CELEBRATING AUSTRALIA'S PASSION FOR SPORT

A huge coast-to-coast program will unite thousands of sportspeople under the banner of the best in spirited national and international competition. But SPORT 88 will pulse mainly through the participation of ordinary Australians in more than a thousand locally organised activities especially planned for the Bicentenary. SPORT 88 is for everyone – whether your passion is watching or winning.

11.30 a.m. Seniors Finals: 3rd v. Yale.

6.00 p.m. Seniors Presentation, Brighton Lacrosse Club.

Saturday, July 16 -

11.30 a.m. U19 Finals: 3rd v. 4th.

2.30 p.m. 1st v. 2nd.

5.00 p.m. Closing Ceremony.

8.00 p.m. Presentation Dinner at Supercentre Country Club (Plympton), Banquet Room. Tickets available from Helen Keane or

"Office" at Ellis Park.

Sunday, July 17 -

6.40 a.m. Canadians depart.

9.55 a.m. Yale depart.

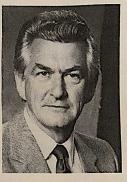

10.30 a.m. U.S.As. depart.

Tuesday, July 19 -

3.00 p.m. English depart.

PRIME MINISTER CANBERRA June, 1988

I would like to extend a warm welcome to all participants, officials and visitors attending this inaugural Under 19 Men's Lacrosse World Championships. I am sure the championships will be a great success.

I am delighted that Australia has been granted the honour to stage such a prestigious event in our Bicentennial year which promises to provide a real impetus to the further development of lacrosse as a sport. It is also most appropriate that the championships are being held in the new State Hockey/Lacrosse Centre which has been jointly funded by the Commonwealth and South Australian Governments.

Australia is extremely proud of its sporting achievements and traditions and the Australian Government recognises the vital role that sport plays in our society. With this in mind, the Government, through the Australian Sports Commission, has provided \$10,000 towards the costs of staging these championships.

I am sure that the many overseas visitors will enjoy warm Australian hospitality during their visit.

I wish the many young competitors from around the world a rewarding experience in what will no doubt be an exciting and keenly fought world championship. Good luck to all involved.

R. I. L. Hawke

After some years of planning, a dream is coming to fruition — the inaugural World Under 19 Years Lacrosse Championships which brings together fine young athletes from Canada, England, U.S.A. and Australia. It is very apparent from all reports that a great deal of effort has gone into the preparation of the competing teams and there is no doubt that the Australian public will see Lacrosse of a very high standard.

The International Lacrosse Federation is delighted that they have sanctioned this event as part of the Australian Bicentennial celebrations, and sincerely hopes that it will be the forerunner of future Under 19 Years Championships to be played around the world on a four-yearly cycle.

An added attraction in the future will be provided by the North American Indians who have only recently been admitted to the I.L.F., and who will compete in all future events at the senior and junior level. The very foundations of Lacrosse are with the Indian nations, and it can safely be said that we are indebted to them for our sport.

There are exciting developments on the world scene, and it will not be long before we see competitive teams from many nations. Amongst these will be Japan, where progress has been remarkable, and who plan to send exhibition teams to Australia in 1990.

To the organisers of this event, the Australian Lacrosse Council, and the South Australian Lacrosse Association, the I.L.F. expresses its gratitute for all that has been done towards these Championships. You will be well rewarded for your efforts with the satisfaction of having witnessed the youth of the world competing at the highest possible standard.

CLIVE R. CARR President

AUSTRALIAN LACROSSE COUNCIL

It is with great pleasure, on behalf of Australian Lacrosse, to welcome all competitors, officials and supporters to Adelaide for Lacrosse 88.

The inaugural Men's Under 19 Championships is the result of many years of work by I.L.F. and many officials.

Australia has always encouraged Juniors of all ages to play and be involved in our great game. To this end National Championships are held on a regular basis for U15, U17, U19 and we believe that U19 is the most suitable group to be expanded into the International Lacrosse Calendar.

U19's bring with them the enthusiasm of youth and I am sure that everyone involved in this Championship will experience the same feeling of enthusiasm as the week unfolds.

To participate in an International Championship such as this will give our young players the opportunity not only to pit their skills against each other on the playing field but also to make life-long friendships and exchange experiences that can only benefit all for the years to come.

In 1988 Australia celebrates our Bicentennial Year and it is fitting that Lacrosse is a major participant in these celebrations as our game has been played in Australia on an organised basis since 1874.

The Australian Lacrosse Council would like to thank all those people who have been part of Lacrosse 88 for all their time and talents and in particular Helen Keane for her marvellous job as co-ordinator.

In conclusion may I thank you all for coming, have a marvellous time and may the games be of high performance and sportsmanship.

PHIL HUMPHREYS

June, 1988

The Australian Bicentennial Authority is proud to be associated with The Bicentennial Under 19 World Lacrosse Championships and look forward to the event as part of our official sport and recreation calendar for 1988.

It is exciting that international competitors have agreed to travel to Australia to compete in the championships and join us in celebrating Australia's 200th birthday.

May I wish all participants the best of luck and good competition.

Yours sincerely,

J. F. KIRK

LACROSSE '88

It seems many years since the South Australian Lacrosse Association decided to host the inaugural Under 19 Men's Lacrosse World Championships. We could see this event as a tangible way for us to develop lacrosse amongst young people and to get involved in Australia's Bicentenary. The fact that our Association would be 100 years old in 1988 also seemed a good reason for a special event in Adelaide.

The Australian Lacrosse Council offered us the opportunity to combine the National Championships at all levels with the World Series, so we decided to host them as well. Thus was "Lacrosse '88" created.

A new stadium for Hockey and Lacrosse would be built and the stage set for a Lacrosse extravaganza the like of which has never been seen in Australia before.

Of course, the best laid plans can always go astray. We all know now that the new stadium is not ready and new arrangements had to be made only three weeks before the World Series was due to start.

Now, at last, the great event is about to begin.

Financial assistance has been received from the Bicentenary Authority, the Australian Sports Commission and the South Australian Department of Recreation and Sport. None of that would have been available if we had not had a major sponsor from the corporate sector, so the Brine sponsorship has made the whole event possible. Not only have they sponsored the Under 19's but also the Nationals. They have my heartfelt gratitude.

Other sponsors have contributed money, products or services so, thanks to them, we hope to conduct the series with enough money to do it justice.

The help I have received from the Steering Committee, especially Peter Martin, has made my job easier and my thanks go to them. I also thank Clive Carr for his guidance. The many lacrosse people who have so willingly offered their help has been greatly appreciated and very heartwarming.

From a personal point of view, I am grateful to the S.A.L.A. Board of Directors who had enough confidence in my ability to appoint me as co-ordinator. As a Sports Administrator I must admit this has been the "ultimate challenge" and has been very exciting.

I welcome players, officials and supporters from overseas and interstate to our fair city and hope your stay in Adelaide is enjoyable. I know the lacrosse will be exciting, friendships will develop which may last a lifetime and many memories will stay with you forever.

HELEN KEANE Co-Ordinator Lacrosse '88.

Steering Committee:

Helen Keane: Co-Ordinator.
Peter Martin: General Manager S.A.L.A.

INTERNATIONAL LACROSSE — RULES OF THE GAME

Each team consists of 10 players on the field at one time:

1 goaltender 3 defensemen 3 midfielders 3 attackmen

The playing field is 100 metres by 55 metres wide and is either grass or artificial turf. The goals are six feet by six feet. Each game consists of four quarters, each 25 minutes in length. Teams change end at the conclusion of each quarter. Between halves there is a 10-minute break. Each team is permitted two time-outs per half; with each time-out being 90 seconds in length.

PENALTIES:

There are three types of fouls (or penalties) in field lacrosse.

- (a) **Technical Foul:** 30 seconds penalty or loss of possession for an offside, interference, touching the ball with a hand, warding off with a free arm.
- (b) **Personal Foul:** 1-3 minutes depending on severity of violation, which includes illegal check, slashing, cross-checking and unnecessary roughness.
- (c) **Expulsion Foul:** The player is expelled for the remainder of the game for violations such as fighting and unsportsmanlike conduct.

Note: Penalised players do not get released on a goal for personal and expulsion penalties. Players do get released on a goal for technical fouls.

CHECKING:

(a) Bodychecking of another player is legal as long as the opponent is in possession of the ball or is within 3 yards of a loose ball or if the ball is in flight within 3 yards of the player.

(b) Stick checking of an opponent can occur when the opponent has possession of the ball, is within 3 yards of a loose ball or if the ball is in flight within 3 yards of the player.

FACEOFFS:

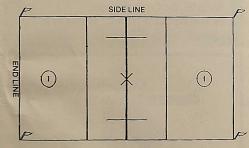

Play starts at the beginning of each quarter and after each goal with a faceoff at midfield. Players facing off may not kick or step on an opponent's stick but may use any other type of faceoff technique to gain possession of the ball. The two players on the wing areas may advance upon hearing the whistle but all other players must stay behind the restraining lines until possession has been gained by either team and this possession has been signalled by the referee.

BALL OUT OF PLAY:

When a ball goes out of play on a pass the team in possession just prior to the ball going out of bounds loses possession. Play resumes with a whistle. Offside occurs when a team has less than three men in its attack half of the field or when it has less than four men in its defensive half of the field — including the goalkeeper.

SHOT OUT OF BOUNDS:

If a shot is taken on goal, the team who was closest the ball when it went out of bounds is awarded possession.

THE ORIGINS AND HISTORY OF LACROSSE

The origin of the game of Lacrosse is usually accredited to the Indians of North America, but Ethnologists have traced the game through different phases.

Back in the ninth century the Icelanders played a game resembling Lacrosse which they called Knattliekr. The Vikings played it in Scandinavia about 900 years ago. History shows that the six Nations of the Iroquois of North America played Lacrosse before Columbus landed in 1492. They called it Baggataway.

A number of historians have referred to a game of Baggataway played in 1763, that was used by the Indians of the Ojibway Tribe as a device for massacring English soldiers and capturing their fort.

The time of adoption by white settlers is not certain, but a game is recorded in 1842 between a white team and an Indian team in Montreal, Canada. The first record of a white team winning against an Indian team was in 1851.

By 1867, Montreal had about 80 clubs. In that year the sport was introduced to the United States of America and into Europe where the English Lacrosse Association was formed in 1868.

Lacrosse came to Australia in 1874 and a few years later began in New Zealand and South Africa, but the game is no longer played in those two countries.

At this time we know that Men's Field Lacrosse is played in the four countries taking part in this series as well as Japan, Sweden and Czechoslovakia.

Of special significance is that in November, 1987 the Iroquois Indians were admitted to the International Lacrosse Federation as a separate body.

A modified form of Lacrosse for primary school age girls and boys has been spreading rapidly all over the world, mostly by the International Mini Lacrosse Federation. In Australia, we call it Sofcrosse. This has spread to all States and is being played in thousands of schools.

The States of Australia which play Men's Field Lacrosse are Victoria, Western Australia and South Australia.

STOP PRESS

Some of our efforts are coming to fruition and Lacrosse is now being played in Alice Springs.

Graham Dickson Real Estate

Proud, as always, to be associated with Lacrosse, and congratulations to all players who have been chosen to represent their country in this inaugural Under 19 World Lacrosse Championships.
