieson, A. Jamieson, Burrows, Knight, Percy, Sargent.

Within a few seconds of the first draw off, East Fremantle registered the opening shot for goal. Scoring from the centre, Haskell led well down to K. Stammer, who put in a hard shot which Sargent saved, remaining in attack. East Fremantle was unfortunate not to score early, for when Jack Stammer ran in to take a neat pass, his shot hit the post and Sargent cleared. Guildford lost several excellent opportunities to score by holding the ball too long. J. and M. Jamieson were prominent in attack for Guildford and after much up and down play, during which backs were superior, both teams gave disappointing displays of stickwork. Back men were checking hard and closely forcing forwards into error and inaccurate passing. After a patch of dull play, M. Jamieson scored and tried hard for a shooting position. Crawford forced him behind goals, but a well-placed pass to Wood gave the latter an opportunity to score from a close-in position. From the draw-off, East Fremantle secured and a chain of passes gave Haskell an opportunity. With a fast run and shot he evaded the score.

East Fremantle in the Lead.

Guildford returned to the attack, but good relief work broke the attacks well out from the centre. Lacking an effective back, East Fremantle was unable to force the attack. East Fremantle's defence was unable to gain any ascendancy, while Percy and Knight promptly upset East Fremantle's forward move. After a good individual effort, Mullings scored to give East Fremantle the lead, but Muir, at the other end, had his goal disallowed as a penalty had been incurred before the fast shot. In the end, Muir did not score. Receiving an excellent pass and using his dodge effectively, Muir ran in to gain what looked like a certain goal, but Angus saved well. Relieving the pressure, Rudderham led his team into attack, and several good shots were brilliantly saved by Sargent, but failed to clear the ball to safety on one occasion. Johnson secured the ball and good tactics drew the attention of several opponents and gave Smith an opportunity to work for East Fremantle. East Fremantle would break that run, the unexpected happened, and Guildford is to be congratulated upon its marathon task in earning the right to compete in the grand final. In previous engagements, Mt. Lawley has won comfortably, but not quite as comfortably as its recent successes indicate. Aided by that Mt. Lawley suffered two recent defeats, Guildford should take the field with confidence. The match probably will be hard and vigorous, and the referee to be appointed for the match will have no easy job ahead to keep the game in check. General opinion favours the neat work of the royal blue and against the vigour of the Guildfordians, but whatever the result a good and fast match is promised.

On past performances Mt. Lawley should have the better of Swan in the Junior "A" grade, but as Swan has now recovered from an unusual run of injuries and sickness, the match should be very even.

LACROSSE.

Keenly-Fought Junior Games.

(By "Crease.")

An interesting feature of all the finals on Saturday was the remarkably close finishing. In the District and Junior "B" grade respectively, gained victory by one goal in the last few minutes of play. So even was play between Swan and East Fremantle in the Junior "A" grade match that, when the final whistle blew, scores were level, 6 all. Under the rules, extra time was played, but at the conclusion of the first term scores still were equal—7 all. During the next session each team added a goal; therefore an additional period became necessary, but that did not decide the winner, for neither team scored. In the final period of play Swan secured two goals from Reeves and Hassell to gain the match.

East Fremantle opened strongly against Swan and secured a lead of three goals from the sticks of Hewitt, Earnshaw, and Hewitt. In the second quarter Swan reversed the position, and good play from A. McIntosh and Scott, assisted by Mills, resulted in the scores being levelled at half-time. Both teams were giving good exhibitions, goalkeepers particularly doing good service, and the scores had advanced only by one goal each at the third quarter, while in the last quarter each team scored twice. With the tension and closeness of the match the earlier good stick work became ragged, and scramble play was developed.

For the winners Scott, at attack, and Judge (point) were outstanding, with Mills and McIntosh playing well in the forward division. Hewitt's in the forward line, with Douglas and Hanna in defence, were most prominent for the losers.

Play in the Junior "B" match was somewhat similar to that in the Junior "A" grade. East Fremantle opened the scoring with a goal from Jenkins, but Nedlands quickly replied from Byers' stick. Throwing goal for goal, the first quarter change showed the score 3 all. East Fremantle then drew away in the second quarter as a result of good centre-field work by Ken and Jenkins, and had a lead of three goals at half-time. Nedlands quickly reduced this lead during the early part of the third quarter, and the final quarter commenced with the score seven goals each. Attacks were repelled time after time until Walker, taking a good pass from Kewling, dodged two opponents and scored the winning goal for East Fremantle with an underarm shot, just a few minutes before time.

As a result of last Saturday's matches, the grand finals, to be played at the Claremont Oval next Saturday, will be contested between the following:—

District: Mt. Lawley and Guildford.

Junior "A": Mt. Lawley and Swan.

Junior "B": Como and East Fremantle.

Guildford's continuous run of victories will no doubt cause Mt. Lawley some concern. Guildford has consistently taken all before it, and although it was confidently expected that East Fremantle would break that run, the unexpected happened, and Guildford is to be congratulated upon its marathon task in earning the right to compete in the grand final. In previous engagements, Mt. Lawley has won comfortably, but not quite as comfortably as its recent successes indicate. Aided by that Mt. Lawley suffered two recent defeats, Guildford should take the field with confidence. The match probably will be hard and vigorous, and the referee to be appointed for the match will have no easy job ahead to keep the game in check. General opinion favours the neat work of the royal blue and against the vigour of the Guildfordians, but whatever the result a good and fast match is promised.

On past performances Mt. Lawley should have the better of Swan in the Junior "A" grade, but as Swan has now recovered from an unusual run of injuries and sickness, the match should be very even.

LACROSSE.

Review of Semi-finals.

(By "Crease.")

The results of the semi-finals in all grades of the West Australian Lacrosse Association did not create any surprises. Although East Fremantle defeated Mt. Lawley in its previous engagements the latter side was favourite for the semi-final. East Fremantle's defeat, however, does not preclude it from further competition as it now has the right to play in the final against Guildford, which won in a convincing fashion from Nedlands. When it was known that Ken Buchanan would not strip for Nedlands, Guildford's prospects of success were further enhanced. Although Guildford played well as a team, it must undoubtedly thank Roy Barker for its ultimate victory. Seldom this season has a player dominated a game so much as Barker did against Nedlands. His shooting in the earlier part of the match was not of the best; otherwise his game would have been even more brilliant.

In the Junior "A" Grade, Mt. Lawley gained a narrow victory over Swan, despite the fact that Swan had a 3 to 1 lead at half-time. Swan's early lead from Alan McIntosh's stick was quickly reversed by Max Hickey, but Cliff Reeve, with two beautiful left hand rising shots placed Swan two goals in the lead at half-time. From then on Mt. Lawley appeared to be in better condition and good play by McLoughlin in the back-line and Cugley (centre), Hickey and Huggess (forwards) enabled Mt. Lawley to turn a deficit of two goals into a winning margin of two goals. Several Swan players appeared to be recovering from sickness and could not last the distance. The Mt. Lawley players, being in better condition, were able to force the pace and keep Swans in defence. A. McIntosh, Judge and Reeve all played well for the losers.

In the East Fremantle v. Midland Junction match, East Fremantle secured an early lead as a result of good work by Jack Hewitt, and sound defence by R. Hurley. Midland kept close up but was unable to even the scores, despite valiant efforts by Bernie Smith, who constantly put Midland into attack, only to find the East Fremantle defenders packing the goalmouth and preventing open forward play. Repeated attacks by East Fremantle broke down on Alan McLean and Bill Hird, who played very fine defence games for the losers. East Fremantle owed a good measure of its success to well-judged leads from J. Douglas and T. Hanna across the centre.

In the Junior "B" Grade, Como, after an interesting match, proved too strong for Nedlands, while East Fremantle received little opposition from the young Swan players as the scores indicate.

As a result of Saturday's games the fixtures for next Saturday's finals will be as follows:—

District Grade: East Fremantle v. Guildford.

Junior "A" Grade: Swan v. East Fremantle.

Junior "B" Grade: Nedlands v. East Fremantle.

It will be noted that the East Fremantle Club will be represented in each of the finals. This is indeed a tribute to the club, and a fitting reward for its hard work in fostering the younger players. Last year East Fremantle also competed in the three grade finals. This year, the Junior "A" Grade final will be contested by the same teams as last year, namely Swan and East Fremantle.

On September 30 the winners of next Saturday's matches will compete for the Mt. Lawley and Como in the District, Junior "A" and Junior "B" Grades, respectively. A tribute must be paid to the strong Mt. Lawley Club as its two teams will fight out the grand final with the winners of the finals.

LACROSSE

Results of Grand Finals

Lacrosse grand finals were played yesterday. Results:—

SENIOR GRADE.

Mt. Lawley 5 beat Guildford 3.

JUNIOR A GRADE.

Swan 9 beat Mt. Lawley 5.

JUNIOR B GRADE.

East Fremantle 4 beat Como 3.

Arrangements have been made for the grand finals to be played at the Claremont Oval, and possibly the finals also. On the evening of September 30 the annual smoke and wind-up will be held in the Y.A.L. Hall at 8 o'clock and arrangements for the function are in the capable hands of the Lacrosse Amateur Referees' and Old Players' Association. Trophies won during the season, including the I. J. Taylor Shield, Lapsley Cup, Clarke Cups and Fearon Cup, together with the prizes won at the gala and the fairest and best player trophies, will be presented. The committee has appointed to count the votes for the fairest and best trophies is now working on the papers and, as there has only been flashes of outstanding ability, speculation is rife as to the ultimate winners.
